t in .

Kelvin Adler glanced down , his eyes icking over the boy with little interest . His voice was cool also dearted Boll this lady yourself . What's the name of the kid you're looking for ?

Jeremy Adler bit his lip , his eyes darting around , clearly nervous . He mumbled under his breath . Inore I'm the one looking for her ... I just feel sorry for the kid '

Dani , looking confused , blinked at him . " Hi there , which kid are you talking about ?

Jeremy cleared his throat , his face ushing slightly as he mumbled , barely above a whisper . Yvonne

Dani almost didn't catch that . " Did you say Yvonne ?

" she asked , staring at him , not quite beleving in You've met this child

before ? "

Jeremy nodded a bit , then tried to downplay it , I just think she seems ... okay "

Kelvin's gaze ickered over his son's awkward face , his expression unreadable . He was clearly frustrated Jeremy's pride problem .

Kelvin nally looked away , his tone as cold as ever . " Can I see the child

Dani snapped out of her thoughts and quickly nodded , " She should be awake now .

I'll get someone to bring he

A few minutes later , a volunteer entered , holding a groggy Yvonne . As soon as she was placed on the foor her eyes locked onto Dani , who looked like she was about to lose it .

Yvoone didn't seem to care at all about the tension ; whatever had happened last night was a distant

" Mrs. Harrison ! " Yvonne tottered over to her , bouncing like a little snowball and crashing into her legs

Once she was in Dani's arms , she noticed the two men in the room .

Dani paused before saying . " Yvonne , this is Mr. Kelvin Adler and his son , Mr. Jeremy Adler

Yvonne gripped Dani's clothes tightly , her big , innocent eyes darting from one man to the other . When she saw Jeremy , her eyes lit up , and she immediately called out , " Hi , Mr. Adler "

Kelvin's eyes lingered on her for a moment , but his face remained unreadable , as always .

Dani , feeling the tension in the air , didn't dare to speak , but Yvonne , totally unaware of the situation , ashed a sweet smile at Jeremy .

After a brief moment , Kelvin gave Dani a nod , his tone steady and at . " That's the one . Get the paperwork done . "

Dani's heart skipped a beat , While Kelvin's background was unclear , the way he spoke and carried himself made it clear was no ordinary person - de nitely not someone like the Yates family from yesterday .

Still , he didn't seem like the easiest person to deal with , and the director worried Yvonne might get the short end of the stick . But then , she decided to let Yvonne herself to make this decision .

Softly , she asked . " Yvonne , Mr. Adler wants to adopt you . Would you like to go home with him ? "

Yvonne's eyes widened in surprise . Her eyes sparkled , and she sneaked a look at Kelvin .

He was sitting on a simple wooden chair , looking like some untouchable gure - sharp features , almost too perfect . Yvonne quickly shifted her gaze and saw Jeremy sitting next to him .

Jeremy seemed a little nervous , his eyes darting away from hers , his face stiff , the usual guard up

Yvonne suddenly grinned , her whole face lighting up with joy . " Yeah , sure ! I wanna go home with them ! "

Jeremy's tense expression softened for a second , his brows relaxing .

He curled his ngers slightly , ghting back a smile . If he had a tail , it'd probably be wagging right now .

Kelvin stayed behind in the of ce to handle the paperwork while Jeremy waited outside .

Yvonne , totally excited , skipped over to Jeremy , naturally grabbing his hand and beaming up at him with a big smile . " Hi ""

Jeremy muttered a cold response , his lips pressed tight , but didn't look at her .

Yvonne wasn't at all scared by Jeremy's cold , distant stare .

Instead , she tilted her tiny head and , with a sweet , babyish voice , said . " Mrs. Harrison told me you're the one looking for me . Thanks for taking me home ! I really like you . "

Her innocent words could melt anyone's heart , but Jeremy Adler kept up his cool act . " I don't like you , so don't go getting any ideas . "

But his pale cheeks betrayed him , ushing bright red .

Yvonne stared at him for a couple of seconds before sighing and dropping her hand .

" Okay " She was clearly disappointed and went quiet after that .

Jeremy , trying to look indifferent , kept sneaking glances at her . The little one sat next to him , bored , doodling aimlessly in the dirt with a twig .

When he saw the red , swollen spots on her palm , his heart tightened . He suddenly asked , " How'd you hurt your hand- "

Yvonne bit her lip , her long lashes uttering like little brushes .

She had wrapped it up yesterday , but it got itchy at night , and she scratched it open by accident .

" I hurt it when I fell , but I already treated it ... " Her voice was barely audible , and Jeremy didn't think much of it .

He assumed it was just from her being a bit reckless .

He bent down and gave her a soft tap on the head with his ngers . " You're such an idiot . I've never seen anyone mess up their hand like that . "

"

Yvonne covered her head , sniff ng , and muttered softly , " Got it ...

Seeing her like that , Jeremy couldn't help but smile . She was so cute - soft and sweet , the kind of kid he just couldn't resist . At that moment , Kelvin Adler came out , done with the paperwork . He noticed the big and little ones walking hand in hand , already getting along pretty well .

He gave them a quick glance , said nothing , and simply led them out of the orphanage .

Yvonne took a few steps before looking back at Dani , who was smiling and waving at her . After a brief moment of hesitation , she let go of Jeremy's hand and ran back ...

Dani crouched down with a warm smile . " Yvonne , remember to listen to Mr. Adler , okay ? Don't piss him off . And if he's cool with it , I'll come see you . "

She gently wiped away the tears on Yvonne's face , pulling a tissue from her pocket and handing it to her . Stop crying , go on now .

Don't keep Mr. Adler waiting too long

Yvonne , her eyes brimming with tears , sobbed and choked out , " L .. I'm sorry , last night

Dani interrupted her , wiping her face . " It's ne , sweetie . I'll bring your necklace as soon as I nd it . Don't worry about Bucky either : I'll take care of him .

" And if Mr. Adler wants a dog , once his pups are old enough , I'll pick out the cutest one and bring it to you ?

With a soft nudge on her back . Dani urged her to keep going .

Jeremy walked over and wordlessly scooped the child up , carrying her in his arms .

He gave Dani a brief nod , then got into the car with the crying little one .

Only after the Adler family's car had disappeared from view did Dani turn to leave .

She grabbed a couple of bread rolls from the cafeteria , then went into the monitoring room to pull up the footage from the previous day .
