Chapter 255: Tune Lin Xueer

"How much is there, please rest assured, I will buy at the market price." Ye Xuan replied.

The materials before Lingxiaofu used him up. The elders also went to Zhongzhou to purchase in person. This is a very profitable purchase. He naturally will not miss this good opportunity.

Wen Yan, Yu Jin is immediately turned to look at Lin Xueer, this kind of thing, he can not be the master.

"Yu elders, go to the refining hall, take all the forging materials." Lin Xueer immediately said.

"Okay, I will go." Yu Jin nodded, and then there was no flash.

After he left, Lin Xueer also said again: "Zhao Gongzi, this may take some time, is it better for me to take you around?"

"Oh? Good." Ye Xuan said with a smile, and turned his head: "Fei Yan, remember to practice well."

"Dr. Big Brother, I will." Zhao Feiyan solemnly nodded.

Then, Ye Xuan left behind Lin Xueer and watched the disciples around him stay.

Who is Lin Xueer?

The apprentice of the Emperor Yuan Yuanzong, who was only seventeen years old, is already a great man, and is expected to surpass the super genius of the lord to break through to the heavens.

Immediately, those disciples looked at Ye Xuan with an envious look, including the Yang Yifan.

.....

Lin Xueer ignored the eyes of other people, with Ye Xuan wandering in Tianyuanzong, Ye Xuan is also following with a happy mood.

As a disciple of Ling Xiaofu, but was served as a guest by Tian Yuanzong, there is also a peerless beauty as a tour guide, this is really cool.

"Hey, if I was known by the Emperor of Heaven, I don't know what it is?"

Ye Xuan enjoyed it very much because his camouflage was perfect, and Lin Xueer and Yu Jin did not see it.

They would never have thought that the waste that year had actually come to Tianyuan.

"Zhao Gongzi, what's wrong with you?"

Lin Xueer on the side saw Ye Xuan's slightly raised mouth and couldn't help but ask.

"Nothing, yes, Lin girl, when did you enter Tianyuanzong?" Ye Xuan quickly shifted the topic.

Lin Xueer stunned and smiled and explained: "Snow grew up in Tianyuanzong."

Ye Xuan heard the words, his brows were slightly wrinkled, but the next moment he remembered that people like them could not expose their family.

In the future, if any enemy knows it and kills the Lianyun City of the Xuanyang Empire, then Ye Jia and Lin Jia will become hostages.

"It turned out to be like this." Ye Xuan nodded slightly, said: "The Cher girl is so good, so young is already a great man, and the snow girl must be very good?"

Lin Xueer was surprised again, his face was a little red, and he shook his head: "I have not yet married."

"Is there no intentional person?" Ye Xuan asked.

"No, the master asked me to concentrate on cultivation." Lin Xueer continued to shake his head.

"Also, the future achievements of Cher's girl are definitely not low, and the average person will definitely not be able to match it." Ye Xuan's eyes flashed a glimpse of color.

"Zhao Gongzi said with a smile."

Lin Xueer smiled softly and said: "What about Zhao Gongzi?"

Ye Xuan suddenly had an idea in his heart and smiled: "I am like you, there is no intention, but..."

"But what?" Lin Xueer asked curiously.

"Snow girl, do you believe in love at first sight?" Ye Xuan turned his head like a smile.

This problem, but Lin Xueer gave it a hard time.

love at first sight?

After Lin Xueer heard the word, it was also a trembling. Ye Xuan now mentioned the word, and certainly did not mean anything.

"Why, he saw Feiyan sister, or other people on the road, or is it me?" Lin Xueer groaned in her heart, but she immediately understood after seeing Ye Xuan's eyes.

At first sight in Ye Xuankou, I am afraid to refer to her!

"Zhao Gongzi, I don't understand what you mean." Lin Xueer shook her head in a pretentious manner.

"Pack, you still have it."

Ye Xuan's heart groaned and smiled on the surface: "Actually, when I first saw the Cher girl, I already liked you. I don't know Cher, can you give me a chance? You can rest assured, Although my realm is worse than you, but in the 30 years of Hedong in the 30 years of Hedong, I will catch up in the future.

really!

After Lin Xueer's listening, her heart immediately trembled. This Zhaopan really looked at her.

She originally thought that this Zhao Panhui and others are not too

The same, but did not expect that she also looked away.

"Zhao Gongzi said with a smile, the strength of the Zhao Gongzi family in Zhongzhou is definitely not worse than that of Tianyuanzong. Xueer is not worthy of you." Lin Xueer immediately shook his head.

"Whoever said, if the girl can be smashed through the door, the old men in my family must be happy to die.

This time I came to Tianyuan, it is actually for you, Cher, give me a chance. "Ye Xuan is cheeky."

"This....."

Lin Xueer is in a dilemma. She is not a little girl. She will not believe this kind of lie. She thinks that Ye Xuan is just playing.

However, Ye Xuan's identity is mysterious. There are not many families in Zhongzhou who can come up with one hundred pieces of equipment at a time. After she is afraid of rejecting Ye Xuan, Ye Xuan will be angry and then give up cooperation with Tian Yuanzong.

"Zhao Gongzi is the first to see Cher today. Cher is not very familiar with Zhao Gongzi. Cher may not be able to agree. However, Zhao Gongzi can live in Tianyuanzong and wait until we are familiar with it before making a decision?"

Lin Xueer said, but also secretly looked at Ye Xuan, and sure enough, when her voice fell, Ye Xuan's face was already black.

"A good plan to slow down, when I am a fool, take me as a spare tire..."

In the heart of Ye Xuan's heart, he immediately said coldly: "Snow girl, you know, what is the consequence of rejecting me?"

"I know that Zhao Gongzi may give up cooperation with Tianyuanzong." Lin Xueer nodded.

"Then you refused me in person? I have Zhao Pan, but I don't have much patience!" Ye Xuan pretended to be very angry.

Lin Xueer hesitated a moment and said: "Since Zhao Gongzi is determined, then Xue can only return those parts and six yuan Dan."

This one answer, but it is out of Ye Xuan's expectations, he did not expect Lin Xueer to be so tempered, dare to reject him.

However, he was only just a joke, let him return those spar, no way!

"Ha ha ha, Xueer girl really is not an ordinary person, only I was just a joke, but also please Cher girl do not care." Ye Xuan immediately laughed.

Lin Xueer heard the words, but also put away the dignified connection, and smiled: "Xue also jokes with Zhao Gongzi. However, Zhao Gongzi is very similar to a person known by Cher."

Ye Xuan brows slightly coagulation, said: "You are sure that I am like him, not him like me?"

"It is Cher who said the wrong thing." Lin Xueer quickly apologized.
