

## Super D. S 136

### Chapter 136: Lingxiaofu

When Ye Xuan finished watching, the blood began to boil.

His father was so arrogant that he had never heard of God, and his father had already surpassed the gods.

This is not scientific!

"Ye Xuan, what did the master say?"

At this time, Zhao Pan asked curiously.

Ye Xuan replied: "My father went to find my mother. I don't know where it is. However, he asked me to go to Lingxiaofu to find someone. You know who is Lingxiao?"

"Ling Hao House?"

After hearing this name, Zhao Pan's face was also shaking, exclaiming: "Master asked you to go to Lingxiao?"

"Yeah, this seems to be outside the Xuanyang Empire, where?" Ye Xuan asked curiously.

"The Lingxiao government is not a place name, but a force, a force that is many times stronger than the Xuanyang Empire." Zhao Pan explained.

"Innumerable times? Is it a bit exaggerated?" Ye Xuan brows a pick.

Zhao Pan shook his head and said: "It is no exaggeration. We are now in the Eastern Region. There are hundreds of empire in the Eastern Region, which are subdivided into low-level empire, intermediate empire, high empire and dynasty."

"I remember, our Xuanyang Empire is just a low-level empire." Ye Xuandao.

Zhao Pan nodded: "Yes, I have only four dynasties in the Eastern Region. Every dynasty is extremely powerful. This Lingxiao House is a stronger force than the Four Great dynasties. Even if the four dynasties add up, I am afraid. It is also impossible to shake Lingfu."

"So strong?" Ye Xuan was shocked.

He is now in a low-level empire, and there are intermediate empire, high empire and dynasty. However, his father actually asked him to go to Lingxiao to find someone. This is a fantasy.

His qualification is absolutely the first in the Xuanyang Empire. It can be reached to the middle-class empire and high-ranking empire with a large population. I am afraid it is not worth mentioning, let alone the Lingxiao House, which is stronger than the dynasty.

"Of course strong."

Zhao Panyi looked shocked and said: "This Lingxiao is the overlord of my eastern domain."

"Have you heard of Tian Yuanzong?" Ye Xuan suddenly appeared in a name.

"Tian Yuanzong? That is the hegemonic sect of the Southern Region, and it is a grade with Lingxiao."  
Zhao Pan said: "Does the master let you go to Tianyuan?"

"No, just accidentally heard."

Although the mouth said so, but Ye Xuan heart is shocked.

Lin Xueer of Lianyuncheng Linjia, but was looked at by the elders of Tianyuanzong and accepted as a disciple. At that time, Ye Xuan did not take it seriously. Now I understand that this day Yuanzong is such a cow, it is a force above the dynasty.

"Nima, I know that my offer price is low, only three times the dowry, even if it is thirty times, three hundred times, or even three thousand times, I am afraid it will not be a problem, and it will kill me."

Ye Xuan wants to cry without tears. If there are three thousand times, he will probably break through to the true spiritual world, even the real world.

However, he also understands that Lin Xueer's qualifications are estimated to be very good. Her master is estimated to have passed by accident and did not want to break the world's pattern, so he did not come up with too many things.

Otherwise, it may cause other people to peep, such as the enemy.

The master of that level, just come down one, I am afraid that all can destroy the Xuanyang Empire, so it is still low-key.

"Lin Xueer has long since left her master. Now her realm should be higher than mine. I thought that I could speed myself. I didn't expect to sit down and watch the sky."

Ye Xuan was very helpless. After two seconds of silence, he asked: "Fat brother, Ling Xiaofu is so strong, the demand for income is definitely high."

"It is indeed very high. It was originally only collected in the four dynasties, but this year it just came to the news. Since this year, Ling Xiaofu has also collected people from the empire, but the minimum requirement is the real spiritual environment." Zhao Pan nodded .

"So, I still have a chance." Ye Xuan blinked his eyes, and with his strength, he should be able to go.

Zhao Pan looked at him and said: "The original Emperor Contest, although the reward is rich, but did not reach the point of a point of two gold, you know, this year is for what?"

After listening to Ye Xuan, it was also a glimpse. There was a flash of light in my mind: "Is it difficult to make it, is it for Lingxiao?"

"Yes, it is for Lingxiaofu, so as long as you get the top three in the competition, you may be eligible to go to Lingxiaofu to participate in the assessment." Zhao Pan nodded.

"Maybe? There are other factors?" Ye Xuan suddenly found the key points.

Zhao Pan nodded noddedly: "Yes, there are only three places, so my Xuanyang Empire will fight with the fierce empire."

"Fire empire, a low-level empire only, small meaning." Ye Xuan heart secretly said.

But now, his growth path has been very clear, won the first competition, and then won the quota, participate in the Lingxiao government assessment, into the Lingxiao House.

"Well, my father has a high opinion of you. I think that you should not be a problem when you win the first. I have to go back to practice, but I also want to get a quota." Zhao Pan said, it is direct left.

Ye Xuan is sitting there and thinking quietly.

.....

Soon, three days passed.

When the fourth day arrived, Ye Xuan was also taken to the former Imperial City. He looked around and found that there were not many people, and it was estimated that there were only five hundred people.

It seems that in these three days, many people have withdrawn.

However, everyone present did not know Ye Xuan, Ye Xuan is like an ordinary person, mixed in the crowd.

"Ye Xuan."

Just then, a meat ball suddenly came not far away, it was Zhao Pan with a weight of 316 pounds.

It's hard to imagine such a big meatball, even the Prince of the Xuanyang Empire.

However, this shout of Zhao Pan immediately caught the attention of some people around him.

Ye Xuan, isn't this the first freak on the leaderboard?

Seventy-one million points, more than twice the second place.

If it is replaced by the next product spar, then it is seven hundred and ten pieces of the next product spar, which can build a family stronger than the Tian family.

Ye Xuan is also very helpless, because he still wants to be low-key, I did not expect Zhao Pan to expose him at once.

After Zhao Pan approached, Ye Xuan also whispered: "Fat brother, do you know what the second level of the Emperor contest is?"

Zhao Pan shook his head and whispered back: "I don't know very well. It's all my father's appointment. Don't look at me as a prince. My cultivation resources must rely on myself to fight for it. If I don't reach the goal of cultivation, the father. The emperor will not give it to me."

"Ok."

Ye Xuan turned his eyes, he thought that the prince of the empire had more scenery, but did not expect that it would not be an unlimited supply of cultivation resources.

However, Zhao Pancai is 18 years old and has already broken through to the real spiritual environment. This qualification is also quite good.
