

## Super D. S 179

### Chapter 179: Holding the Great Song Princess

Although Tang Tian is older than the Song Dynasty, the latter's strength is not trivial. The two fight for three rounds, and no one has the upper hand.

However, Tang Tian's purpose is to drag the Song Dynasty.

"Ye Xuan, come over and help!" Tang Tian dad.

This level of combat is no longer the four peaks of the real people to intervene, and can only help him, only Ye Xuan.

At this time, Ye Xuan also struggled to come over, he directly received the chasing star bow, joined the battle.

"You are putting a cold arrow, I will kill you first!" Song Congjing saw Ye Xuan, who was holding a star-catching bow, and suddenly became furious, and a sword stabbed toward Ye Xuan.

In the four great dynasties, they were all over the eyes of other dynasties. Tang Tian knew the strength of the Song ruling and the Song dynasty. Similarly, the Song dynasty also knew that the Tang dynasty had only one true heaven.

Therefore, she did not put Ye Xuan in her eyes.

But the next moment, she knew she was wrong.

Ye Xuan in the dark night, suddenly broke into the shadow to escape the sword of the Song Dynasty, and then a palm shot on the lower abdomen of the Song Dynasty, and flew it.

Although Ye Xuan has not seen this Song Dynasty, but now in the battlefield, against the enemy, should go all out.

However, he still put a lot of water, otherwise the body of the Song Dynasty was bombarded by him.

"Good!" Tang Tian was overjoyed, stepping up and preparing to take the Song Dynasty.

But at this time, suddenly there was a rush of footsteps that fell into everyone's ears.

"So fast!"

Tang Tian was shocked, and then it was reflected, but he just wanted to speak, and there was a two-meter-high figure on the side.

This man is holding a long axe and kneels directly to Tang Tian's Tianling.

"Oh!"

Tang Tian was not a vegetarian, and escaped this fatal blow, but he did not hide very timely, his shoulders were brushed down.

"Song ruling?"

Tang Tian was shocked. Under this time, he did not dare to neglect and hurriedly turned around and left.

"His Royal Highness!"

The two guards who arrived now screamed and attacked the two-meter-high shadow directly.

"dead!"

A loud voice sounded, followed by a white light flashing, and the heads of the two guards were directly thrown away.

Spike!

This scene came too fast, and even Ye Xuan did not find out when the Song ruling appeared.

However, he saw that Tang Tian was directly cut off by an arm and almost fell, and immediately it was a retreat, and turned around and left.

"Sister, are you okay?"

This two-meter-high shadow was the ruling of the Emperor Song of the Great Song Dynasty. Only after he heard the Song of the Song Dynasty's cry for help, he immediately rushed over.

Song Congsha shook his head and climbed up from the ground. Then he looked at the direction in which Ye Xuan left. He said, "Brother, you went to kill that Tang Tian, I went to chase the bastard!"

"No, I will go with you." Song decided not to say with confidence.

"Brother, Tang Tian is the key, killing him the victory of this dynasty war belongs to us." Song cuts a dignified face.

"No, you are hurt, you follow me, I am going to catch the kid." Song ruling no matter how much, although the Tianzhifu is very tempting, but his sister's life is more important.

At the moment, he is chasing away with Ye Xuan in the direction of Ye Xuan.

There is no way for the Song Dynasty to go through, and it can only be followed up.

However, they chased for a while, but suddenly found that Ye Xuan's footsteps disappeared, it seems, it is hidden.

"You are a \*\*\*\* who puts a cold arrow, give it to me!" Song Congjing shouted in anger.

As a princess of the Song Dynasty, she has not been injured since she was a child, but Ye Xuan has played.

Moreover, coupled with Ye Xuan Fang's behavior of putting cold arrows, she could not wait to pull out Ye Xuan's skin now.

At this time, Ye Xuan is hiding in a shadow, using the blood of the shadow leopard, he is well hidden, and most people may not find it.

He did not expect that the Song ruling would appear at that key point, and even gave Tang Tian one side of his shoulders, which almost did not scare him.

Tang Tian lost an arm, then this battle is even more impossible to fight, even if Tang Tian is at its peak.

So, only escape this road!

"It is a tragedy. This Song dynasty hate me, and Tang Tian, who is not chasing the blood, even chased me."

Ye Xuan smiled a few times in his heart, but now he still escaped the pursuit of this brother and sister.

"The \*\*\*\* who puts the cold arrow, I know you are here, hurry up and give it to me, otherwise..."

The voice of Song Dianjing fell into the ears of Ye Xuan. At this moment, Ye Xuan's heart also floated a bad foreboding.

"Boom!"

Suddenly a muffled sound spread, Ye Xuan turned his head and saw that a big tree was directly blown into two pieces and fell down.

"The trough, and the bomb?"

Ye Xuan was shocked. The next moment, he saw dozens of round things flying out in all directions.

"Not good, withdraw!"

Ye Xuan hurriedly turned and left, if it was burned out, then he would be exposed.

"Found you, still want to go?" Song Congjing rushed straight ahead.

The Song ruling, which is secretly looking for Ye Xuan, also discovered Ye Xuan, who immediately rushed toward him.

Don't look at him big, but run up, no one in these dynasties can compare with it, even Yan Yanlong, who is in the middle of the Da Yan Dynasty.

However, Ye Xuan ran a few steps and quickly broke into the shadows.

"My speed is too different from the Song ruling. I can't run away. It seems that it can only be like that..."

Ye Xuan thought in his heart, his hands were quickly printed, and then directly plucked out.

The Song Dynasty, who had just lost the face of Ye Xuan, caught it in an instant, and thought it would not have to rush.

However, when she was only a dozen meters away from Ye Xuan, suddenly a thick layer of white fog rose, and Ye Xuan was covered up.

"Ling Array? Don't want to run!" Song Congjing naively thought that Ye Xuan wanted to go, directly slamming a few snipers toward the front, and then stepped into the white fog.

"Sister, don't go in!"

The Song ruling was shocked and shouted.

Unfortunately, Ye Xuan has already shot before he shouted.

"The seven days will die, let me swallow it!"

Ye Xuan suddenly burst out, a palm shot in the chest of the Song Dynasty, and then took the opportunity to throw a medicinal medicine into the throat of the Song Dynasty, while also using the mysterious gas into her body to help her refining.

This action was done in one go, and Song Congjing did not expect Ye Xuan to ambush here. She also realized that the one she swallowed was a poison. When it came back, the remedy was already swallowed.

"Snapped!"

A strong palm was tightly locked on the neck of the Song Dynasty, and she was firmly fixed.

Ye Xuan successfully subdued the Song Dynasty.
