

## Super D. S 101

### Chapter 101: compromise

However, the token in Ye Xuan's hand will not be fake, because he also has one, but the material is worse than the one in the hand.

There are only two possibilities now. One is that Ye Xuan is the token that was inadvertently obtained. The other is that Ye Xuan really knows Ouyang Ming.

"Zhang Chengzhu, please exchange the token for me." Ye Xuan suddenly reminded.

Zhang Lie threw the token back and he didn't know what to do.

"Zhang Chengzhu, I don't know if you can let people go now?" Ye Xuan looked at Zhang Lie with a smile.

"No!" Zhang Lie subconsciously shouted.

Ye Xuan nodded slightly and smiled: "Since Zhang Cheng did not believe, then I had to go to Nanlin City to find Ouyang adults. At that time, who is the enemy of the country, I think Ouyang adults will definitely investigate and leave!"

When he finished, he turned and left, and it was extremely fast, exceeding the reaction of everyone.

"not good!"

Zhang Lie's face instantly sank to the bottom of the valley. He didn't expect Ye Xuan to leave and give him a little hesitation. He immediately said: "Slow!"

When Xuan's words were heard, Ye Xuan was already in the tens of meters.

If this screaming is slower, he might have flashed the sight of others. He smiled and turned and said: "Zhang Chengzhu, is there anything else?"

Zhang Lie looked at him gloomily and slowly said: "Cao Ba, let go!"

Compromise, the city owner compromised!

The people present were shocked, and the owner of Wanjincheng, who always said things, had compromised with Ye Xuan.

But when they thought of the Ouyang House token in Ye Xuan's hands, they were calm.

If Ye Xuan really knows that Ouyang Ming is inspected, then Zhang Lie can be miserable. He gave Xue Jiaan a crime of selling the country through the enemy. If it is investigated, then the city owner may be finished.

He didn't dare to gamble, so he compromised!

Not long after, Cao Ba came out with a group of Xue family. These days when the Xue family were locked up, they were also frightened. I didn't expect to see the day again.

"Ye Xuan, are you?"

When Xue Hai saw Ye Xuan, he was also suddenly realized. It is also said that he has not many people who know Xue family. Can he save the Xue family except Ye Xuan, who else?

"Uncle, look, are the people caught are all there?" Ye Xuan looked at Xue Haidao.

Xue Hai looked around in a circle and then nodded: "When you get there, everyone who is caught is here."

Ye Xuan also looked around in a circle, there are about thirty or forty people here, but he did not see a person.

"Uncle, even offering it?" Ye Xuan suddenly remembered that he was the leader of the former Lie Yunzong who was lying at the Xue family for him.

Upon hearing this name, Xue Hai brows his head and wrinkles. He said: "I even sacrificed him and was killed."

"okay, I get it!"

This news is also to let Ye Xuan heartbeat, although he and that even Yuan Yuan only have one side, but the other party has helped him once.

In order to avenge him, Zhang Lie not only grabbed everyone in Xue's family, but also killed people. Then, he must pay the price of blood.

Just, this time is not the time to start!

At this time, Ye Xuan suddenly turned and said: "Zhang Chengzhu, you copied the Xue family, in addition to letting people, is it still necessary to compensate for the losses caused by you?"

"Ye Xuan, you don't want to bully too much!" Zhang Lie immediately yelled.

The reason why he compromised and let go of Xue and others was because these people did not have much use.

When he ran a house, he had already taken away all the valuable things of Xue's family, and even all the industries of Xue's family.

It is absolutely impossible for him to return these things now, but also to compensate for the losses!

Be aware that this is an astronomical number.

"Oh, well, this is not to say for the time being. The portrait of my fiancée Xue Qingqing is still posted at the gate of the city. Should the city owner give the order?" Ye Xuan looked at Zhang Lie.

"Hey." Zhang Lie snorted, and he commanded a man to let him go to the gate of the city to order the order.

"Okay, then Zhang Chengzhu, we will see you next time!"

After Ye Xuan showed a demon smile to Zhang Lie, he took Xue Hai and others and left in a hurry, and then came to the inn of Xue Qingqing.

"father!"

When Xue Qingqing saw Xue Hai, she also flew in the past. She suddenly discovered that Xue Hai's body had lost a large circle, and even white hair grew a lot.

"Ye Xuan, this time thanks to you, otherwise, we can die." Xue Hai said with tears.

"Uncle, this is because of me, it is because I have harmed you. But now that this million Jincheng, you can't stay, it is better to go to Liancheng first." Ye Xuan suggested.

"Yeah, we and Zhang Lie are already torn apart, can only leave, even Yuncheng is also a good place to go, although I am now penniless, but Xue Hai believes that I will be able to make a comeback."

Although Xue Haixin is very sorry, all the Xue family's industries have been occupied by Zhang Lie. They are penniless, and even Yuncheng is a small city. How easy is it to make a comeback?

"Uncle, if that's the case, then let's go now."

Ye Xuan said, it was to leave directly, to buy a few carriages, ready to \*\*\*\* Xue Hai to go to Yuncheng.

Now Xue's family has been ransacked, unable to pay the pledges of the offerings, so those offerings have left, and even some have joined the Zhang family.

In the afternoon, Ye Xuan took the Xue family's team and rushed to Lianyun City.

The team does not have a guard, but there is Ye Xuan, they will not have anything.

On the way to Lianyun City, Ye Xuan stayed in a carriage for reasons of cultivation and told others not to disturb his cultivation.

However, in the evening, he quietly left without the attention of others.

The purpose of his trip is to return to Wanjincheng!

There is no hate, no gentleman!

Zhang Lie copied Xue's family and also killed the company that had helped Ye Xuan to kill him. Therefore, Ye Xuan went back this time to let Zhang Lie pay the price, the price of blood!

Of course, before he left, it was already a plan to secretly tell Guan Lan.

Regarding the language, the team is still relatively safe.

The speed of the team is not fast. Although it took a long time to go, but with the physical quality, Ye Xuan did not spend much effort to return to Wanjincheng.

Now Xue Qingqing's wanted order has been dropped, so the guards of the city gate are also less, and the search is removed. Ye Xuan disguised himself a little and mixed into the city.

At this time, it is already night.

"Xue Jiakai just left, the city government was destroyed, the world will certainly doubt my head. However, I can't manage so much, what is the suspicion?"

On a certain roof, Ye Xuan, dressed in black, looked at the lamp-filled city of Wanjincheng, revealing a strange smile.
