

Super D. S 132

Chapter 132: First in the standings!

"Just by me!"

Ye Xuan smiled slightly.

"I really don't know how to live and die. The boy from the country dares to talk to me." Deng Yang said coldly.

For the past two months, this is his first time to speak with Ye Xuan, precisely because he looked down on Ye Xuan. However, today Ye Xuan did not want to come to the door, he did not mind the lessons learned Ye Xuan, at this time he was thinking, if Ye Xuan did not know the lift, then he killed Ye Xuan.

"Cut, isn't it the son of the king of the county, what is mad? Five seconds have passed, do you still give it?" Ye Xuan continued.

"Give me to die!"

Deng Yang was fired, and he directly pulled out the sword of his hand and stabbed him toward Ye Xuan.

"Hey!"

However, his attack did not stab in Ye Xuan, but stabbed on a lotus flower. This lotus flower wrapped Ye Xuan in the whole person.

"Defense martial arts?"

Deng Yang was shocked. This kind of martial arts was very rare, but the next moment, he was completely shocked.

"No, this is not spiritual power, this is the real spirit, impossible, how could it be the true spirit?" He exclaimed.

He grew up beside a true spiritual powerhouse and was very familiar with the true spirit. At this time, the pressure he felt was almost exactly the same as that his father had applied.

What Ye Xuan used is indeed beyond the scope of spiritual power.

"Yes, it is the true spirit. Now, should you hand over something?" Ye Xuan did not move, so he looked at Deng Yang so quietly.

"Impossible, this is impossible. How long does the competition begin? You will directly break through the tenth medium-term martial arts to the real spiritual environment!" Deng Yang could not believe it.

But when the voice fell, he suddenly remembered that when he first saw Ye Xuan, the other party was only the ninth peak of the martial arts.

In two months, from the ninth peak of the martial arts to the true spiritual environment, this is absolutely unprecedented.

"You can break through, I can't break through? If you talk nonsense, my time is very expensive, do you still give it?" Ye Xuan glared.

"Do you dare to move me? My father is..."

Deng Yang has not finished, the whole person is flying out.

"Do you think that after the contest is over, will I be worse than your father?" Ye Xuan's cold voice fell in Deng Yang's ear, making him a trembling.

The true spirit of the sixteen-year-old is only comparable to the one who was eight years ago.

His father was only a small county king. After seeing Ye Xuan after the big game, I am afraid I have to respectfully bow.

Even if Ye Xuan kills him now, his father is not expected to avenge him.

Deng Yang was also a wise man, and immediately made a decision to directly lose the token of the point and the treasures he picked.

"And your sword of swords." Ye Xuan glimmered, this guy, even want to miss this weapon, really dead.

Deng Yang bit his teeth, and the sword in his hand was also lost. Now, he has nothing in his body.

"You are smart."

Ye Xuan snorted and devour these things in front of Deng Yang.

"Qi Kun ring?" Deng Yang was shocked again.

It seems that Ye Xuan is not as simple as the disciple of the Yun Yunzong. It is difficult to be a child of a big family in the Imperial Capital.

"Goodbye....."

In his thoughts, Ye Xuan has disappeared.

.....

"The loss is still the son of the county king, only 200,000 points."

Ye Xuan ran wildly while thinking in his heart.

However, if the 200,000 points are waiting for the big game, you can change the two next-selling spar. This is not bad.

The next time, Ye Xuan was also wandering around, and the points were soaring.

However, his behavior has also caused a huge sensation, whether it is a hollow mirror or a hollow mirror.

As time went on, the number of participants in the open-air mirror continued to decrease. On the seventh day, the contestants had only a thousand people left.

In the seven days, the scoreboard has also undergone tremendous changes, but no one can shake the position of the first place.

First place, Ye Xuan, fifty-three million points.

Second place, Jiang Xian, 14 million points.

Third place, Li Shaotian, one thousand two million points.

Fourth place, Zhao Pan, 11 million points.

.....

Tenth place, Tian Ming, 9.6 million points.

Ye Xuan's points are almost half the sum of the top 19 people.

Not only that, in the past seven days, the realm of the contestants has also improved a lot. In addition to the previous six geniuses, there have also been several new real spirits.

Among them, Tian Ming and Zhao Pan are also included.

Now Ye Xuan can be sure that this is the fourth Zhao Pan in the rankings, which is what he knows, because he has met people who have been ransacked by Zhao Pan. According to the person's instructions, Zhao Pan is a super Big fat man.

Therefore, Ye Xuan can confirm that the two Zhaopan are the same person, that is to say, this Zhaopan also broke through to the true spirit.

At this time, on a mountain top, a young man stood on the edge of the cliff and was looking forward to it.

This young man is Ye Xuan.

Now the number of competitors in the mini-mirror has been reduced to less than a thousand, and most of the heavenly treasures have been picked, and his speed has slowed down unconsciously.

"Hey, there is a small group battle there, Tian family?"

At this time, Ye Xuan's eyes suddenly lit up. He found several people and wore the same costumes. He was the son of Emperor Tian's family.

He saw that six Tianjia children were spinning around a big python, and on the other side, there was another one fighting another big python.

"Tian Ming!"

Ye Xuan recognized the person who was fighting another big python. It was Tian Jia's first talent, Tian Ming.

Not only that, but one of the six people, he also saw, is Tian Xiong's twin brother, Tian Ying.

"Just gathered together and put you in a pot."

Ye Xuan's flash of light flashed directly from the cliff. You know, this cliff is more than 50 meters high.

However, when he landed, he landed on his feet.

This is the hidden effect of the chasing leopard after it is upgraded to the intermediate level. Even if it jumps from a height, it will not be injured, as long as it does not exceed 100 meters.

After landing, he quickly swept away in one direction. He estimated the position. He should be two kilometers away from the family.

At the same time, it is just two kilometers away.

"Everyone is working hard, and then for a while, just wait for Tian Ming to solve the fire." A tall young man shouted, he is Tian Ying.

The one in front of them is a white giant python, and the big mouth can definitely swallow a strong man.

However, the other five are all in the middle tenth of the martial arts, so it is a bit difficult.

But at this moment, suddenly a figure flashed out.

It is Ye Xuan!
