### Chapter 18: Back to the city

After Chen Feng's death, Ye Xuan also slowly turned back, then looked at Xue Qingqing, who was already stunned, and said, "Have I played a few rounds with him?"

After hearing this question, Xue Qingqing reacted and shook his head in a mistake: "No, I don't count..."

She has already been shocked by the strength of Ye Xuan. After all, in her memory, Ye Xuan's level should be lower than him.

However, Chen Feng, who was in the early stage of the fifth martial arts, was in the hands of Ye Xuan. It seems that he had not been in ten rounds and was killed by Ye Xuan.

Ye Xuan did not ask again, just went to Chen Feng's side and squatted down, then found out a few bottles of medicinal herbs, then put his long sword back and walked back.

"You, are you really Ye Xuan?" Xue Qingqing asked in disbelief.

"Crap, when you were a child, you said that you want to marry me, you forgot?" Ye Xuan eyes turned.

When Xue Qingqing heard it, the little face immediately burst into a blush, and he said, "What do you say nonsense? That was when I was a child, I didn't know what to say."

Now she can be sure that this is indeed Ye Xuan she knows.

"Then you still ask." Ye Xuan said helplessly.

"But, I heard that you broke through to the beginning of the fourth martial arts last month." Xue Qingqing is still somewhat surprised.

"Don't ask, anyway, I am better than you." Ye Xuan said, suddenly fell on Xue Qingqing's body, sneered and said: "Although we know, but I am also saving you, do you want to work hard? Let me see you?"

"What do you want to do?" Xue Qingqing suddenly felt a kind of ill-conceived gaze. Although she and Ye Xuan knew each other, she could not help but take a step back.

"If you don't do anything, there is also a thank you for your help. Come, the blood of the five hundred years is given to me." Ye Xuan is not tempted, and speaks directly.

At this time, Xue Qingqing found that he would be wrong. After a sigh of relief, he directly opened the package of Chen Feng, and then lost a small cloth bag.

"If you don't have you, I am afraid I can't escape his pursuit. This five-year blood test is all for you." Xue Qingqing said very generously.

"Hey..." Ye Xuan took the cloth bag and opened it. There was a red ginseng lying quietly inside.

Blood ginseng is judged according to the color. The color of this blood ginseng is very strong, and it is indeed more than five hundred years.

"Are you sure to give it all to me?" Ye Xuan asked a bit strangely. This 500-year-old blood test is worth millions of silver. This can buy a five-product martial arts.

"You forgot what I am doing? One million and two silvers, this girl still can't look up." Xue Qingqing suddenly asked.

After her reminder, Ye Xuan also responded.

Xue Qinghai's Qi Xuehai is a famous businessman. His industry is probably more than Ye Family, and Xue Hai is a self-made man. He and the Ye Family are essentially different.

There are one million and two silvers in the district, and he really does not see it.

It is no wonder that Xue Qingqing's age is only fourteen. It is already the fourth heavy medium of martial arts. It's not good to grow up from snacks and not to practice fast.

"Haha, then I will accept it with politeness." Ye Xuan did not feel guilty and accepted it.

This is equivalent to a million yuan of silver, as long as the swallowing of this five hundred years of blood, he may be able to directly break through to the fifth peak of the martial arts.

But then again, the Xuejia Pocket Pearl suddenly ran to the Lianyun Eighteen Mountains, which is a bit unusual.

At the moment, Ye Xuan is asking: "Right, how do you run here?"

"What about me..."

Xue Qingqing hesitated a moment and said: "I want to go to the cracked Yunzong, but I don't agree, so I ran out. Then, I went all the way to chase a blasted wolf with a pendant on my neck. The cloud eighteen mountains are coming."

"The blast wolf with a pendant on his neck?" Ye Xuan did not respond. What a ghost thing.

"Well, it seems that someone is hanging up, you know, what is that pendant?" Xue Qingqing asked again.

"Is it?" Ye Xuan asked differently, and at the same time thought, is it a diamond?

However, diamonds seem to be worthless to the world.

"It is a spar, a spar worth one million two silver!" Xue Qingqing replied.

"Sparte?"

Upon hearing this name, Ye Xuan exclaimed.

The spar is the currency used for trading between the senior warriors. It is said that the leaf family also has a defective spar worth one million and two silver.

"Well, spar, I was thinking at the time, whoever has the money to hang the spar on the neck of the monster, so I chased it in, but I chased it." Xue Qingqing said slightly helplessly.

Even a defective spar is worth millions of silver, which is equivalent to Ye Xuan's five hundred years of blood.

"Thinking too much, it must be fake. How can a spar hang on the neck of the fourth-order monster beast?" Ye Xuan did not think much, continued: "So you are leaving home now?" "

"Yeah, I am not going to go now, is it better to go to you?" Xue Qingqing nodded.

"It can be, but I also left home." Ye Xuan said, anyway, the house he just bought has a few empty rooms. It is indifferent to add Xue Qingqing. After that, he can go to split Yunzong together.

"How did you leave home?" Xue Qingqing was surprised.

"Let's talk on the road."

.....

Originally, when Ye Xuan came in, it was a person, which was more convenient. After hunting the monster, it was directly swallowed. But now there is more Xue Qingqing alone, so he is more troublesome. After all, the thing that devours the system can not let Xue Qingqing know.

However, Xue Qingqing is also generous, directly throwing Chen Feng's parcel to him, there are many good things inside.

Ye Xuan estimates that he is now enough to break through to the fifth peak of the martial arts. Of course, this will not wait until he returns to Lianyun City.

Within two days, they left the Lianyun 18 Mountain Range and then bought two good horses in a recent town and rushed back to Lianyun City.

"Liu, I am back."

Ye Xuan opened the door of his yard and shouted. However, there is no response.

At the moment, he quickly searched the house again, but he did not see the trace of Liu.

Ye Xuan's face sank to the bottom of the valley, because Liu was very obedient. He bought enough things for Liu Lu for half a month, but now it's only a week away, and Liu Er disappears.

Moreover, Ye Xuan also found some footprints in the yard. These footprints do not belong to him, nor belong to Liu Er, nor the old man who sold it to his house.

These footprints are very heavy, obviously young and young, and they are all military.

Just when Ye Xuan thought that the person who took Liu Liu would be Chen's family, he suddenly found a piece of paper in Liu's room.

It turned out that Liu Er was not taken away by Chen, but returned to Ye Family.
