

Super D. S 194

Chapter 194: Challenge Tang Tian

"Let's go, first give the brothers and sisters of the local government, and then I will contact you with Xuanzhifu and Huangzhifu..."

After Jiang You's finished, he took Ye Xuan to visit the brothers and sisters of the local government. At the same time, he also saw that if he saw it in the future, he would not fight because of contradictions.

Jiangyou spent half a day helping Ye Xuan to take the line, and Ye Xuan only spent half a day, laying down hundreds of gatherings with arrays. This speed is already making Jiangyou scream.

The next day, Jiang You personally went to Xuanzhifu and Huangzhifu, and brought a lot of spiritual martial arts, there are middle-class, but also top grade, and all are of superior quality.

Ye Xuan directly spent tens of millions of points to learn these useful top-level martial arts.

Not only that, but he also swallowed up the 30,000 pieces of the crystal spar yesterday, and the strength has improved a lot. Although there is no breakthrough, he knows that he is enough to squeeze into the list.

According to the previous question, the bottom of the list is stronger than Tang Tian, but he has already broken through to the middle of the real world, on the list, it is easy.

Today, he is going to challenge the brothers on the list of the land, and then become a formal disciple.

However, just as he was preparing to go out, he suddenly found that the strength of the heavens and the earth in the yard had dropped a lot.

This is someone breaking through!

There are two people living in this yard, one is Ye Xuan, the second one is the Song Dynasty.

After a while, the speed of the consumption of heaven and earth fell, and then began to return to normal.

Then, the Song Dynasty was taken out of the house.

"Congratulations, it was a few days earlier than I expected." Ye Xuan said with a smile.

"Oh, now I am also in the middle of the real world, and you are at the same level, seeing you dare to slap in front of me."

The Song Dynasty went down the steps and said: "You have to go out and give people a spiritual array?"

"No, go tomorrow, today is ready to challenge the list of the land." Ye Xuan shook his head.

"The list of the land? Well, when you win, I will challenge you again and knock you down." Song Congjing had some expectations.

The two went out together, and then they went to the platform to challenge the platform. They walked side by side and caught the attention of many people.

However, these disciples immediately became interested in discovering their goals.

"One is the princess of the Great Song Dynasty, and the other is a dark horse from a lower empire. I don't know how many names they can rush into."

"There are two hundred and fifty who say less."

"Go, keep up and see."

"This Ye Xuan is said to have played one with Tang Meng of the Xuanzhi list in Xuanzhifu, and also defeated it. So young is already in the middle of the real world. This qualification is at least perfect level."

"It is said that the Song ruling that entered the Tianzhifu this year is also a perfect level. These people will certainly be able to concoct Danyuan at the age of twenty-five."

"What is this? There was once a brother who was tested to surpass the perfect qualification. After entering the Heavenly House, he won the first place in the day!"

"It's already a perfect qualification, and there is a higher one?"

"It is said to be unparalleled!"

.....

Accompanied by the Song Dynasty, Ye Xuan came to the challenge point.

This is a big platform, there are many stands around, and what makes Ye Xuan strange is that there are already two figures on the stage.

What makes Ye Xuan unexpected is that one of the two men is still his acquaintance, and it is the prince Tang Tian of the Tang Dynasty.

"It turned out that this Tang Tian also broke through to the midst of the real Xuanjing, no wonder dare to challenge."

After listening to the words of the people under the stage, Ye Xuan could not help but say.

"Hey, luck is good." Song Dianjing is somewhat unhappy, because she has just broken through, and Tang Tian's breakthrough speed is obviously faster than her.

Before she and Tang Tian played one, but no wins and losses, now break through to the middle of the real Xuanjing, it will inevitably want to find another Tang Tian.

Just then, the onlookers in the stands gave a burst of embarrassment.

Ye Xuan stared at it and saw that a figure flew out of the ring, and the one who stayed on the ring was Tang Tian.

"It is the prince of the Tang Dynasty, and the strength is really extraordinary. I just don't know why I broke my arm."

"Oh, this can't be said, if you hear it, you can be miserable."

"Afraid of what, I am a member of the China Alliance, and the ranking is higher than him, still afraid of him?"

Many people are whispering there.

At this time, Ye Xuan is already knowing who this Tang Tian challenge is. It turned out to be a brother who ranks exactly two hundred.

"Cut, the top 100 in the rankings has a real peak. It seems that this Tang Tian is not so good."

Ye Xuan's heart is a dark sentence.

But at this moment, his mind suddenly flashed a thought. Since he had already made a beam with Tang Tian's ungrateful guy, why not make it bigger?

"Look at this Tang Tian, I won't win a 200-year-old brother. Is it so useful?" Song Congjing also couldn't see it, but the next moment, she found that Ye Xuan was gone.

At this point, Ye Xuan is already in the place where he applied for the challenge, saying: "Brother, I want to challenge!"

A disciple of Lingxiaofu looked up and smiled. "It turned out to be Ye Shidi. Here is the list. You see who you want to challenge."

This disciple happened to be the first day to come to Ye Xuan to arrange the gathering of the spirits, so naturally know Ye Xuan.

"Senior brother, I will not watch this, I want to challenge Tang Tian!" Ye Xuan replied.

"Oh? Tang Tian?"

The disciple was a bit surprised, and then he laughed: "Tang Tian just challenged success. Now it is the 200th. You have no place in the division, so he has to fight, otherwise he will be treated as a waiver. You will wait, I will go. Say to him."

When he finished, he quickly ran to Tang Tian, who had just stepped down, and told him about it.

Then, Tang Tian suddenly slammed his head and looked at Ye Xuan. The angry expression made Ye Xuan very happy.

Soon, the disciple ran back and said: "Tang Tian said that since you are looking for death, then he will fulfill you. Hehe, he said that without a break, he can start immediately, Ye Shidi, you can take lessons and teach him It is."

"Thank you brother!" Ye Xuan clenched his fist at the disciple, and then walked toward the ring.

Song Congjing suddenly intercepted him and asked: "Are you going to challenge Tang Tian?"

"Not bad." Ye Xuan nodded.

"You are a jerk, I originally wanted to challenge him, why should I grab me!" Song Congjing looked unhappy.

Ye Xuan raised his eyebrows: "Have you said that?"

"Hey, you are obviously deliberate, forget it, wait for you to lose me and challenge him." Song Congjing is also not very optimistic about Ye Xuan.

Although she already knows that Ye Xuan has received several top-level martial arts, it is impossible for Ye Xuan to practice in such a short period of time.

"How do you know that I can't beat Tang Tian?" Ye Xuan asked strangely.

Song cuts the lazy explanation, a pair I know.
