Chapter 19: Back to Ye Family

"It turned out to be Ye Jia, that's fine." Ye Xuan breathed a sigh of relief, but he was a bit strange because the handwriting on this piece of paper was not Liu's.

"What do you want to do now, go back to Ye Family?" asked Xue Qingqing on the side.

"It can only be like this." Ye Xuan nodded.

He originally wanted to make a noise, and then let Ye family pay attention. After he returned from his experience, he could just negotiate with the anxious Ye Family, and then let Ye Jiada bleed once, at least to blackmail a five million and two silver. .

You must know that his fifteenth-year-old martial art was the first genius of the family.

After he left Ye Family, the realm directly broke through to the fifth middle of the martial arts, which can be focused on training even if it is placed in the Yunyun Zong.

Five million two silver, not enough!

Moreover, there is a 500-year-old blood ginseng in Ye Xuan's parcel, and those things like Chen Feng can definitely break through to the fifth peak of Wudao.

At the moment, Ye Xuan is directly carrying Xue Qingqing to Ye Family.

When Ye Xuan returned to the front door of Yejia, the guards of the two guards were shocked. Then they hurriedly shouted: "Fast, go and inform the owner, the young master is back!"

You must know that during the time when Ye Xuan left, even Ye Jia and Chen Jia of Yuncheng City had several frictions, and there have been casualties.

Ye Xuan's return to Ye's news, as if a wave spreads, not long after, Ye Zhang is rushing to the Yejia lobby with the four majors.

"Ye Xuan, are you back?"

After entering the door, Ye Zhang was striding toward Ye Xuan, and then looked up and down Ye Xuan. Sure enough, Ye Xuan showed a weak spiritual wave, and his strength recovered!

"Da Bo, Liu Er?" Ye Xuan opened the door and asked.

"Liuer..."

Ye Zhang naturally knew that Ye Xuan's maid was called Liu Er, and when he heard the name, his face suddenly changed.

Upon seeing it, Ye Xuan's eyes suddenly widened and said: "Is it a problem with Liu Er?"

"This..." Ye Zhang didn't know how to answer it. He could only say: "Ye Xuan, come with me."

The four major families were also slightly helpless. I didn't expect Ye Xuan to come back, and even they didn't even speak.

Then, Ye Xuan was behind Ye Zhang and returned to his former Ye Jia's yard.

Liu's door was opened, and then a figure was reflected in Ye Xuan's eyes, it was Liuer. However, at this time, Liu Er was lying on the bed, motionless.

Ye Xuanyuan was at the door. He turned his head and saw that Ye Zhang and the four major families were all showing strange expressions.

He quickly walked in, and then looked at the unconscious Liuer, and found that Liu's breath was extremely disordered.

"What is going on?" Ye Xuan turned and shouted.

Ye Zhang walked in and said: "After you lost Chen Song to the street, Chen found us Ye Family. At that time, we knew that your strength must be restored."

"Later, our two families are constantly looking for you in Lianyuncheng. On the third day of the incident, when we heard about your place, we immediately sent people to the past, but the Chen family first arrived. ""

"In our two battles, Liu Er was accidentally taken by Chen's family. On the spot, he was unconscious. He has not yet woken up, and his breath is getting weaker. I guess, after three days, Liu will probably..."

After listening to Ye Zhang, Ye Xuan's heart is already half cold.

"Who is it?" Ye Xuan asked coldly.

"Chen Song!" Ye Zhang answered.

This name is naturally unfamiliar to Ye Xuan.

"Well, you are Chen Song, if Ye Xuan does not kill you, I will not be a man!" Ye Xuan secretly vowed that he was already angry at this time, but it is imperative to understand the situation of Liu Er first.

"Liu Er has been in a coma for many days. I asked the best doctor in Yuncheng to come over and use a lot of internal medicine, but it has no effect." Ye Zhang added another sentence.

"How could this be?"

Ye Xuan couldn't understand it. How can I make people like this? I have never heard of it.

However, Ye Xuan suddenly thought that the phagocytic system can be exchanged for some medicinal herbs, etc., which may be a try.

"You go out!" Ye Xuan is directly cold and cold.

If it is in peacetime, the four major ethnic groups will hear the tone of Ye Xuan, and they will definitely be furious. The responsibilities of Ye Xuan are not big or small.

However, now, they are also reluctantly retired, even Xue Qingqing did not say a word after entering the door.

They left the house and took the door, leaving Ye Xuan alone.

Ye Xuan still carries a parcel. He hurriedly untied the parcel, and then swallowed the 500-year-old blood ginseng together with Chen Feng's other things.

Thousands of two silver things were swallowed up, and Ye Xuan's spiritual powers soared, and that was the fifth peak of the martial arts.

But at this time, Ye Xuan could not be happy, and rushed to use the point that he had just received, in exchange for a bottle called Baihualu.

In Lianyun City, the price of general healing drugs is below 100,000 yuan. However, this bottle of flower dew has spent a little bit of engulfing points, which shows that the effect is extraordinary.

Ye Xuan sat down with Liu Er, and then he took the flowers to the Liu, and used her power to help her refine.

"The system shows that as long as it is not too serious injury, Baihualu can be treated, and that Chen Song is only the fourth medium-term martial art. Even if the spiritual power invades the body of Liu, the Baihualu should be easily eliminated."

Ye Xuan thought so in the heart.

He waited for a while, and sure enough, the breath in Liu's body stabilized and his breathing was normal.

"Call, it should be good." Ye Xuan breathed a sigh of relief.

Although it is said that the point of the swallowing point that has just been obtained is used up, it can save the Liuer, even if it is a hundred phagocytosis points.

But then again, Liu Er's business has nothing to do with Chen Song, Chen Song, must die!

Then, Ye Xuan left the house and let Ye Zhangpai masters stay here. By the way, he used a medicinal medicine obtained in the 18th mountain range of Lianyun to vaguely pass.

The people returned to the lobby.

"Ye Xuan, where have you been these days?" After returning to the lobby, Ye Zhang couldn't help but ask.

"Lianyun Eighteen Mountains!" Ye Xuan slowly replied in his heart.

When Ye Caixuan was in the house, Ye Zhang also recognized Xue Qingqing, so she learned a lot from her mouth.

However, Ye Zhang still has some unbelievable questions: "The strength of your present..."

Ye Xuan's indifferent face turned and said: "The fifth middle of the martial arts!"

what?

This time, everyone in the face was changed. They felt it carefully. It turned out to be the fifth middle of the martial arts!
