

Super D. S 201

Chapter 201: war!

"I know that he is a half-step Dan Yuanjing, but I am not so weak, Ye Xuan is not so weak, you look down, believe me!" Ye Xuan mouth slightly tilted, calmly said.

"You..." Song Zongjing is still a frown, but after she saw Ye Xuan's confident eyes, she couldn't help but ask: "Are you sure?"

In her view, Ye Xuan is only the peak of the Xuanjing, and it is just a breakthrough, it is impossible to promise Huang Yaoguang half-step Dan Yuanjing.

However, she has not seen Ye Xuan defeated.

Who would have thought that the person who was chased by her on that day broke through two realms in just over a month, and could punch a master who was comparable to the Song ruling.

This is a miracle!

"Yes!" Ye Xuan solemnly replied.

The Song Dynasty still hesitated.

At this moment, suddenly there was a figure walking to the edge of the ring, saying: "Song Shimei, come down."

When I heard this familiar voice, Song Tingjing and Ye Xuan also turned around and found that Jiangyou was actually coming.

"Sorry, I am shocked by your brother." Ye Xuan said awkwardly that he is now a guest of the Shenzhou Alliance. His practice is also a representative of the Chinese Alliance.

"It is no problem, just a Tang Dynasty dynasty, even if the four dynasties united, they can not move the Alliance of China." Jiang You smiled.

"That's good." Ye Xuan also showed a smile.

Not only that, after the emergence of Jiangyou, the face of Song Dianjing also turned a little.

She may not know Jiangyou before, but now she can't know.

Because, Jiangyou is the first place on the list!

Songcheng told her before that Jiangyou has already broken through to the gods. This is a secret, only a few people know.

There are Jiangyou watching on the side, then Ye Xuan will definitely not have something.

"You are careful." Song Congjing whispered a message, and then went to the ring.

Tang Tian also noticed Jiang You, and immediately realized that it was not good.

Jiang You is the first place on the list. Even if Ye Xuan can't beat Tang Yaoguang, there will be no worry about his life.

I want to waste Ye Xuan, it is difficult!

However, at this time, Tang Yaoguang has gone up, can't he still let him down?

"let's start."

After receiving the instructions of Jiang You, the Taiwanese administrator also shouted.

Fight, start!

"Half-step Dan Yuanjing, the other side has Dan Yuan. If you use Danyuan to use Shangpin-level martial arts or even prefecture-level martial arts, I am sure I can't afford it. So, there is only one way."

Ye Xuan thought about it, and then he took out a bow and arrow.

Shangpin Ling, Zhentian bow!

When the bow fell into everyone's eyes, they all opened their mouths.

In the ring, with bows and arrows?

No kidding?

Ye Xuan's behavior, even Jiang You's can't understand it, and the platform is also hundreds of meters long and wide. It's usually a close combat. Ye Xuan takes out the bow and arrow. What is this?

"Teacher, are you sure you want to fight with me with a bow and arrow?" Tang Yaoguang also looked at his eyes and asked strangely.

"Brother, don't underestimate the bow and arrow." Ye Xuan smiled slightly. But he has already mentioned the spirit of 120,000 points.

Although the half-step Dan Yuanjing is also within the scope of the real Xuanjing, the only difference is Dan Yuan. If Tang Yaoguang uses the Dan Yuan attack, he is not sure to take it 100%.

Therefore, this field must be treated with caution.

Tang Yaoguang did not ask much, just nodded slightly, and there was a mysterious sigh. The surrounding space suddenly became distorted. This is the expression of Xuanqi cultivation to the extreme.

"Teacher, be careful!"

He snorted and the whole person disappeared instantly in the same place. No one in the field except Ye Xuan and Jiang You was able to capture him.

"I used the Shangpinling body martial arts at the beginning, but it seems that I haven't used Danyuan yet, so let's take a look at my new learning skills!"

Ye Xuan thought about it and suddenly shot a bow.

However, this arrow was not shot toward Tang Yaoguang, but toward the sky.

Shangpinling level martial arts, arrow rain!

A stream of light rises and rises, and in the blink of an eye it is shot at a height of hundreds of meters. Then, this stream of light suddenly bursts open and turns into countless golden awns.

These Jinmang are very wide-ranging, and they have directly covered the whole ring, and there are even some outside the ring. No matter where Tang Yaoguang runs, it is useless!

"what?"

Tang Yaoguang was shocked. He was the first to see such a large-scale martial arts. Suddenly, he was a martial art of defense, blocking these golden awns.

"puff!"

"puff!"

However, this is not very useful.

Ye Xuan holds the upper-class spirit and uses the Shangpin-level martial arts. Is it so easy to block it?

Originally, I wanted to be close to Ye Xuan's Tang Yaoguang. At this time, it was blocked by this arrow rain. Since the defense martial arts had no effect, it could only be resisted by attack.

He slammed his feet and slammed the sniper directly into the sky, breaking up the golden awns on his head.

However, he broke down for a round, and the second round of Jin Mang fell again. At the same time, Ye Xuan has also retreated, constantly releasing arrows.

The reason why he did this is not to fight guerrilla warfare, but to delay time.

Even if there is a hundred flowers and blood quickly restores mysteriousness, but the trumpet speed will definitely come faster than Tang Yaoguang, so he can't beat Tang Yaoguang with the martial arts of arrows and rain.

The purpose of his delaying time is to separate his mind and find a practice in the engulfment system, a practice that allows him to counter the Dan Yuanjing.

Since you want to play the face of the Tang Dynasty, you can't win in this wretched way.

To do it, you must do it!

However, Ye Xuan's attack method also convinced everyone present. Jiang You was even more surprised because this martial art was not for him.

"Well, the martial arts, although not reaching the prefecture level, is almost the same. Where did he learn from it?" Jiang You's heart is very different.

Just then, the battle in the ring was also changed.

I saw that Tang Yaoguang was directly rushing to Ye Xuan.

"Used Dan Yuan to use defensive martial arts..." Jiang You suddenly saw through it. If he did not do so, Tang Yaoguang could not catch Ye Xuan.

At this point, he is already ready to shoot, if the situation is not right, he must go up to the rescue.

However, when Tang Yaoguang swept to Ye Xuan, the latter had already collected the Zhentian bow.

Not only that, but Ye Xuan's eyes are still shining with a fascinating light, and the corners of his mouth are slightly tilted, waiting for you for a long time.

Fang Tian Tang Tian has already issued an order, even if Tang Yaoguang is dead, he must also abolish Ye Xuan.

Therefore, Tang Yaoguang is already ready to kill the same door. He transported the only remaining Dan Yuan in his body and gathered it in his palm, and then suddenly explored it.

Level-level martial arts, seven out of the palm!
