

Super D. S 195

Chapter 195: Punch

"If you don't, we will make a bet. If I lose in Tang Tian's hands, the person you owe me will not return. If I win Tang Tian, then I..."

Ye Xuan said, hesitated a bit, if you win, can you add another person?

That's boring!

"If you win, I will kiss you." Song Congjing did not want to, blurted out.

Ye Xuan heard the words, the eyes could not help but shine, this is a good reward, although it was kissed, but it is not bad.

"Okay, but I will add another condition to be cashed in, and it will be cashed in public, how?" Ye Xuan added.

"The tone is really big, then you can, anyway, you can't win." Song Congjing replied casually, because she felt that Ye Xuan could not beat Tang Tian, and there was no chance for even one.

However, if he let him know that Ye Xuan had defeated the top 100 of the land before Tang Meng, I am afraid he will regret it.

"Okay, then I will go up and fly that Tang Tian." Ye Xuan suddenly had the power.

Suddenly, a violent drink fell into his ear.

"Ye Xuan, what are you honing, is it not smashed?"

Obviously, this is called by Tang Tian on the ring.

"Tang Tian, you are still the Prince of the Tang Dynasty, even this patience?" Ye Xuan snorted, and then slowly walked to the ring.

Tang Tian did not want to argue with Ye Xuan. He immediately said: "I don't think it's too good. Don't think that you beat Tang Meng. You are qualified to yell in front of me. Then I will let you see, what is strength? !"

When this was said, all the people in the downfall showed a look that they could not believe.

Tang Meng, is this not a big cadre of the Datang Dynasty?

Ye Xuan, actually defeated him?

"This bastard, even deliberately pitted me, how could he beat that Tang Meng?" Song cuts his grievances.

From the discussion of the people on the side, she can know that Tang Meng is a mid-term disciple of more than 100 people in Xuanzhifu, and Ye Xuan can beat him, maybe it is possible to defeat Tang Tian.

If Tang Tian loses, then she has to fulfill her promise.

Suddenly, the heart of the Song Dynasty was a mixed feeling. She hoped that Tang Tian would lose and hope that Ye Xuan would lose.

"Okay, then please ask your Royal Highness, and teach me that this is not a long-term eye. I dare to offend the kid of the Tang Dynasty."

Ye Xuan is still a cloud-like appearance, a pair of eyes that do not put Tang Tian in the eyes.

However, those people in the audience began to whisper.

"It's terrible, this kid is dead, and he dares to scream with the Prince of the Tang Dynasty, really looking for death!"

"This is not necessarily the case. You were retreating a few days ago, so I don't know. This kid is a spiritual strategist who has joined the China Alliance and became a guest."

"Don't you be a spiritual strategist, the China Alliance has used such a big squad, give him a guest?"

"He is not an ordinary spiritual master. He will build a battlefield. Only two pieces of crystal spar can last forever. I heard that he arranged hundreds of polyphony arrays yesterday afternoon. "

"What? Hundreds?"

The people in the audience are still talking about it. They did not expect that Ye Xuan was so capable. After all, the number of the Shenzhou Alliance is very large, but the guest is also a dozen.

However, at this time, the battle suddenly broke out in the ring. Moreover, the battle lasted only one second.

"boom!"

Only heard a huge muffled sound spread, and then, there was a figure flying across.

"what?"

Dozens of people in the downfall are all shocked.

Someone, was spiked?

who is it?

Everyone was looking at it and letting his eyes fall on the figure on the ring.

It is Tang Tian!

No, Tang Tian was beaten. At this time, standing on the platform is Ye Xuan!

"What did I see? Tang Tian was hit by a punch. How is this possible?"

"What is the situation? I didn't see it at all. Can anyone tell me what happened?"

"I didn't see it very clearly. I knew that Tang Tian and Ye Xuan had flew after a punch."

"Impossible, Tang Tianhao is also the middle of the real Xuanjing, or the Prince of the Tang Dynasty. Since childhood, there has been a master guide. Even if it is the peak of the real Xuanjing, it is difficult to defeat him."

"Who knows, Tang Tian is flying down the stairs anyway."

There are not a few people in the downfall who can see the actions of Fang Caixuan, but the Song Dynasty is clearly seen.

Ye Xuan Fangcai did only have a punch, that is, this punch, directly to Tang Tian to fly, no extra action.

Only this punch!

"Why is his physique so strong? I have practiced refining exercises since I was a child. But my physique and his difference are not a trace. I am also a top-level martial arts student, but I can beat people with a fist. Has been practicing the refining exercises at the prefecture level?"

Song Tanjing guessed in his heart.

The practice of the prefecture level, even the Great Song Dynasty did not, and the level of the practice of the body, Ling Xiaofu is not necessarily.

"Ye Xuansheng!"

The disciple named Ye Xuan, who was registered under the banquet, announced after a while.

He guessed that Ye Xuan should be able to defeat Tang Tian, but did not expect to kill the other side.

This strength can definitely go in one hundred and fifty!

However, he also understands that Ye Xuan is purely looking for Tang Tian's troubles.

At this time, Tang Tian, who flew down to the ring, spurted out a blood, and stood weakly in the support of several disciples of the Tang Dynasty.

He looked at Ye Xuan with a blank look and said: "Why is your strength progressing so fast, it is impossible!"

"What is impossible with this, Tang Tian, can you afford to lose, and want to come again? I am very happy to accompany you." Ye Xuan calmly smiled.

Tang Tian has to bite his teeth.

He and Ye Xuan had a punch and almost felt that this one-armed arm had to be scrapped. If that punch fell on him, at least he could be hit hard.

Now let him go up and play with Ye Xuan again, this is completely looking for death!

"Well, this hatred me Tang Tianji down, he will, I will return it to you as it is!" Tang Tian said with a face, and then quickly left.

Now, I am afraid that even the fists are not tight, at least for ten days and a half. However, Ye Xuan has twice offended him, and he will never give up.

Looking at the back of Tang Tian's departure, Ye Xuan also showed a smile, and then, under the eyes of the public, slowly walked down the ring.

Now, he has defeated Tang Tian, who is ranked 200th, and replaced him. Although Tang Tian became a formal disciple, because Ye Xuan who defeated him was a prepared disciple, he had no place.
