Chapter 111: Three places

"Oh, come."

Ouyang Ming looked at the young man and slowly came in and said: "Deng Yang, sit down."

Ye Xuan and the other four watched the young man sit down and found that after the person came in, he swept around with a disdainful look and then sat down silently.

At the same time, Ye Xuan also noticed that Fan Jin's expression was a bit strange, it seems to know Deng Yang.

"Well, people are here."

Ouyang Ming also sat in the first seat of the lobby, and then said: "You are all carefully selected by me, the purpose is to participate in the Imperial Capital, but I will say first in front, I only have three places!"

Three places?

The six people present were also surprised, but that Deng Yang was a cloud-like appearance, as if this thing had nothing to do with him.

"Ouyang adults, so to say, three of us have to be eliminated?" Fan Jin asked strangely.

"Not bad." Ouyang Ming nodded. "The imperial capital contest is not a child's play. It is very dangerous. Even if the martial arts' tenth peak of the martial arts is likely to fall, so in the next, I will have a test, the three who passed the test. I will lead the team to the Imperial Capital to participate in the Imperial Capital Competition."

The six people present were silently nodding.

In addition to the locals of the Imperial Capital, there are only forty-eight places in the 16th County. Without the recommendation of Ouyang Ming, they are unable to participate in the Imperial Capital.

"Ouyang adults, what is the test?" Fan Jin asked.

"You should rest for three days, and I will tell you after three days." Ouyang Ming sold off the road.

Then he ordered the next person to bring Ye Xuan and others to their respective residences. However, when Ye Xuan was just entering his yard, Ouyang Ming was looking for it.

After Ouyang Ming entered the door, he carefully looked at Ye Xuan, but he was somewhat disappointed, because Ye Xuan is still the ninth peak of the martial arts, not refined.

"Ye Xuan, is it good recently?" Ouyang Ming is a guest.

"Ouyang adults, I am very good." Ye Xuan nodded.

Ouyang Ming smiled and said: "Well, I just said that I only have three places, and you are only the ninth peak of the martial arts. It is not so easy to win a quota."

"Ouyang adults, sometimes, the realm can not explain everything." Ye Xuan said faintly.

"Haha, yes, the realm can't explain everything. But I have to remind you that Deng Yang is the son of Nanlin County King, and it is already the tenth middle of the martial arts." Ouyang Ming said with a smile.

What?

Son of Nanlin County King?

Ye Xuan gave a slight glimpse, no wonder Fan Jin looked at Deng Yang with a strange look. It turned out to be the case.

However, the mid-term of the martial arts is a problem. Nanlin County is a true spiritual real, and his status is lofty, so his children are not leisurely.

"That Deng Yang may also have a spirit, and it is the tenth middle age of the martial arts. It seems that this quota is stable."

Ye Xuan thought in his mind that although he had confidence in his own strength, he had not played, and he was not sure that he could beat Deng Yang.

"He is a quota, I guess it is steady, but with your ability, you should not have much problem with winning the second place." Ouyang Ming said with a smile, he is still very optimistic about Ye Xuan.

"Ouyang adults have won the prize." Although Ye Xuan is not very vain, but he is very happy to hear this, this is the trust of his strength.

"In these three days, you have a good rest, you can also go to Nanlin City to go shopping, what is needed, you can come to me."

Ouyang Ming said that he is ready to leave.

However, Ye Xuan, after he left, also went straight out.

Now, he has to make good use of the 1,500 points he already has to swallow points to try to maximize the benefits. At the moment, he used one thousand and five white points to exchange for three swords.

That's right, it's the spirit!

These three swords and long swords consume the light of Ye Xuan's engulfing points, leaving only a dozen points. The next thing he has to do is to sell the three swords and swords, or to replace them with heavenly treasures.

This is his plan!

Then, he wrapped the three swords of the sword, but when he went out, he suddenly ran into a person, Fan Fan's Fan Jin.

"Oh, Ye brother, do you want to go out?" Fan Jin asked strangely.

Hearing this, Ye Xuan is also very strange, because he has abolished Fan Fan's Fan Yue, does this Fan Jin do not want revenge?

"Ye brother, Fan Yue is just my brother, the qualification is worse than me, I can't make a vengeance for him." Fan Jin saw Ye Xuan's expression is a bit weird, it is said.

"Yes..." Ye Xuan looked a condensed, but he not only abolished Fan Yue, but also killed a few masters of Fan's family. If he was known by Fan, he would never be rewarded.

"Yeah, I have had several weapons before, and I want to sell them." Ye Xuan nodded.

Fan Jinyi, looking at the three cloth bags behind Ye Xuan, he suddenly remembered that Ye Xuan had come in empty hands, but now, he took three weapons.

"Ye brother, do you have a ring?" Fan Jin asked in a guess.

At this time, Ye Xuan was suddenly recalled, and he made a mistake. In desperation, he also had to laugh: "Fan brother will really make a joke, a 乾戒戒抵抵抵抵,,,,,,,,,,,,,?"

This thing is very rare, but this Nanlin City is the most prosperous city in Nanlin County, and there have been many times.

"This is also..." Fan Jin said very enviously.

After all, even his Fan family did not have a ring, and Ye Xuan was only the ninth peak of the martial arts. The weak one had one. This is a crime.

"Oh, there are still things in the next, I will leave." Ye Xuan said, it is straight out.

However, not long after he left Ouyang, he suddenly remembered one thing.

These three spirits, he does not have to sell to others, can be sold to Ouyang Ming, the imperial inspection.

When he and Ouyang Ming met for the first time on that day, they were also all around the enemy. However, the other side speculated that he had a slogan and did not give him a shot. It was a gift, which is enough to see Ouyang Ming's inspection. For people.

Therefore, Ye Xuan went back and found Ouyang Ming.

"Ye Xuan, is there anything to find me?"

After Ouyang Ming saw Ye Xuan, he asked strangely.

Ye Xuan's black long bag behind him, respectfully said: "Ouyang adults, this is the case. When the kid was practicing outside, he accidentally found a treasure and got some things. This is three spirits, so I want to put it. Selling, I don't know if Ouyang adults can introduce a place..."

He didn't know if Ouyang Ming had any interest in the spirit, so he just asked a place where he could eat three spirits.
