Chapter 24: doubt

"I hope that your plan can be as perfect as you said." Xue Qingqing is also relieved. As long as Chen has no evidence, then it cannot be said that Chen Song was killed by Ye Family.

Tonight, Ye Jia is very peaceful, but Chen is not the same.

At this time, in the lobby of Chen's house, there is a coffin, and the coffin is lying quietly, it is Chen Song, the young master of the Chen family who was shot by Ye Xuan.

Around this coffin, there is a high-level figure sitting in Chen's family.

"Homeowner, this must be the hand of the Ye family!" said a senior Chen Jia on the side.

Chen Jia is one of the four major families of Lianyun City. Chen's children have not been killed in the past years. However, today's nephew of Chen's family has died. It is not difficult to think of Ye's hands.

"I think so too, but Chen Song's death has many doubts."

Chen Xiang, the head of the Chen family, frowned. After a pause, he again said: "One, Chen Song was shot by a bow. Second, the distance that the murderer shot him was at least 50 meters away. Ye Family did not have the motivation to kill Chen Song. Is it just that Chen Song hit a maid of Ye Xuan?"

"The meaning of the Lord is that someone is blaming Ye Jia?" The Chen family executive said.

"There is this possibility, but Ye Family can't be completely unsuspected. This may also be the means that Ye Family used to confuse us! In addition to the three doubts just now, there is another point. I don't even think that Yuncheng has a senior warrior who uses bows and arrows. Chen Ling was shot by the spiritual power alone, which is at least the sixth strong weapon of the martial arts, or there are five kinds of arrows martial arts." Chen Xiang brows still wrinkled.

Chen Song is his nephew and one of the four masters of Chen's family. He died because he was very sad.

When everyone heard this, they all silently nodded.

Indeed, Lianyun City does not seem to have heard of the masters who use bows and arrows.

"Homeowners, masters of other families, even if they practice bows and arrows, we don't know. And this murderer may come from other places, then what do we do?" Someone asked.

"This matter has to be long-term, but I dare to kill the children of Chen's family. I will never give up, even if I dig the ground, I will take the murderer out."

Chen Xiang said, he turned his head in aggression and said: "You, send people to the major families to inquire and see if there are foreign strong."

"Yes!"

A group of people have stepped back.

After they left, Chen Xiang did not leave. He sat in a chair and muttered: "It's damn, tomorrow, the second brother will come back. If he is told that his son is dead, I don't know what it will be."

.....

The next day, the news of Chen Song's death spread directly to the major families and Ye Family.

After learning about this incident, Ye Zhang and the four major families were shocked and then rushed to Ye Xuan's house.

"Ye Xuan, Chen Song's death, is it you..."

When Ye Zhang entered the door, he asked him to open the door.

At this time, Ye Xuanzheng and Xue Qingqing and Liu Er sat in the yard drinking morning tea. After Ye Xuan heard this, he also pretended to be a slap in the face, saying: "Is Chen Song dead?"

"Ye Xuan, the family does not say whisper, is it you kill?" Ye Zhang asked.

The Liuer on the side was also shocked and turned to look at Ye Xuan.

"No!" Ye Xuan shook his head.

This one answer, let Ye Zhang also upset the thoughts in his heart, he frowned: "Last night, when Chen Song went out, he was shot through his head with a bow and arrow, and killed a command!"

"Dead is good, he deserves it!" Ye Xuan just replied faintly.

Man, that is, he personally killed, but he felt that he should not let Ye Zhang and others know it.

"How can I feel that people are killing you?"

Ye Zhang brows and wrinkles, and continues: "According to the scene of the scene, there were two guards of the fourth martial arts peak behind Chen Song, but Chen Song was shot and killed by arrows and arrows dozens of meters away. The law is superb, even the one who is present at the fifth martial art of the martial arts has not responded. So I speculate that the person who killed him is at least the sixth martial art, and is mastered in archery, or has five archery Martial arts..."

"Uncle, I suspect there must be a limit. I am not the sixth heavy weapon. I have never touched the bow and arrow. I don't have five archery martial arts. Why do you suspect my head?" Ye Xuan put down the teacup. , slowly asked a sentence.

Ye Zhang is also awkward.

Indeed, Ye Xuan did not satisfy a condition, but why did he feel that Ye Xuan killed it?

"Besides you, it seems that I have not heard of anyone wanting to kill Chen Song. Moreover, your performance is too calm." The first family said.

"The elders, it is difficult for Chen Song to die, I should be afraid? People are not killing me!" Ye Xuan is still a cloud-like appearance.

"Isn't that what you killed?" Ye Zhang asked with suspicion.

"No!" Ye Xuan shook his head and did not admit it.

Although Ye Zhang and the four major ethnic groups feel that Ye Xuan is not quite right, it turns out that Ye Xuan really does not have the ability to do this, so he can only choose to believe.

After they left, they did not wait for Xue Qingqing to open their mouths. The Liuer on the side was a small voice: "Young Master, thank you..."

"Stupid girl." Ye Xuan just smiled and said nothing.

The death of Chen Songzhi has spread throughout the city of Lianyun. The Chen family also sent people to the Ye family, but they failed to return.

Ye Xuan thought that this matter had passed, but on the third day after Chen Song's death, a letter was suddenly sent to his hand.

"Who is this sent?" Ye Xuan looked at the Ye Jia's guard in a strange way.

"The small is not very clear, the delivery is only an errand, but he said that this letter should be opened by the young master!" Ye Jia's guard shook his head.

"Okay, then go on."

Ye Xuan nodded.

Ye Xuan felt that it was reasonable to say that no one would write to him, and that he did not write anything outside the letter in his hand, which made him somewhat surprised.

He tore open the envelope and took out the letter, and after he read the contents of the letter, there was a splinter of power that shocked the letter into countless pieces.

"Young master, what happened to you?"

I was sitting on the stone chair and asked Ye Xuan to sew a pair of Liu Er.

"Liu Er, how long has Qingqing been out?" Ye Xuan asked with a squint.

"Qing Qingjie has been out for more than two hours, the young master, is it something that Qingqing sister has?" Liu Er asked.

Ye Xuanqiang squeezed a smile and said: "No, that girl wants to buy something without money, call me in the past, Liu Er, you stay at home, the young master, I just have to go out and buy something."

"Ok."

Liu Er nodded very well and didn't think much.
