Chapter 251: trouble

At this moment, suddenly his mind flashed in his mind and suddenly had a plan.

"Fei Yan, wait a minute, I will change the line."

When he finished, he ran straight into the forest, then changed his clothes, changed his face, and even changed his voice.

When he appeared again in front of Zhao Feiyan, the latter could not recognize him.

In the phagocytic system, in addition to the variable bead, there is also a tolerance, mask, which can last for twenty-four hours.

This is easy, the mask, in fact, is just a battle, just like the city's Shenglou. Of course, if you encounter a master, you will be instantly seen.

"you are....."

Zhao Feiyan looked at the strange young man who showed the familiar taste and couldn't help but ask.

"It's me, I changed it in a special way. Now I call it Zhao Pan. You just need to say that I am your friend. I saved you halfway, and then I want to borrow a Tianlei eagle to fly back to Zhongzhou." Ye Xuan Said his own voice.

Zhao Feiyan was eclipsed. She was the first time she saw this situation and was immediately frightened.

"I am very anxious about this matter, let's go, don't reveal my identity." Ye Xuan reminded him again.

"Ok."

Zhao Feiyan nodded, and then took Ye Xuan up the mountain.

Tian Yuanzong, the hegemonic sect of the southern domain, is still above the top of the capital.

Originally, Ye Xuan only wanted Zhao Feiyan to bring a Tianlei eagle out, but he suddenly thought that his fiancée Lin Xueer was also in this day, so he wanted to come up and see what Lin Xueer had reached.

He suddenly remembered that the Tian Yuanzong guardian of the day called Yu Jin once said that as long as he came to Tianyuanzong, the other party would accept him as a disciple.

Ling's house protection method is a half-step Dan Yuanjing, so Ye Xuan used this as a reference. It is estimated that Tian Yuanzong's protection method is at the beginning of the first time.

First entry into the country?

so what?

Ye Xuan is also a human being.

Zhao Feiyan took Ye Xuan directly into the inner door of Tian Yuanzong. On the way, many disciples were staring at Ye Xuan, and the expression was extremely weird. They all seemed to know Zhao Feiyan's appearance.

Then they came to a house.

"Ye... Zhao Da Ge, this is my residence. You should wait here for a while, I will go to my master." Zhao Feiyan said.

"Well, let's go." Ye Xuan nodded.

First, let Tian Leiyang borrow the hand and say, as for Lin Xueer, wait for Zhao Feiyan not to do it?

Then, Zhao Feiyan is leaving, looking for her master to report, by the way, borrow a Tianlei eagle.

The number of Lingxiao Dapeng in Lingxiao House is relatively large, so many disciples can use it. The number of Leiyangs on this day is small, which is not something that ordinary people can use.

Otherwise, why should Ye Xuan be so troublesome?

However, shortly after Zhao Feiyan left, someone was looking for it. This is a young man in his twenties, wearing a costume of a disciple of Tian Yuanzong.

In Tianyuanzong, as long as they are above the level of protection, they are eligible to accept disciples. The disciples they receive are higher than the inner disciples, that is, true disciples.

The Tianyuanzong disciples who met in the Dongfu village before were all true disciples. The costumes they wore were the same as the young people in front of them, so Ye Xuan recognized them at a glance.

The young man entered the door very politely. He directly fell on Ye Xuan's body and said in a questioning voice: "Who are you?"

"When you don't know the identity of others, do you report your name first?" Ye Xuan sat at the stone table and said coldly.

"Tian Yuanzong's true disciple Yang Yifan." The young man said, and asked again: "You are not a disciple of Tianyuan, why can you come in?"

"Feiyan brought me in, I am her friend." Ye Xuan replied casually.

At this point, he already understood the meaning of this Yang Yifan, he should be Zhao Zhaoyan.

Upon hearing this answer, Yang Yifan blinked and said: "Feiyan Shimei is in the door all the year round. Why haven't I heard that she has friends?"

"Oh? It seems that it is very familiar with Feiyan?" Ye Xuan asked.

Yang Yifan continued, "Well, you are a friend of Feiyan, then what do you come to, Tianyuan?"

Once and twice, it is no problem. This Yang Yifan always asks questions in a questioning tone, which makes Ye Xuan very uncomfortable.

"Why should I tell you?" Ye Xuan's mouth tilted slightly.

Although he is now in the territory of Tianyuanzong, it does not mean that he wants to whisper.

"A big courage, dare to talk to me like this?" Yang Yifan was furious. In this day, there were not many people who dared to answer his questions in this tone.

"If it's okay, please leave." Ye Xuan was too lazy to talk nonsense with him. If it wasn't something, he had already beaten Yang Yifan.

When is the half-step Dan Yuanjing so arrogant?

"Just kidding, you dare to let me go. Are you a Yuanzong on your day? Are you a young master?" Yang Yifan looked disdainful.

His voice is very loud. At this time, many people gathered outside the yard, and they all came to see the fun.

Ye Xuan is slightly helpless, he really does not want to make trouble, but he will always find him.

However, in order not to cause Zhao Feiyan to trouble, he decided to endure it, and when there was a fly flying.

"Hey, don't dare to talk, I'm going to have a look, what can you do to let me go."

Yang Yifan said, it was a step forward, a slap in the shoulder of Ye Xuan, ready to throw Ye Xuan directly outside the yard.

However, let him work hard, Ye Xuan is as stable as Taishan, motionless.

"Under, are you pinching your shoulders?" Ye Xuan yawned.

"Damn!"

Yang Yifan's face changed, directly slaps toward Ye Xuan's face fan, but the next moment, his hand is stopped in the air, because there is a palm, like a steel pliers, almost locked his wrist.

At the same time, he also felt a breath of several times stronger than him.

"A good and honest Dan Yuan, are you a godland?" Yang Yifan hurried backwards.

Ye Xuan was too lazy to answer him, and wanted him to retreat, not to be insured.

Half-step Dan Yuanjing and Shen Danjing, the gap is very big, Yang Yifan knows that it is impossible to win Ye Xuan. However, he thought that under his feet, Tian Yuanzong, in Tianyuanzong, but someone could support him, he was not afraid.

"God is good, good, very good. I have a rule in Tianyuanzong, not a person who protects the legal level or above. It is a person who can't bring the gods of the gods. The Feiyan sister is just a true disciple, even dare to bring Shen Dan. The people in the environment come in, you give me waiting!"

Yang Yifan is cold and cold.

"what"
