Chapter 133: Tian Ming, dead!

After seeing him, a Tian Jiawu hurriedly shouted: "Brother, come help, if you kill this beast, I will divide your points."

"help?"

Hearing this, Ye Xuan also showed a smile, he did not make a mess, it is not bad, but also to help?

Na Tianying also discovered Ye Xuan, but he did not speak, even when the big python attacked other people, he took a look at Ye Xuan.

The sniper smashed away, and it was very fast. If the average person is afraid, they will not be able to react.

However, this Tian Ying is still in the martial arts category, and it is still using spiritual power. His attack can not break the lotus treasure of Ye Xuan.

"Hey!"

The fierce sniper slammed into the lotus treasure, and was instantly shaken by the true spirit.

"what?"

Tian Ying is also shocked. His attack is already able to break the scales of this big python, but it can't break Ye Xuan's defense?

"Good guy, I didn't say a word, I wanted to kill me. I wanted to see a good show. If you are looking for death, then go."

Ye Xuan suddenly turned out to break the water sword, and immediately came to Tian Ying, and then a sword stabbed.

"Wanhua sword, the second heavy!"

This sword directly separates thirty-six sharp points. Tian Ying only feels that the white light flashes in a row for a few times, and then it falls backwards.

His body has been shot into a sieve. The heart and brain have been pierced by several sharp points, and even the neck has been cut open, and blood is floating.

One blow, killing the warrior of the tenth peak of the martial arts!

This scene fell into the eyes of the other five people, and it was already for them to forget the attack.

"You five, give me to die!"

Ye Xuan suddenly stabbed a few swords, and hundreds of sharps attacked the five martial arts in the mid-tenth of the martial arts.

At this speed, Lian Tianying can't hide, they are even more impossible.

"噗通!"

"噗通!"

Five people fell down and died on the spot.

At this time, only Ye Xuan and the white big python in front of him were left nearby.

At the same time that Ye Xuan killed five people, the white big python was a big mouth and bite toward Ye Xuan.

"Lotus Baojia!"

Ye Xuan does not hide or sneak, directly urging the true spirit to form a huge lotus, wrapping the whole person into it.

The big mouth of the white cockroach was blocked by the lotus flower of the true spirit, and it was not able to hurt Ye Xuan. In desperation, it had to twist its body and use the snake tail to kill Ye Xuan.

"Hey!"

Lotus Bao Jia blocked the attack.

"Sure enough, it is spiritual martial arts, with the real spirit, the defense is strong enough to burst." Ye Xuan heart secretly, now that he is already aware of his defense, then, next, kill this big python The time is up.

Beat the snake to play seven inches!

Ye Xuan calculated it for a moment, then flashed a step to the side and took out the golden eagle bow.

"shoot with great precision!"

"call out!"

The spiritual arrow directly broke the scales of the white giant python, and it was filled with a three-meter-thick body.

The seven inches of the snake are the heart of the snake, and the heart is shredded by the spiritual arrows, even if God is dead.

"噗通!"

This big white arrogant head hangs down on the floor, and a beast is actually killed by the spike. If someone is present, it will be shocked to put an egg.

At this moment, the fighting sound in the distance also stopped.

"Oh, is Tian Ming fighting over there?"

Ye Xuan whispered, I don't know, Tian Ming killed the red big python, or vice versa.

But the next moment, Ye Xuan knew that Tian Ming won, because he heard footsteps.

Soon, there was a figure that reflected the eyes of Ye Xuan.

It was the first day of Tian Jia's talent, Tian Ming!

"It is said that this Tianming has also broken through to the real spiritual environment, hehe, but unfortunately." Ye Xuan shook his head in the heart, who called this Tian Ming is the Tian family, since he was met, Tian Ming only had a dead end.

Tian Ming's body is obviously a big battle. After he appeared, he saw the body of this place, and it was also a shock to the tiger. After he saw the face of Ye Xuan, he was even more shocked.

"It's you?"

Tian Ming exclaimed, how could he not know Ye Xuan?

"It's me." Ye Xuan slightly smiled.

"Is it you, kill them?" Tian Ming looked at the bodies on the ground.

Ye Xuan nodded directly: "Yes, all six people are killed by me, including this hail."

When the voice fell, he was already seeing the jealous color in Tian Ming's eyes. He was able to kill a beast and prove that Ye Xuan's strength could have threatened him.

"You dare to kill my family, but I am not afraid."

Tian Ming slowly came out. He found that the injury to the hail that had already died was not serious. It should have been caused by Tian Ying and others. But when he saw the blood hole at the seven-inch position, it was also a condensed heart, killing a powerful defensive beast?

What he only dealt with was a fire. This fire and hail are twin creatures, and they are born together.

However, hail and fire, the former is stronger than the latter, and the latter is stronger than the former. And Ye Xuan can kill the hail, this strength is even beyond his reach.

"It didn't take long for the big game to start. I killed Tian Xiong of your Tian family. Oh, and that is called Tian Chao. Anyway, I have already set up a beam. How many more can I kill?" Ye Xuan said slowly.

"Tian Xiong, Tian Chao?" Tian Ming thought in his heart.

It doesn't matter if Tian Xiong is dead, but Tian Chao is the son of Tian Zhen. Ye Xuan is not really big.

"Who are you?" Tian Ming shouted.

Upon hearing this question, Ye Xuan opened his mouth and smiled. "I think you should have seen my name. Remember, my name is Ye Xuan, it is the one who killed you!"

"call out!"

When the voice fell, his whole person was dragging a residual image, and the speed was fast. Even Tian Ming did not react.

"So fast!"

Tian Ming's heart just sighed, and Ye Xuan was already in front of him. At that time, dozens of sharp flashes, his neck was instantly cut into several mouths, and the heart was like a spring. Blood is out.

He couldn't believe that the realm of his true spiritual state was actually killed by one person.

At this time, he only reacted, Ye Xuan, isn't it the first place on the leaderboard?

Looking at Tian Ming's body, Ye Xuan also stood quietly for a while. From now on, there is one less spiritual real power in the lost mirror.

At the moment, he is starting to take stock of the spoils.

Tian Ying and Tian Ming are both Tian's geniuses, so they all have a spirit. Therefore, Ye Xuan has a lot of spiritual income.

However, this is only a small head, so that Ye Xuan is ecstatic about their game points.

Tian Ming originally had more than nine million points, and Tian Ying also had two million. Others added up to a million, so this time, Ye Xuan directly surged more than 10 million.

But this is not over, because there are two bodies of the beast that have not yet swallowed.
