Chapter 157: Test talent

"Ling Dapeng is the messenger of Lingxiaofu!"

Zhao Chongguang exclaimed.

This time, he can be sure that he is the messenger of Lingxiaofu, because the entire eastern region, only Lingxiaofu has such a Dapeng.

This Dapeng is extremely fast. In the blink of an eye, it flies to the heads of all people and then slowly descends.

A man in his thirties jumped from the back of Dapeng and looked at the body of the land. He asked strangely: "What happened?"

"The ambassador, the fierce empire, found a master of the black wind empire, pretending to be an ambassador, wanting to kill everyone in my Xuanyang empire, but the conspiracy did not succeed..." Zhao Mubai explained.

He felt that the man in front of him was also a real man, and he was even taller than him.

"Oh?"

The man is a little surprised, "Black Wind Empire? Pretend to be me? What is the name?"

"It seems to be called Gao Yang." Zhao Mubai replied that this was what he heard in the battle of Fang Cai.

"Gaoyang? Hey, big courage!" The man said coldly.

Ling Xiaofu, but the dominance of the East, but there are people who dare to pretend, I really do not know how to live.

"Now the empire of the fire is all dead, then all three assessment places will give you the Xuanyang Empire, which three?" The man said.

At this time, Ye Xuan took the lead and went out, respectfully clenching his fist: "I have seen the Ambassador."

The man glanced at him and was a little surprised: "I didn't expect a low-level empire, it would be such a talent, it's not bad, this little fat is also okay, the third is that the age is a bit big, but it also meets the standard."

"The messenger, when are they..." Zhao Mubai asked.

"Go right away, come up." The man said, he jumped to the back of Ling Xiao Dapeng.

Ye Xuan looked at each other and jumped up.

"Is there anything to say?" The man turned to ask Ye Xuandao.

"Nothing." Ye Xuan shook his head.

The man continued: "Well, then I will take you to Lingxiao. If you have not passed the assessment and are still alive, I will send you back."

When he finished, it was a shot and Dapeng flew directly.

Ye Xuan is somewhat helpless. This man seems to have no confidence in them. Or is it too difficult to assess?

Looking at Ye Xuan three people took Ling Xiao Dapeng to leave, Zhao Mubai and others also looked for a while.

"Let's go, it's time to pack up the fire empire!"

.....

Ling Xiao Dapeng began to fly to Lingxiao.

The man sat on the back of Ling Xiao Dapeng, facing the Ye Xuan three people, and asked: "What are the names of the three of you?"

"Ye Xuan!"

"Zhao Pan!"

"Jiang Xian!"

"Well, my name is Mo, and Ling Fufu protects the law."

The man first introduced himself and then said: "Next, I will send you directly to Lingxiao House to participate in the assessment. However, this assessment is extremely cruel, because I want the elite to be in the Lingxiao House. Here are some points to be Let me explain to you first, if you have a question, ask on the spot, and you will not be out of date."

"First, not everyone can participate in the assessment, you must conduct a talent test. You can pass Ye Xuan, Zhao Pan can be strong, as for Jiang Xian, I can not guarantee whether I can participate in the assessment."

His voice has not yet fallen, Jiang Xian is a blank question: "Why?"

"I said, I am an elite in Lingxiao, how old are you?" Mo asked.

"twenty two."

"It's very reluctant, even if it is the peak of the true spirit of the 20-year-old, it is impossible to pass. Of course, this is not certain, unless you have something extraordinary, specifically, when you are there, you will know."

Mo asked not to explain more, and continued: "The second point is that the assessment battle is divided into camps. You are affiliated with the Tang Dynasty."

"Why is the Datang Dynasty?" Zhao Pan asked.

Mo asked to explain: "We are in the Eastern Region, except for the Lingxiao House, which has been divided into four pieces by the four dynasties, and you belong to the Datang Dynasty."

"What is the use of the camp?" Zhao Pan continued to ask.

"The four kingdoms of the Eastern Regions, the next is to play against the dynasty, a total of two games. Suppose you defeated in the first game, the second game is also defeated, then you can only enter the Yellow House in my Lingxiao."

"I have a total of heaven and earth in the four houses of Tianxu, the best of Tianfu, and it is also the core of my Lingxiao government. The second place is the second house. The worst is the Huangzhi House."

After listening to the explanation of Mo Wen, Ye Xuan three people also understand instantly.

"That said, if we have two consecutive games in the Tang Dynasty, we will enter the House of Heaven." Ye Xuan said slowly.

"Not bad."

Mo asked nod and continued: "Third, the assessment is very cruel, there is no one, so you have to be prepared."

Ten do not save one!

After hearing this, Ye Xuan's heart was also trembled.

The competition is really very intense!

After all, there are elites from all empire, and there are super geniuses of the dynasty.

The road to Lingxiaofu was very boring. After asking for the answer to the questions of Ye Xuan on the first day, I closed my eyes and began to cultivate.

He sat for ten days, and he didn't blink.

Ten days later, Ling Xiao Dapeng also flew into a series of mountains.

"Wow, I have just come in, I just feel that the real spirit in my body is just around the corner. I can estimate it in two days." Zhao Pan exclaimed.

"Me too." Jiang Xian followed.

As for Ye Xuan, although he also felt the huge strength of the world, he did not feel anything because he was upgraded by swallowing.

At this time, Ling Xiao Dapeng suddenly fell, and finally fell on a large open space.

At the same time, Mo asked to wake up.

"Let's go down."

Do not ask to jump directly to the ground, said.

Ye Xuan three people followed and jumped.

"Follow me, first test the talent for you." Mo asked a wave, Ling Xiao Dapeng is vacated, and then disappeared at the end.

Ye Xuan began to look around and did not find anything special, similar to ordinary sects. He and Zhao Pan followed Mo to walk for a while and finally entered a hall.

There was nothing else in the hall, only one old man sitting cross-legged on the ground, and in front of him, there was a big white stone of football.

"Elders, I brought people back, please give them a test of talent." Mo asked to go, respectfully said.

Hearing this, the old man opened his eyes and swept Ye Xuan with the pair of muddy eyes. He said, "One by one, put your hand on this stone."

"Jiang Xian, you first." Mo asked on the side.

Along the way, Jiang Xian's heart was very embarrassing, because Mo asked that his qualifications might not be able to participate in the assessment.

He was very dissatisfied, but he was a little older. But now that they have all come, it's a dragon or a snake.
