

## Super D. S 104

### Chapter 104: Not good

The same family of Ye Family is the same, but there are a lot of people. They put down a banquet in the martial arts field, whether it is Ye or surname, they have all passed together.

However, in this happy day, Ye Jia suddenly had a big event.

Suddenly, someone broke into the Ye family and suddenly became violent after killing several Yejia guards.

Ye Zhang, who heard the incident, hurriedly took the people to the past, but after he saw the dead, his face became pale.

He hurried back to the practice field and called Ye Xuan.

Ye Xuan did not know about this, but after he saw the deceased, he was completely shocked.

Because this person, actually wearing the costumes of the cracked Yunzong, but also the elder costume.

"Who is it?" Ye Xuan somewhat surprised the elder, and then he exclaimed: "The road elders?"

The man who suddenly broke into the Ye Jiada to kill, turned out to be the uncle of the road, the elder of Lu Chi Road.

Suddenly, Ye Xuan is clearing the ins and outs.

"On the same day, we went down to the Blackwater Lake. It might have been seen by a mountain thief. This pool pool heard this, but I lied before, so he thought that the road to death was related to me, so I came to revenge. However, how did he die?"

Ye Xuan began to find out the cause of death. When he opened the clothes of the elders of the road, he suddenly found that the entire left chest of the elders of the road collapsed and was shot dead.

"The elder of the road is the warrior of the tenth medium-term martial arts. He can kill him with a fist. I am afraid it is the tenth peak of the martial arts, but..."

Ye Xuan was somewhat puzzled, but when he saw the bodies of several Yeja guards on the side, he suddenly flashed a possibility in his mind.

The last time they went to destroy Chen's family, Lianyuncheng sent two teams of city guards to Ye and Lin. The Lin family had Lin Xiao's father, but Ye Jiake did not have a master.

However, at that time, Ye Family did not have anything. At that time, they thought it was a master passing by to save.

But now it seems that this thing is a bit strange.

"It's hard to be done. Someone secretly protects my Ye family?" Ye Xuan's mind flashed in the air. This possibility is indeed there, and it is still very big.

Otherwise, how can the road pool die here?

"Da Bo, this person just wore a piece of clothes from the elders of the cracked cloud sect, but this matter is of great importance, remember not to pass it out." Ye Xuan hurriedly told Ye Zhang.

"I know." Ye Zhang said clearly, but it was okay. Three escorts were known about the incident, and two were the next.

Immediately, he commanded the next person to bury these servants who had died in public service, and pulled out the clothes of the road pool and burned them.

Although Ye Xuan did not know who the master was, he did not know why he wanted to protect Ye Jia, but there was a faint speculation in his heart that the master might be related to his father who had been away from home for several years.

It is not a good sign to send a life case during the Chinese New Year, but there is no way, but fortunately, Lu Chi was bombarded by mysterious masters. Otherwise, if he was in the Ye family, even Ye Xuan might not stop him.

Although this episode is somewhat horrifying, but it has been dealt with, there are not many people who know, even the language is in the dark, Ye Xuan as long as he pretends to do nothing.

Years later, Ye Xuan also stayed in Lianyun City for a few days, and then prepared to go back to the Yunzong report with Guan Lan.

This time, he wants to report back to Yunzong and Zhou Cang, then go to Nanlin City and go to Ouyang Ming.

At this time, Ye Xuan has already set off with Guan Lan.

"The goal has been out of town, keep up!"

.....

Although the growth of whispering is very fast, in less than a month, it has grown into a big yellow dog. The strength is a third-order monster, but its shape is not enough to ride Guan Lan.

Therefore, Ye Xuan and Guan Yulan still have to ride back to the cracked Yunzong.

What they don't know, however, is that there is a team that is following closely behind. This team is very cautious, even Ye Xuan has not found it.

However, when Ye Xuan came to the Lianyun 18 Mountain Range, he finally found this team, but the other party was already killed.

Ye Xuan, who had just entered the Lianyun 18 Mountain Range, felt that something was wrong. He turned his head and saw that a team was running towards him.

This team has a total of six people, but the speed is extremely fast, at least the ninth heavy weapon of the martial arts.

"There is a bad person!"

Ye Xuan reacted instantly, and immediately jumped from the moment, a cautious look. He can't be 100% sure that these six people are coming to him, so they can't take the lead.

Guan Lan also discovered this and also fell lightly on the ground.

Not only that, but even whispers are low-pitched, and the hostility is clearly felt.

The six quickly swept and finally stopped at the front of Ye Xuan more than 20 meters. The first was a middle-aged man. He looked at Ye Xuan and smiled coldly.

"Several people, is there something?"

Ye Xuan looked at the six people and asked curiously.

"Know that we are coming for you, even dare to stop?" The middle-aged man looked at Ye Xuandao.

"Why don't you dare?" Ye Xuan blinked.

"In this case, then we are not nonsense, and the six of us are following you from Lianyuncheng. The purpose is to kill you." The middle-aged man said something.

really!

Wen Yan, Ye Xuan heart trembled, these six people really did not come, he is ready to fight, but he still curiously asked: "Who are you?"

"You have scrapped my young master!"

When the voice of the middle-aged man fell, Ye Xuan also responded in an instant, and the original revenge for Fan Yue.

"It turned out to be a person who cracked the sky." Ye Xuan said.

"No, we are from Nanlin City, Fanjia!" The middle-aged man shook his head.

This one answer is also to let Ye Xuan stunned, these people actually came from Nanlin City.

"It turned out to be Fan Yue's family." Ye Xuan's face sank, because this Fan family turned out to be Nanlin City.

Nanlin City is the county town of Nanlin County. It is the place where the Nanlin County King lived. The prosperity is more than the general big city. The family inside is not comparable to the Ye Family.

"Well, boy, since you know who I am, then you should go." After the middle-aged man finished speaking, he also took the lead and continued: "Planning!"

The reason why they chose to do it here is because there is often a murder and treasure hunt. After killing, just throw Ye Xuan's body into the wild and feed the monster, so no one can find evidence, don't worry about being cracked. Find.

Ye Xuan looked at the six-person swordsmanship, and the spiritual power in the body began to roll. He suddenly felt that the middle-aged man in front of him was not very simple. I am afraid that it is the tenth weapon of the martial arts, that is, I don't know what the realm is. .

In his current realm, dealing with the tenth martial arts in the early stage should not be a problem, but if the other party is the tenth middle of the martial arts, he will have to measure the amount. After all, there are five others.
