Chapter 17: Kill Chen Feng

Chen Fengton paused, and the light shone, saying: "Well, as long as you return the blood to me, this is the case."

Although this is the case, he did not intend to let go of Ye Xuan and Xue Qingqing. The former is the Ye family, the second is the wilderness, and there is no problem in killing people. Third, Xue Qingqing It's not bad, it's a pity to let it go.

Therefore, he wanted to let the other party pay the bleeding, then kill Ye Xuan, and then Xue Qingqing's Dan Tian was abolished and enjoyed.

"Okay, a word is fixed!" Xue Qingqing said, that is to prepare to unpack the parcel, but at this time, Ye Xuan suddenly stopped her.

"Do you really think that you will give it back to him, he will let you go? This guy's character is also known to women and children in Yuncheng, even if you give him the whole family, he does not Will let us both." Ye Xuan said slowly.

Although Xue Qingqing's talent is good, but after all, he is a 14-year-old child. He has never seen any big world, and he does not know what makes people sinister. I really don't know how to come to Lianyun 18 Mountain Range.

After hearing this, Xue Qingqing's action was also stopped. He asked strangely: "Are you true?"

"Ye Xuan, don't talk nonsense!" Chen Feng hurriedly said that he and the two said so much, but also afraid that Xue Qingqing ruined the 500-year-old blood, after all, it is worth millions of dollars. .

"I talk, what is your business?" Ye Xuan directly pulled out the long sword and said: "Chen Feng, I think you want to get blood ginseng, then rushed up to kill us two?"

Seeing that things are ruined, then Chen Feng is no longer concealing, just silently pulling out the long sword, saying: "Hey, with a 500-year-old blood ginseng, for a genius of the Ye family, this is a good deal, since So, then I will teach you the first genius of Ye Family!"

"call out!"

Chen Feng also said that it is easy to do it, and raising his hand is to take out a few swordsmanship, but because of the distance, it is easy to be hidden by Ye Xuan and Xue Qingqing.

Xue Qingqing was also preparing to draw the sword, but was stopped by Ye Xuan.

"You are waiting for this girl here, I want to single out with him!" Ye Xuan said lightly.

"What? You are crazy, he is the fifth major beginning of the martial arts!" Xue Qingqing hurriedly shouted.

"You watch, I killed him in ten rounds!"

Ye Xuan's morale suddenly rose and rushed out.

At this time, Xue Qingqing reacted. The strength of the spiritual power that Ye Xuan Fang had erupted was much stronger than her. It seemed to be the fifth major beginning of the martial arts.

"How is it possible, is my news wrong?" Xue Qingqing thought strangely.

If it is the fifth warrior of other martial arts, Ye Xuan will be jealous. After all, those people are old fritters and their combat power is very strong.

But this Chen Feng, Ye Xuan is not afraid.

First of all, Chen Feng relied on the medicinal herbs pile up. Secondly, Chen Feng was not much older than him. Third, he had two points to swallow points.

At the time of the dialogue, Ye Xuan secretly sneaked the two points into a martial art, a martial art called the martial art.

Ye Xuan and Chen Feng immediately handed in their hands, but after seeing the strength of Ye Xuan, Chen Feng was also a trembling. It seems that the news he got was also very inaccurate.

Ye Xuan is more than the fourth stage of the martial arts. This is clearly the fifth medium-term martial arts, and even stronger than him.

"Impossible, how can your realm be higher than me?" Chen Feng was shocked. Ye Xuan broke into the fourth heavyweight of the martial art. It was the last month's thing. In a month, he even jumped four levels, even if it was a cracking cloud. Zongli's super genius is impossible.

"You haven't heard of it and broke it!" Ye Xuan replied coldly.

At that time, he was stabbing three swords, and his shot speed was three points faster than Chen Feng. After all, he is now the fifth middle of the martial arts.

Chen Feng struggled to withstand it, but at this time, Ye Xuan's speed suddenly broke out. He used four martial arts, and now he uses five martial arts.

This speed increase, let Chen Feng a little reaction, but accidentally stabbed by Ye Xuan, see red.

"Impossible, you can't be so strong, I want to kill you!" Chen Feng couldn't stand the blow. After a few drinks, he struggled.

In fact, he also has five martial arts, but the five-product martial arts consumes a lot, and he pursues Xue Qingqing for a long time, and the spiritual power in the body is actually not enough.

But now that the war has started, it is impossible for him.

"Thunderstorm sword, give me a death!" Chen Feng suddenly took a trip.

"Oh, the wind is raging!"

Ye Xuan also saw the extraordinary point of this move, and hurriedly brought out the skills of the bottom of the box.

"Hey!"

The two snipers collided together, and two different spiritual powers merged, exploding in an instant, and a wave of waves swept away.

This trick, they hit a tie!

"What, even the powerful violent thunder swords can be blasted!" Chen Feng is very surprised. The martial arts he used was considered to be the most powerful of the five martial arts by the ruins of Yunzong. However, he thought again. Ye Xuan's realm is even higher than him. Under the level of suppression, there is indeed one.

But at this time.

"call out!"

Suddenly a sniper broke through the smoke and rushed toward Chen Feng, and it was a blast.

The martial law, as the name implies, is known for its speed.

The violent thunder sword is only powerful, and the trajectory of the spiritual power in the body is more complicated, so it is slower to display.

This blast is so arrogant that Chen Feng was caught off guard.

The blast broke away, but Chen Feng's reaction was quick, and he hurriedly blocked it with his long sword.

"Hey!"

A muffled sound spread, Chen Feng the whole person flew out, the sword in his hand was also shocked.

"Good opportunity, your death is here!"

Through the smoke, Ye Xuan immediately used the five-character martial arts to attack the steps. His body flashed and instantly crossed the smoke, and then he took another look.

The assault step, coupled with the blast, the speed is already exploding.

Not waiting for Chen Feng's body to land, the blast is already in front of him.

"No, this is impossible!" Chen Feng's eyes widened and he felt incredible. He couldn't believe that he would die in Ye Xuan's hands.

"Oh!"

The blast swept over Chen Feng's body and smashed his head with half a shoulder and died in an instant.

Chen Feng's two bodies were grounded, and Ye Xuan's footsteps were stopped.

"The first of Chen's four masters, but this is not the case!" Ye Xuan took a wave of sword and received it in the scabbard.

Now, he has a preliminary assessment of his strength.

He estimated that even if faced with some experienced martial arts fifth heavy medium-term warriors, I am afraid there will be a battle. After all, he has an advantage in martial arts, and he grew up eating a natural treasure, and his physique is good among his peers.
