

Super D. S 127

Chapter 127: Spirit beast?

"how is this possible?"

The young man is holding his right hand, he feels that his right arm is already dislocated, and the other party is still merciful, otherwise the arm must be abolished.

"Hand over something, let me go." Ye Xuan came over and put the broken sword in his hand on the other's throat.

"The king is defeated."

This young man is also refreshing, directly throwing all the things on his body to Ye Xuan, there is a treasure deer blood, Ye Xuan is not afraid of the other side to hide things.

"Hey, Zhou Yun, the ninth in the rankings."

After seeing the name on the identity token, Ye Xuan is also somewhat surprised. It turned out to be the son of the Emperor's Zhong Zhou family.

He also lost his identity token when he spoke.

This week, there are a total of 480,000 points, and Ye Xuan originally had more than 300,000. Now, with this 480,000, it is directly squeezed into the top ten of the rankings. The seventh place of Ming was taken away.

Then, Ye Xuan was in front of him, swallowing up the good things on the ground, leaving only a bottle of healing medicine.

"Qi Kun Jie, what is your name, why have I never heard of you?" Zhou Yun asked differently.

"Oh, go to the leaderboard to see it, I know, I was born without you Jingui, no name." Ye Xuan smiled, then hurried away.

"and many more....."

Zhou Yun suddenly cried.

"Why, is it that you still want to die?" Ye Xuan said a little surprised.

"You put me on a road, I also tell you a message. In this direction about ten minutes away, there is a mountain. There is a beast on the mountain. It is estimated that many people are paying attention to the beast. If you are interested, you can go and see." Zhou Yun pointed to a direction.

"Oh? Spiritual beast?"

Ye Xuan's eyes are bright and he is really interested.

The beast is rare, and the only beast he has ever seen is the one-horned dragon under the Blackwater Lake.

"Yes, I am coming from that direction. Someone is organizing people there. I feel that a spirit beast is not enough, so I am leaving." Zhou Yun nodded.

"Okay, thank you."

Ye Xuan nodded and immediately left.

According to his speculation, this spirit beast probably has a point token, and it is still a million points. If he gets this million points, I am afraid he can squeeze into the top six, or even the first, because there are other people there.

In the direction pointed by Zhou Yun, Ye Xuan ran for more than a minute, and it was really a mountain. At this time, at the foot of the mountain, several people were already gathered.

"It's coming again, it's coming again."

At the foot of the mountain, a warrior shouted.

"Ok?"

Ye Xuan looked far away, his brow could not help but condense, because he found that among these few people, there were even Tian family.

"It's really a narrow road."

Ye Xuan's heart was cold, and then he approached each other at normal speed.

There are six people at the foot of the mountain, and only one person is a child of Tianjia.

However, after he approached, the Tian family suddenly frowned: "Cut, it is a kid, the strength is not very good, but it is OK, and will go to attract the attention of the beast."

Others did not speak, and they felt that this was somewhat reasonable. They were about to face the beasts, and no one wanted to attract hatred.

They also do not give Ye Xuan a rebuttal, but everyone is locked in Ye Xuan, as long as Ye Xuan dares to move, I am afraid that it will be attacked by six people in an instant.

Ye Xuan did not speak, but looked at the six people silently.

"The two martial arts are the tenth peak, and the four martial arts are the tenth medium-term."

In the tenth peak of the two martial arts, the name of the Tian family was also included. He did not expect that Tian Jia had the genius of this realm besides Tian Ming, Tian Ying and Tian Xiong.

At this time, a warrior said: "Now, with these few of us, I am afraid that there are still some illusions, and then wait for a martial artist, or come back to the middle of the tenth martial arts."

"Yes, but how do you distribute it?"

Someone suddenly asked, and at the same time took a look at the family.

"Humph."

The Tian family snorted and said: "A spirit beast, worth millions of points, that is, ten undersparts. And the value of a spiritual beast is about five undersparts, so I only want spirit. Beast Dan, that points you to divide yourself."

"What a joke."

The voice of the Tian family has not yet fallen. Another Fengwu martial artist is laughing: "When we are idiots, the monsters have a priceless market. If I get this monster, I might break through." Really, you will let me give you?"

"Yes, if I got it, I could at least break through the tenth peak of the martial arts."

"That is, don't think that it is a great family."

Someone should be right now.

"Well, then I will solve the problem after the soul beast." Tian family coldly shouted.

Although he said that it was euphemistic, everyone present was aware of it. After killing the beast, he played a game and the victorious person took Nadine.

"Row!"

Another Fengwu martial artist immediately nodded, among the people present, he and the Tian family were the strongest.

The four martial artists in the mid-tenth of the martial arts looked at each other. Now, do they still have a retreat?

If you do not agree, I am afraid that they will be killed by these two peaks in an instant!

As for Ye Xuan, these six people regard him as cannon fodder, it does not matter.

They waited for a while, but they were slow to see people. In desperation, the Tian family said: "It seems that no one is there. Let's go up and see the strength of the beast. It is impossible to come down again."
""

"Yes!" Another Fengwu warrior nodded.

However, just as they were about to climb, the distance suddenly flew a figure.

"Come on, wait."

The Fengwu martial artist said that when he saw the face of the comer, his face was pale and pale.

"No, how could it be him?"

Everyone's face is a change.

As for Ye Xuan, he also recognized the comer, who was Tian Xiong who had had a relationship with him before the Imperial City.

"Haha, Xiongge." The Tian family laughed.

Tian Xiong's speed is very fast, and it is already waiting for other people to react.

"Tian Chao, what are you doing here?" After Tian Xiong approached, he said strangely.

"Xiong brother, there is a beast on this mountain, we are gathering people." Tian Chao said.

Wen Yan, Tian Xiong's eyes are also bright.

Ling Yu Nei Dan is very important for him who is stuck in the tenth peak of Wudao.

"The man is almost the same, enough." Tian Xiong looked around in a circle, and finally, his eyes fell on Ye Xuan, but he did not say anything, because he already regarded Ye Xuan as a dead person.

"Yes, enough, let's go, you open the way."

Tian Chao said with a smile.
