Before she could feel too embarrassed , a cool , fresh scent surrounded her , and suddenly

A stiff, slightly awkward voice spoke near her ear, "I can't stand hearing people apologize.

She carefully tugged at the collar of Jeremy's shirt, watching him for any signs of rejection

When he didn't push her away , she slowly relaxed and leaned against him . " Jeremy , you're

Jeremy just pressed his lips together and held her tighter as he walked inside.

Meanwhile , at the Yates mansion , Marian had a totally different reaction to the luxurious

She was calm and collected , following Robert silently . On the outside , she looked cool and

This was the Yates family - the richest in Blorence City . And it was even more breathtaking

Marian rushed to keep up with Robert , taking quick , deliberate little steps , trying to

As they walked , she couldn't help but notice there wasn't a single Yates family member in

The second they stepped through the door , there was a loud bang , as something exploded

Welcome to our family, Yvonne! "Nina Yates, along with her two kids, was already waiting

Her face immediately went blank , and she turned to Robert , wide - eyed with confusion .

Meanwhile, Nina and the kids saw her expression, and their smiles disappeared as fast as if

Robert let out a frustrated sigh , rubbing his forehead , clearly uncomfortable . It turned out

Nina and the kids had thought he was bringing Yvonne back today, and they'd gone all out

"This is Marian ... she's , uh , part of the family now , " Robert muttered awkwardly , his

words trailing off . The air was thick with tension , and all he could do was let the

He'd forgotten to mention that Marian was the one he was bringing .

, each holding a party popper- except only Oliver Yates , the second youngest , had his

sight - not even a servant . It made her feel more and more uneasy .

Marian shrieked, instinctively ducking down and covering her head.

From now on , she would be the one taking Yvonne's place and ruling this house .

Her excitement was barely contained , though her eyes were alight with that burning desire

Nina casually tossed her unlit party popper onto the couch and , without missing a beat , a servant rushed in to hang up a banner. Marian looked up and froze when she saw it : [A warm welcome to Yvonne joining the Yates

Nina , ever the quick thinker , immediately directed the servant to take the banner down as if nothing had happened . She then marched over to Marian , looking genuinely sorry . " Oh god , Marian , I'm so sorry

Marian blinked back tears, her lip quivering slightly. She bit it back and gave a tiny nod,

" Alright , let's get all this cleaned up ." Nina ordered the staff , trying to move past the

The living room was Iled with gifts - expensive teddy bears , fancy dresses , diamond -

What was supposed to be a smooth , well - planned welcome party had turned into an epic

After everything was cleared away, Nina quickly pulled Robert off to another room to talk,

The Yates kids, always polite, didn't treat Marian any differently, even though everything

xated on those damn

had gone totally wrong . If anything , they went out of their way to be nice to her .

But Marian couldn't care less about their kindness . She was still

gifts - the teddy bears , the dresses , the sparkly hairpins

The effort made Nina feel like crap , like she'd just kicked the girl in the stomach .

We'll throw you a much bigger welcome party next time , I swear . "

studded hairpins - all meant for Yvonne , now completely out of place thanks to this mix up.

leaving the three kids utting awkwardly with Marian .

If they got the wrong person, why not just give me all that stuff? she thought to herself, annoyed . That woman ? She can't even handle a simple mix - up like this?
