Chapter 252: Wartime Yuanzong elder

Ye Xuan knows that if he stays here, he will only cause trouble to Zhao Feiyan. And he also understands that this Yang Yifan is obviously interested in Zhao Feiyan and regards him as a rival.

"Haha, since it has already arrived, why bother to go?" Yang Yifan went out first, blocked the door, and laughed loudly: "If you are gone now, you are punished, but you are a big man, a little man." are not there?"

When Ye Xuan heard this, his face was also sinking. He said: "Are you doing this extreme?"

This Yang Yifan only unilaterally pursued Zhao Feiyan, but was rejected by Zhao Feiyan. Therefore, he could only take this extreme path, that is, let Zhao Feiyan hate him.

Ye Xuan suddenly remembered that once in the student days, there was a classmate who bullied a girl every day, not because he was guilty, but because he liked the girl.

The girl hated the boy at first, but then the boy was stalked and confessed. After the confession, the two men made a positive result, and they loved love.

At that time, Ye Xuan almost looked at it. In order to pick up the girl, it was really something that could be done.

There is no doubt that this is also true of Yang Yifan.

"Okay, I won't go!" Ye Xuan was cold and cold.

Since the strength has been exposed, if he left, it will only harm Zhao Feiyan.

At this time, an old voice suddenly sounded outside the yard.

"You guys, don't go to practice, what are you doing here?"

Yang Yifan turned his head and looked at it. He immediately said: "Lv Elder, you came just right, there is a Shendan martial art who broke into my Tianyuan."

"What? Where?"

The old voice was getting closer and closer, and Ye Xuan's face sank to the bottom.

Come to an elder, then it will be trouble!

"Lv elders, that person is here." Yang Yifan hurried to make a debut.

Then, Ye Xuan saw an old man coming in. He looked at Ye Xuan and said: "It is not my disciple of Tian Yuanzong, boy, you are so bold, even arrogant about my Tianyuan?"

Ye Xuan made a slight meal, recalling that Yang Yifan said that he was arrogant, but was not brought in by Zhao Feiyan.

It seems that this is Yang Yifan's intention to excuse Zhao Feiyan, but also to Ye Xuan.

"This Yang Yifan is not stupid, guess I don't dare to supply Feiyan,

Oh, this is also good. "

Ye Xuan opened his mouth and smiled. "You just come in and look for someone else. You don't want to be interested. Please forgive me. I will leave!"

Yang Yifan would not leave Ye Xuan so, and use the banter's tone: "Would you be your family in the same day? I only hurt me, but I still want to go now?"

On the side of Lu, the elders heard it, and the light shone. "I am arrogant about my Tianyuan sect. It is a big sin. I dare to hurt people here. Boy, where did you come from?"

"No door, no school, no one." Ye Xuan replied, now he is not Ye Xuan, but Zhao Pan, naturally can not reveal his identity.

"If this is the case, then you will let it go, let me send it to the elders of law enforcement, and let the elders of law enforcement decide."

Lv Chang Lao opened his hands, and the dry palms were like eagle claws, giving a feeling of chilling.

He also felt that Ye Xuan's body was not much weaker than him, so he could not relax his vigilance.

At this time, he is waiting for Ye Xuan's next move.

Is it rebellious, or is it awkward?

It's impossible to let the hand go, so you can only resist.

"boom!"

Ye Xuan suddenly poured out a thick Dan Yuan, but this Dan Yuan was not used by him to attack, but poured into the ground.

At that time, a circle of one meter in diameter appeared at his feet.

"Predecessors, if you can let me leave this circle, I will surrender." Ye Xuan slowly said.

"Oh, great tone."

Lv Elder was somewhat unhappy. He went straight up and took a paw on the shoulder of Ye Xuan. The edge of Dan Yuan's condensation pierced Ye Xuan's shoulder, and the blood rushed out.

Then, Elder Lu was a tear, ready to pull Ye Xuan to the ground, to a dog mud.

However, let him let him pull, Ye Xuan is as stable as Taishan, his feet have not moved.

"Well? It's a bit tolerant." Lu Chang's eyes flashed a strange color, but he was the elder of the Yuan Yuanzong. If you can't even have a junior, why not lose face?

"Snapped!"

The second palm was shot on the shoulder of Ye Xuan, and Lu Chang's hands were out, but Ye Xuan still stood still and did not move.

Lu Chang's face is as gray as he is, and he is in a hurry. He directly hits the shoulder of Ye Xuan.

In the arm, trying to fly it.

However, Ye Xuan still stands well.

"Kid, you are looking for death!"

Lv Chang Lao was furious, and the Dan Yuan in his body rolled out. He was going to worry.

Ye Xuan felt it and found that the other party had already condensed Dan Yuan on his right hand. It seems that he was going to use the level of martial arts.

"Give me to death!" Lu long, screamed, aligning with Ye Xuan's chest, but before that, a palm was directly greeted.

"Hey!"

The air wave rolled and opened, and Lu's body shape also flew out and slammed on the wall of the yard.

Just kidding, and Ye Xuan on the palm, really looking for death!

"Lv elders?"

In this scene, everyone else who was present was stunned. This is an elder, a elder of a godland, who was shot by a young man. What is this person?

"Well, I dare to hurt my Tianyuan Emperor's elders in Tianyuan, and you have the courage to leave!"

Yang Yifan said, he turned around and left, but he did not take a few steps and then returned.

"See the elders!" Yang Yifan respectfully clenched his fists.

Later, Ye Xuan saw a familiar figure, no, two familiar figures came in.

These two people, one of them is naturally Zhao Feiyan who left, and the other one is also shocked by Ye Xuan. This person actually went to Lianyungang to help the Lin family retired two years ago.

"Well? I didn't expect to become an elder two years later.

Although Ye Xuan's heart is somewhat strange, it is not afraid. After all, he is easy to accommodate, and the mask, as long as he is not seen by the people in the territory or the masters of the array, is still not a problem.

"Dr. Big Brother, are you injured?"

After Zhao Feiyan came in, he saw the blood of Ye Xuan's shoulders at a glance, and immediately ran over.

"Nothing, little injury."

Ye Xuan smiled, this skin trauma, he can recover in a few breaths.

After Yu Jin entered the door, he looked to the elder of Lu, and said: "Lv elder, what is going on?"

"Yu elders, this son is good at my Tianyuanzong, but also hurts people, I want to leave him to the law enforcement elders, but was..." Lu was very shy, did not say anything.
