

Super D. S 237

Chapter 237: contradiction

The footsteps are very fast, at least the people who are small in the world, and the number should be two.

When Ye Xuan saw the figure that rushed out from the corner, the frowning brow was suddenly loose. It turned out to be the second river in the list of the sky, the big brother of Jiangyou.

However, when he saw the person behind the river, he instantly condensed.

Tian Yuanzong people!

"Well? Ye Shidi?" After seeing Ye Xuan, Jiang Liu was also slightly surprised.

Ye Xuan is even more surprised.

Jiangliu, why is it with the people of Tianyuanzong?

"It turned out that Ye Shidi is here." Jiang Liu directly ran over.

Now, Ye Xuan is hesitant. He looks at the young man behind the river and can't help but ask: "Brother, who is he?"

"My friend, Xi Hang, Tianyuan list fourth." Jiangliu casually replied.

Lingxiao House is the heaven and earth Xuanhuang Sifu, but Tianyuanzong is not so complicated. It only has the distinction between the inner door and the outer door. At the inner door, there is a Tianyuan list similar to the list of days.

This Xi Hang is the fourth in the list of Tian Yuan, representing him as the fourth of all disciples of Tian Yuanzong. The strength is probably extraordinary.

At this time, Jiang Liu suddenly saw the strange expression of Ye Xuan and asked: "Ye Xuan, what happened to you?"

Ye Xuan paused, and then he took a step to the side and said: "Sister, just in the talent, the two people of Tianyuanzong killed Wushan Wu Shidi."

what?

After hearing this, both Jiang Liu and Xi Hang were shocked by the tiger's body. They all looked at each other through Ye Xuan's figure. Sure enough, there was blood on the ground. In the distance, there were countless residual limbs and broken arms. Spicy to the corpse.

"He Shidi, Luo Shidi!" Xi Hang double screaming, immediately rushed over.

Jiang Liu's face changed and he realized that things were not.

Two disciples of Tian Yuanzong killed Wushan of Xuanzhifu, and then Ye Xuan revenged for Wushan and killed the two. Now, Xi Hang has seen these two bodies...

"Teacher, what's the matter?" Jiang Liu asked, frowning.

Then, Ye Xuan is telling the story again, and the word does not fall.

"nonsense!"

But his voice has not yet fallen, not far away is a violent drink, then, the river is subconsciously

Blocked in front of Ye Xuan.

"Xi Hang, don't be impulsive!" Jiang Liu said quickly.

The Xi Hang in front of him is also a super genius of Dacheng Dacheng. If he suddenly sneaked on Ye Xuan, Ye Xuan is likely to die in an instant.

Xi Hang looked at Ye Xuan with a gloomy face. "This kid killed two disciples of Tian Yuanzong. He must pay for it!"

"It was the two who first shot and attacked." Jiang Liu retorted.

"Hey, who knows if this kid is really true, maybe he personally killed his younger brother?" Xi Hang did not believe, after all, he did not know Ye Xuan.

However, Jiangliu is a letter.

Who is Ye Xuan?

Anyone who can earn millions of Chinese crystal spates casually will kill and kill people.

How do the two Tianyuanzong disciples have seven million Chinese crystals?

Ye Xuan can earn seven million Chinese crystal spars in three days. Because of this money, he will kill the disciples of Tian Yuanzong.

"Impossible, Ye Xuan will never do such a thing." Jiang Liu is still choosing to believe in Ye Xuan.

"Jiangliu, you let it go, otherwise, it's okay to blame me!"

Xi Hang glimmered, he was already murderous.

But Ye Xuan, still standing still in the same place.

If it is not because of this Xi Hang and the rivers, he is probably already working, and even more accurate, this Xi Hang has become a body.

"Xi Hang, if you want to move him, then let me pass this level first." Jiang Liu directly took out the weapon, and I was going to protect it.

Xi Hang brows a head, asks: "Are you sure?"

"I haven't really played a game with you. If you really want to fight, I will accompany you. I want to see if it's the fourth best in your day, or the second best in my day." Jiangliu did not give in.

This time, Xi Hang is hesitating.

The two bodies, he naturally knows, are the geniuses of Dan Xiaocheng.

He only looked at it in the past and found that the two men died almost in an instant. That is to say, Ye Xuan had the strength of killing Dan Xiaocheng. But when he passed Ye Xuan, he felt that Ye Xuan was just a first-time person.

Therefore, he guessed that Ye Xuan is not a human being, but is able to

The leapfrog kills the genius of the super genius.

If it is one-on-one, he is not afraid of Ye Xuan.

However, there is now another river.

In the event that Ye Xuan suddenly sneaked in his battle with Jiang Liu, he was finished.

"Okay, very good, this will not be the case. Boy, you'd better follow the river, otherwise if you are met by me, you will die very badly." After this Xi Hang put a swearword, it is Hurry to leave.

Looking at the back of his departure, the river is also relieved, then Xi Hang is his friend after all, but because of this incident, it is a contradiction. However, Ye Xuan is now the most talented person in Lingxiao, and he is also a member of his China Alliance, so he naturally cannot stand by.

"Ye Xuan, the body of Wushan's younger brother, are you collecting it?" Jiang Run turned and asked.

"Ok."

Ye Xuan nodded, Wu Shan's body, he has already received the Qiankun ring, as for the Qiang Kun ring, he did not.

"Oh, I didn't expect such a thing to happen. Xi Hang will not be rewarded. Maybe it will cause us two wars." Jiang Liu said, he turned his head and said: "Next, you will be with me." Let's go."

"Without my brother, I can protect myself." Ye Xuan shook his head.

In fact, he still waited for the Xi Hang, although he said that he had not played with the people who had reached the Dan, but he had at least 80% of the grasp and killed the Xi Hang.

"What about it, what if you meet him?" Jiang said quickly.

"No, my luck is not so bad. Right, brother, are you a good friend with him?" Ye Xuan asked.

The river slammed and shook his head. "This is not the case. It was only encountered when I went to Zhongzhou to practice. I used to fight together."

"It turned out to be."

Ye Xuan nodded slightly, it seems that that Xi Hang can still kill.

"You still have to be with me. If you really meet, then it is really troublesome." Jiang Liu is still persuading.

However, Ye Xuan still refused: "Without my brother, with my physique, plus a martial art, even if it is met, he can't catch it."

As soon as this was said, the whole river was paralyzed.

Ye Xuan actually has the best martial arts?

But what he didn't know was that Ye Xuan just talked about it.
