Chapter 106: Zhou Cang is looking for

"Then you be careful." Guan Lan reminded.

Suddenly, her heart became a little uneasy. She felt that if she was separated from Ye Xuan this time, I would not have seen it so easily.

"Do not worry, after a while, I guess it will be able to break through to the tenth weight of the martial arts. At that time, is this contest still coming?" Ye Xuan said with great confidence.

Guan Lan also nodded silently, Ye Xuan's qualifications, I am afraid that no one in Nanling County can compare with it.

The two were silent for a while.

After Lan Lan's small mouth and secretly smashed Ye Xuan's eyes, some of them said, "Ye Xuan, I, I have something to say to you..."

Since the last incident, Guan Lan has had a special feeling for Ye Xuan. She has been hiding in her heart, but I don't know why. After hearing that Ye Xuan is going to participate in the Imperial Capital Competition, she feels that she will not say it again. I am afraid it will be late.

Ye Xuan looked up and saw the appearance of Guan Yulan. Suddenly there was a thought in his mind: "The trough, this girl should not be confessed, brother is not ready yet!"

In the last life, Ye Xuan was still a big man, and the goddess was too far away.

But now, there is a goddess level to confess to him, he suddenly did not calm down. However, he still insisted on calmness and said indifferently: "What?"

The fire was shining on the ruddy face of Lana, and the tweaking look, I saw that Ye Xuan could not hold it.

"I..." Guan Lan has hesitated for a while and finally has to speak.

"Hey!"

"Roar!"

However, at this time, suddenly a sound fell into the ears of two people, and the whispering voice around him immediately sent a low-pitched voice.

There is movement!

"Where, what potholes disturb me, good faith, believe me to kill you?" Ye Xuan suddenly yelled in the heart, after a while, he may be able to live a happy life, but who knows that he was disturbed It is.

"Who!"

Ye Xuan stood up very angrily and shouted.

He swears in his heart that if he is a person, he must be a pig, and if it is a monster, it will be turned into a pig demon.

But the next moment, his face is frozen, and the sound begins to hunt and is getting closer.

"Fast speed!" Ye Xuan was shocked, and when he reacted, there was already a figure in front of him, it was a person!

Ye Xuan looked alert and looked at the figure more than ten meters away. He said, "Hello, what are you doing?"

"Don't be nervous, it's me."

The figure suddenly came out of the darkness. After Ye Xuan saw the face of this person, the body was also slightly trembled.

Is this not his master?

"Master, how come you are here?" Ye Xuan relaxed and asked a little strangely.

Guan Lan is also very surprised, how did Zhou Cang find them?

"I suddenly heard that the background of Fan Yue is not only as simple as the chief disciple of the cracked Tianzong. He is a fan of Nanlin City. I am worried that the Fan family will do it for you, so I will find you down the mountain."

Zhou Cang saw Ye Xuan nothing, but also relieved.

"Master, you can rest assured that you can't die so easily." Ye Xuan pretended to be a look of surprise. I don't know why, his heart has been beating vigorously after Zhou Cang appeared, as if something big is going to happen.

"That's good."

Zhou Cang nodded, then walked to Ye Xuan's side, but the next moment, his wrinkles like a cliff are a trembling, stunned: "The ninth peak of the martial arts?"

"It is a half-step to enter the real state of the spirit." Ye Xuan secretly admire, nodded: "Yes master, disciple down the mountain to do the task, accidentally get the adventure, broke through to the ninth peak of the martial arts."

Zhou Cang is already surprised to open his eyes, and his mouth can quickly put an egg down.

In just one month, Ye Xuan actually broke through from the ninth heavy martial arts to the ninth peak, which is absolutely unprecedented.

Ye Xuan's qualifications are not only high, but also very good luck.

However, he did not ask much, but looked at Ye Xuan with a very strange look.

"Okay, that's great." Zhou Cang is already excited and can't speak.

Although Ye Xuan's heart is somewhat strange, he didn't think much about it. Since he met Zhou Cang here, it means that he can go directly to Nanlin City without going back to the cracked Yunzong.

Immediately, he just said the things of Ouyang Ming.

"What, the Imperial patrol?" Zhou Cang was shocked after listening to it, because Ye Xuan gave him a lot of surprises.

"Yes, this time the disciple broke back to Yunzong, just want to tell you, the disciple wants to participate in this emperor contest." Ye Xuan nodded.

Zhou Cang hesitated for a moment and said: "It can be, but this time, looking for you down the mountain, there is one more thing. You should go with me to a place first, then leave."

"Looking for something?" Ye Xuan frowned and asked curiously: "What is it?"

"You will know when you arrive, so we will leave immediately." Zhou Cang said to Guan Lan.

"So urgent?" Ye Xuan said.

Zhou Cang explained: "The imperial inspection makes you honorable. You can't neglect. I have heard of this competition. It will be a very good stage and must be prepared."

"Ok."

Ye Xuan can't be nodded. The scale of this competition is very large. After all, the power of Xuanyang Emperor is quite a lot. Their children are not qualified for him, but he is not dominant in terms of age.

"Lang Lan, you can break the cloud sect yourself." Zhou Cang suddenly said to Guan Lan.

Although the heart is very reluctant, but Guan Lan can only slightly nod, who called Zhou Cang at this key point?

Therefore, the words hidden in her heart can only be said after Ye Xuan returns.

"Okay, let's go." Zhou Cang seems to be unable to wait, and hurried.

Ye Xuan is also very helpless. When Zhou Cang came to a bad time, it appeared at this time. Unfortunately, after a while, he may be able to leave the single dog ranks.

Then he left with Zhou Cang.

Fan family has sent a large number of masters, and it is necessary to see at first glance, so Ye Xuan is not worried about the safety of Guan Lan, and his peace of mind follows Zhou Cang.

.....

Ye Xuan, a misty water, followed Zhou Cang.

Their speed was very fast. It took only one night to leave the shortcut of the Ninth Mountain Range. Then, Zhou Cang took Ye Xuan and rushed in another direction.

Along the way, Zhou Cang also asked about some things about Ye Xuan, mostly about the Ouyang Ming and the Emperor.

But when Ye Xuan asked him where he was going, Zhou Cang was vague in the past, making Ye Xuan somewhat strange.
