

## Super D. S 118

### Chapter 118: Quota

After Fan Yuan and Fan Jin's two fathers and sons died, Ye Xuan also searched for a while on their bodies, but did not get much good things.

Later, he buried the two people, just in case.

Now that his mission opponent is dead, he is even less anxious. He can wait until more than 20 days to return to Nanlin City, as long as it is no more than a month.

Next, he stayed on the mountain and hunted the King Kong. The spiritual power and swallowing points in his body are also constantly improving.

More than twenty days later.

Under the banyan tree on the top of the mountain, a young man is lying on his side and seems to be sleeping.

This young man is Ye Xuan.

For more than 20 days, he ran the mountain several times and bombarded the powerful King Kong.

He carefully counted it, a total of 563, and 563 strong King Kong.

This is a very horrible number. Even if it is the tenth martial art of the martial arts with the sword of the sword, I am afraid that it cannot be done within twenty days, unless it is a true spiritual environment.

At the same time, the more than 500 strong King Kong also provided Ye Xuan with a large number of swallowing points. At this time, his swallowing points have already broken through the two thousand levels.

Not only that, but his realm has also reached the tenth in the middle of the martial arts. Only one step away, he can enter the tenth peak of the martial arts.

In fact, he can already break through, but in order to retain his strength, he put some of the powerful King Kong's body in the devour space, and suddenly swallowed when needed, and then advanced.

Suddenly, Ye Xuan, who was resting under the banyan tree, opened his eyes. He yawned comfortably and stretched his waist. He said to himself: "It is dawn, it is time to return to Nanlin City."

He sorted out the down package, and he stood up and rushed to the foot of the mountain.

This mountain has been slaughtered by him, not only vigorously King Kong, but even other monsters have been destroyed by him.

"You have to hurry..."

Ye Xuan, who came to the foot of the mountain, shook his head helplessly. It was the most boring thing to hurry. At this time, he suddenly remembered one thing.

"Right, I have swallowed the points in two thousand points, enough to raise the blood of the leopard or the blood of the flower to the intermediate blood, let me try."

Ye Xuan thought of a move.

"The host is currently unable to integrate intermediate blood. If it is forced to merge, it may cause the boundary to fall or burst out. Is it purchased?"

After hearing the system prompt, Ye Xuan was shocked again.

He is already in the middle tenth of the martial arts. It is still impossible to integrate the intermediate blood. Is it difficult to wait for him to break through to the true spiritual realm?

Not only the blood of the leopard, but also the blood of the flowers, so he can only count.

"Well, you can't redeem it first, go back to Nanlin City first!"

Ye Xuan shook his head, and it instantly disappeared into place.

.....

A few days later, Ye Xuan finally returned to Nanlin City. It took only 27 days since he left Nanlin City.

He rushed all the way to Ouyang, and then found Ouyang Ming.

"Ouyang adults, I am back!" Ye Xuan will take out the ten white hairs of King Kong and the one of them.

Ouyang Ming was a bit surprised and asked: "Why are you coming back so late, according to my estimation, you can finish it in half a month."

He had seen Ye Xuan's speed before, so soon, so there is such an estimate.

"I encountered a bit of trouble, but I also encountered an adventure, so it was late." Ye Xuan smiled.

"Fortunately, Fan Jin, who is doing the same task with you, has not yet returned, otherwise you will be eliminated... Wait, your realm."

Ouyang Ming said that half of it was when he suddenly got up and walked to Ye Xuan's side and exclaimed: "Are you breaking through?"

"Yeah, the kid has an adventure, swallowed a few unknown fruits, and broke through." Ye Xuan casually found another reason.

"The luck of your kid is really good, but you are really daring. If you don't know anything, you dare to eat it. Be careful later, don't be poisoned." Ouyang Ming rolled his eyes, he didn't want Ye Xuan to die halfway. .

"Yes, Xie Ouyang adults teach." Ye Xuan respectfully returned a sentence, the heart secretly said: "I am not poisoned by the old man, as long as I am not poisoned immediately, the blood of the flowers can detoxify, afraid of awkward?"

"Well, you have completed the mission and won a quota. Next month, you will accompany me to the Imperial Capital. Before that, I will personally teach you." Ouyang Ming said.

"Yes, Ouyang adults."

Ye Xuan suddenly asked: "Yes, Ouyang adults, the other two tasks are also completed."

"Yes, the first thing to do is Deng Yang, then Gu Yi, and finally Shang Yuxiang. However, Gu Yi and Shang Yuxiang are the same task, and you are back in the prescribed time, so that Shang Yuxiang has been eliminated." Ouyang Ming replied.

Ye Xuan nodded silently.

It seems that all three places have been fixed, Nanyang County Wang Zhizi Deng Yang, Beifeng City Gujiazi Gu Yi and Ye Xuan!

Then, Ye Xuan left directly.

"Young is good, the meridians are not fixed, the potential is not fully excavated, and it is easy to break through."

Ouyang Ming lamented a sentence.

When the warrior reaches the age of twenty-five, the meridians will be shaped, and then the speed of cultivation will be greatly reduced. In the future, it will depend on the accumulation of accumulation.

Although Ouyang Ming is a true spiritual realm, it is only an early stage. He knows that he has a few pounds and two. It is still a problem whether he can break through to the peak of true spirit in his lifetime.

And Ye Xuan, at the age of sixteen, is the tenth middle of the martial arts. Ouyang Ming estimates that in the past two years, Ye Xuan may be able to break through to the true spirit.

Why are so many people who will fight for a genius and develop a strong person? This is a very fulfilling thing.

Moreover, Ouyang Ming recommended Ye Xuan to participate in the Imperial Capital Competition. In the event that Ye Xuan stood out in the competition and was seen by the official of the Dang Dynasty and even the emperor, he would also rise.

In case, Ye Xuan will be the general of the town, the national division, and so on?

.....

In the following month, Ouyang Ming also personally directed Ye Xuan.

That Deng Yang's father was the Nanlin County King, and Nanlin County's Wang Benlai was the real spiritual powerhouse, so Deng Yang's deputy was the same.

Ouyang Ming did not care about this Deng Yang, because this Deng Yang was given to him by Nanlin County, and Ouyang Ming had owed a favor to Nanlin County, so he took it.

However, Ye Xuan and Na Gu Yi are very cherished this month.

You must know that this is a true spiritual person, and he is guided by a true spiritual person. How many people are dreaming about this?

Many of the less-skilled martial arts of Gu Yi, after being explained by Ouyang Ming, are suddenly clear.

Even Ye Xuan is the same.
