

Super D. S 250

Chapter 250: Tian Yuanzong

Zhao Feiyan's age is not big, but she knows that this is Ye Xuan's kindness, so she can only swallow the six yuan.

After swallowing, she discovered that there was actually more energy in her body. This is not Xuanqi, but Danyuan.

"Unfortunately, there was only one mysterious beast, and the mysterious beast was useful for myself. I will see it tomorrow. If I encounter the mysterious beast again, I will help you break through to the gods." Ye Xuan sighed.

"This....."

Zhao Feiyan is already surprised to say nothing. She has just broken through to the peak of the true Xuanjing. Xuanqi has not yet cultivated to the extreme. She even cultivated Danyuan and reached the half-step Danyuan.

The fifteen-year-old half-step Dan Yuanjing, this qualification is even in Tianyuanzong, it is also unique.

At this time, she regretted a little. She understood the value of this drug. She knew it would not eat it. However, everything has already been eaten, and she can't spit it out, so she can only accept it.

Now, in her heart, Ye Xuan is already a mysterious master. She can't help but have a deep curiosity about Ye Xuan.

"How did you get seriously injured?" she couldn't help but ask.

"There was a mysterious beast that took my things away. I was chasing it, and then I accidentally fell to the bottom of the valley and almost fell to death."

Ye Xuan replied casually, remembering that Zhao Feiyan still did not know his name, so he said: "My name is Ye Xuan, a disciple of the Tianfu House of Lingxiaofu."

"Ling Hao House?"

Zhao Feiyan blinked and she seemed to have heard of the name.

"Well, I used to take the flight from Dapeng, but there was some accident. I might have to go to Tianyuanzong to borrow the Tianlei eagle. Then I will send you back by the way." Ye Xuan continued.

"Oh, then it will bother you." Zhao Feiyan thanked again.

"On the way, you should sleep first, I am guarding." After Ye Xuan finished, he closed his eyes and refining his medicine.

"Ye Big Brother, your injury is still not good, let me keep it." Zhao Feiyan suddenly thought of Ye Xuan's injury.

Ye Xuan smiled and said: "If you come to a mysterious beast, can you cope with it? Sleep, I will go to a place tomorrow morning."

Zhao Feiyan stunned.

Indeed, if she comes to the vigil, if it comes to the mysterious beast, then they may die unclear.

In desperation, she had to lie down on the ground and rest.

She is reassured, after all, Ye Xuan is so strong, if she wants to do something, she will not live in peace until now.

Besides, Ye Xuan saved her twice and gave her a precious remedy. She couldn't doubt Ye Xuan.

There is no industrial pollution in this world. The stars in the sky are a little bit, and Ye Xuan sits quietly there, occasionally looking up and watching the stars.

In the latter half of the night, his injury was completely restored, but the realm was still a lower level than before. It still needs a lot of things to be able to return to the realm of humanity.

This night, quietly passed.

When the sun rose the next day, Ye Xuan also called the sleeping Zhao Feiyan.

Zhao Feiyan blinked and blinked, saying: "Brother, we are today..."

Before she finished, she suddenly stopped, because she did not see her brother, but Ye Xuan.

This time, she also suddenly remembered that yesterday her brother wanted to be strong... she was then beaten by Ye Xuan.

"Okay, don't be upset, get up." Ye Xuan is also helpless, a scum brother, just used so sad?

However, at this time, he also saw the face of Zhao Feiyan. Like Liu Xueqing, it is a beautiful embryo. If he grows up in the future, he will definitely fall into the country.

"Ok."

Zhao Feiyan nodded and stood up and asked, "Ye Big Brother, where are we going?"

"Go where I fell, then climb up." Ye Xuan replied.

He wants to go and see, the body of Wang Chuanshan and others are still absent.

Soon, they came to the place where Ye Xuan fell yesterday. There is a huge herringbone pit, which is very recognizable.

Then they just started to climb up.

The canyon is a hundred meters high, but for two people, it is easy, after all, the canyon walls in the daytime, there are not so many beasts.

The two climbed to the top, and then Ye Xuan looked around again, and it was found that a pool of dried blood had been found.

"The body of Wang Chuanshan is gone..."

In the heart of Ye Xuan's heart, he ran back to the Dongfu exit along the memory and found that the area had collapsed. A huge pit appeared as if it had been smashed by a comet.

"Here, what happened?" Zhao Feiyan couldn't help but ask after seeing this infinite pit.

"It's nothing."

Ye Xuan shook his head and said: "I don't know if other people have come out, but don't die inside."

This cave has collapsed, and he feels sorry, because there are still many good things in it, such as the stone statue.

However, he did not see blood in the vicinity. That is to say, they may not have a war with Tian Yuanzong, but they went to each family to find their mothers. The body of Wang Chuanshan should also be the Tianyuanzong. The group of people gave away.

"Well, I finished reading, Feiyan, do you know the way back to Tianyuanzong?" Ye Xuan turned and asked.

"Well, I will be able to go back in about ten days." Zhao Feiyan nodded.

"Ten days..."

Ye Xuan frowned slightly, and the next moment, he directly took Zhao Feiyan to the side.

"Ah, what are you doing with Ye Big Brother?" Zhao Feiyan exclaimed.

"I am in a hurry, you give me directions."

When he finished, he rushed straight out. He had to rush back in front of the group of Tianyuanzong disciples. Otherwise, if they reported the matter to the top of the Tianyuanzong, then he would not want to borrow the Tianlei eagle. Life is dangerous.

After all, the group must have thought that the lapis lazuli was on him.

Zhao Caiyan said that returning to Tianyuanzong from here is probably about ten days, and his speed is far higher than that of Zhao Feiyan. Therefore, it took only half a day to arrive at Tianyuanzong.

On the way, Zhao Feiyan always closed her eyes. When she opened it, she found herself returning to the very familiar place, at the foot of Tianyuan Zongshan.

"This....."

Zhao Feiyan is already surprised to have nothing to say.

"Well, Feiyan, go up yourself." Ye Xuan put Zhao Feiyan on the ground.

"Ye Big Brother, are you not going to borrow the Tianlei Eagle? I can help you..." Zhao Feiyan suddenly said.

"No, I got some trouble, going with you will hurt you." Ye Xuan shook his head.

He really wanted to borrow a Tianlei eagle to return to Lingfu, but he thought that if he went up with Zhao Feiyan, then after he left, Zhao Feiyan was not terrible?

Therefore, you still have to think about other methods.
