

Super D. S 103

Chapter 103: breakthrough

Zhang Liegui is the owner of the city. His family name is definitely very rich, and there are still many offerings in Zhangfuzhong. They are all taken care of by Ye Xuan.

In this city, no one can stop Ye Xuan, Ye Xuan is like a vampire, madly sucking blood.

Not only that, he also inquired about Zhang's industry, including Xue's. After leaving the city's main government, he just gave these shops a visit. Dan pharmacy, weapons shop, and martial arts hall were all looted.

"Shuang, it's cool to kill me. It's really cool. I just got the silver ticket, and there are 200 million in total."

After robbing the last restaurant, Ye Xuan couldn't help but yell.

The light and silver money has got 200 million. If you add those things that you have searched for, this time you earn less than 500 million yuan. This is still not the treasure house under the city government. If you count the treasure house, there are at least seven. 800 million.

Because the city government had something to do, the city wall was closed in advance, but even the traits of the underground treasure house of the city's main house could not stop Ye Xuan. These ordinary city gates were even more vulnerable.

"No, the murderer who killed the city owner escaped the city!"

The guard shouted at it.

Today, Wanjin City is destined to be in chaos.

The city owner died, and the entire city government was looted. Not only that, but the industry under the city government is the same.

However, Ye Xuan is not worried at all. I am afraid that I will only think that there is a master in the top, and robbed the city government for the money.

At the time of Wanjin City, Ye Xuan had already arrived at the Xue family's team at full speed.

"Where, no one found out." Ye Xuan returned to his carriage and quickly changed his clothes.

This time, his harvest will be the biggest in history. He is going to leave those money to the Xue family, plus those martial arts.

As for the rest, all swallowed!

"Hey, the host broke through to the ninth peak of the martial arts!"

After the line of Lianyun 18 Mountain Range, Ye Xuan reached the level of breakthrough. Now he has swallowed up so many things, allowing him to directly break through to the ninth peak of Wudao, which is only ten steps away from the martial art.

"Mom, the number of needs is getting bigger and bigger. I don't know if it is the tenth weight of the martial arts. Is it necessary to get a billion?"

Ye Xuan has a very headache, but he always has a money-making plan in his heart, but there has been no place to implement it.

"First buy an intermediate blood to play."

Now Ye Xuan is a nouveau riche. There are a total of 1,500 swallowing points, and the blood of the chasing leopard is raised to the intermediate level. It only takes a thousand points to swallow the points.

However, the next moment, Ye Xuan was stunned.

"The host is currently unable to integrate intermediate blood. If it is forced to merge, it may cause the realm to fall or explode, and buy it?"

The system prompts.

"What? Can't merge?" Ye Xuanyi.

It seems that he is because the realm is not enough?

In desperation, he had to choose to give up, and wait for the tenth martial arts to say.

Just then, there was a sudden footstep outside the carriage, followed by a beautiful voice: "Ye Xuan, are you there?"

This is a loli sound, it is obvious that it is Xue Qingqing, not Guan Lan.

"This girl, didn't you say that you don't want to come to me?" Ye Xuan turned his eyes. He made it clear before, don't bother him to "cultivate". Fortunately, he came back early, or isn't he wearing it?

"come in."

Ye Xuan said, the next moment, he saw a petite figure drilled in, it is Xue Qingqing.

Xue Qingqing picked up the curtain and got into the carriage, but the sight in the carriage was very dim, and she could only see the position where Ye Xuan was sitting.

"What are you looking for?" asked Ye Xuan.

"You are my fiancé, I have to find something to do with you?" Xue Qingqing said with some dissatisfaction.

"Of course, of course." Ye Xuan smiled. He had so many before, but also to prevent people from discovering that he had gone out. Now that he has returned, he naturally does not care.

"This time thanks to you, or in a few days, the city owner will give my family a dagger." Xue Qingqing thanked.

"You just said, I am your fiancé, I will not help you, who will help you?" Ye Xuan said.

"Well, then I am not ruthless." Xue Qingqing smiled and continued: "Is that sister, is your sister?"

Ye Xuan nodded, "Yes."

He knows that Xue Qingqing must have said Guan Lan, but Guan Lan is his sister or sister, and it doesn't matter.

On the age, Guan Lan is bigger than him, but on strength, he is much stronger than Guan Lan.

"Hey, how long did it take to enter the cracked cloud sect, I met such a beautiful sister, I am not saying that you should not bet the butterfly?" Xue Qingqing wrinkled Xiaoqiong nose, a face dissatisfied.

"I don't have it." Ye Xuan rolled his eyes, and he didn't want to tie the relationship, but Guan Lan had posted it. What can he do?

However, the next moment, he also stunned.

"Hey, I forgive you this time, not allowed to have the next time." Xue Qingqing said suddenly and compromised.

"The trough, this is allowed by default..." Ye Xuan has some helplessness.

At this time, the curtain of the carriage was pulled open again, and then a white figure was drilled in. It was Guan Lan.

Guan Lanlan saw Xue Qingqing enter the carriage and knew that Ye Xuan had returned. She carefully looked at Ye Xuan and made sure that the other party was relieved before she was relieved.

However, to make Ye Xuan even more helpless, the two girls actually started to talk, and the more they chatted, the more they put the leaves on the side.

And Xiaoyue silver wolf whispered, it was quietly kneeling beside Ye Xuan, also showing a helpless look.

.....

Because it was a carriage, the team of Xuejia was not fast. After about a week, they arrived at Lianyuncheng.

At the moment, Ye Xuan brought them to the Ye family and contacted the Lin family to hold the conference.

Although Lianyun City is only a small town, the three major families have the confidence to develop it into a big city. As long as the prosperity reaches a certain level, it can be promoted to a big city. At that time, a city owner can be appointed.

Ye Xuan also returned the 200 million silver tickets that had been scraped to the Xue family. Although Xue's industry was gone, Xue Haike was a businessman. He knew more people. As long as there is money, it's not difficult to make a comeback. .

The martial arts exercises of the Li Yunzong, Ye Xuan did not come out, after all, he still has the rhythm. As for the martial arts that he got, he took out a few copies and sent them to the three families.

Right now, New Year is coming, Ye Xuan is not in a hurry to retreat to Yunzong, and Guan Lan has nothing to do with it, so he promised Ye Xuan to stay in Ye Family for the New Year.

The New Year of the world is actually not much different from the Earth. It is a family gathering together to have a meal.
