

## Super D. S 26

### Chapter 26: Guild war

"Han Kun ring? I want to kill you!"

Chen Qiang licked his abdomen with his hands, and his eyes flashed the color of greed.

Ye Xuan, this means, although it is a phagocytic system, but in the eyes of outsiders, this is the effect of Qiankun. A Qiankun ring is worthless, even if there is no hatred between Ye Xuan and Chen Qiang, the latter will choose to kill Ye Xuan.

Ye Xuan originally aimed at Chen Qiang's heart thorn, but the latter's left hand did not attack, so he had to stare at the abdominal thorn. This blast of three consecutive stabs also made Ye Xuan a good start, because he just started to be super-smashing, the wound is very deep, as long as the time is delayed, then Chen Qiang's strength will definitely decline.

However, Chen Qiang was tempted by the Qiang Kun ring. At this time, he wanted to kill Ye Xuan on the spot, so he instantly exposed the peak force.

"Tiger tiger! Give me death!" Chen Qiang ignored the wound and once again rushed toward Ye Xuan.

However, Ye Xuan's assault was better than the general Wupin martial arts, and once again escaped. At the same time, Ye Xuan's right hand was lifted, ready to stab a blast of three consecutive stabs.

"Humph!"

Chen Qiang learned to be smart this time. Although his brain was occupied by greed, he was not stupid enough to hit Ye Xuan. At the moment, he is also preparing to flash the three stabs of Ye Xuan.

However, after seeing his movements, Ye Xuan suddenly stopped his hand and quickly retreated backwards. At the same time, the long sword in his hand had disappeared and replaced with a black iron bow.

"what?"

Chen Qiang was shocked. When he reacted, there was already a chasing arrow.

"puff!"

The chasing arrows directly penetrated Chen Qiang's body, and the blood suddenly sprang up like a spring.

"Haha, the space that swallows can still be used like this, see I don't kill you!"

Ye Xuan was shocked and happy. This was what he had just discovered. The melee used a long sword and the long-distance bow and arrow. Under the combination of the two, even Chen Qiang couldn't help him.

"I want you to die!" Chen Qiang was hit twice, his anger rose, and he lifted his foot and rushed toward the election.

"The wind is raging!"

The Xuan iron bow was replaced by a long sword, and Chen Qiang's body suddenly appeared.

"Hey!"

The blast was smashed by Chen Qiang, and the spiritual strength of the two was not much different. Therefore, Chen Qiang was directly shaken by the air waves generated by the spiritual explosion.

"Try me another arrow!"

Taking advantage of this opportunity, Ye Xuan once again opened the bow, chasing the wind arrow through the shoulders of Chen Qiang mercilessly, let him hurt again.

However, Chen Qiang is not a vegetarian. He has been practicing in the field for many years, and his reaction ability is beyond ordinary people, so he can escape the key attack.

"Hey, I see you can pick me up!"

Ye Xuan's heart was cold and he opened the bow again. At this moment, he suddenly saw a cold flash.

hidden weapon!

It turned out that Chen Qiang was not beaten, but deliberately let Ye Xuan hit, and at the same time pulled out a dart.

"call out!"

This dart was pasted on Ye Xuan's head, and Ye Xuan's cold sweat was straightforward. Fortunately, his reaction was not slow, otherwise he would be stabbed in the middle of the door by the dart.

However, after hearing a footstep in front of him, his face suddenly sinks to the bottom.

"Give me death!"

Chen Qiang did not know when he rushed to Ye Xuan and then slammed it out.

"Hey!"

The big fist of the casserole accurately slammed on Ye Xuan's body, and the huge impact force rushed out, and Ye Xuan flew.

"Hey!"

Ye Xuan only felt a sharp pain in his chest. It seemed that the ribs had been broken. He endured a long sword and pointed it to the front.

This blow has already caused him to be seriously injured. If Chen Qiang catches up again, then he will die, so he must stop Chen Qiang's footsteps.

"Hey!"

Chen Qiang was prepared to win the battle with Ye Xuan, but he was blocked by the wind. He punched the wind with a punch. The air was rolling and the smoke was filled, but when he rushed out, he found that Ye Xuan was lost.

"No, he wants to run!"

Chen Qiang suddenly reacted, and Ye Xuan apparently lost to him, so he wanted to escape.

However, at this time it was night, the line of sight was dim, and with the insects in the forest constantly, he couldn't hear Ye Xuan's footsteps.

"Bad boy, don't want to escape my palm, I must kill..."

Chen Qiang's roaring sound has not yet spread, and there is an unusual wind around it.

Sneak attack!

Chen Qiang was shocked and happy, because it was definitely Ye Xuan who attacked him.

"Oh!"

A few cold lights flashed, Ye Xuan's blast three consecutive stabs were escaped by Chen Qiang, but when Ye Xuan was ready to escape, when he was hidden, he found that Chen Qiang suddenly fell a small box to his chest, only to his blast three Although the stab did not hurt Chen Qiang, he stabbed his clothes.

"Pick a fight!"

Ye Xuan did not turn around and ran, but stepped forward, grabbed the box in his hand, and shouted in his mind: "Devouring!"

"Hey!"

The voice in my mind has not yet fallen, and Ye Xuan was beaten by Chen Qiang in the middle of the abdomen and was once again bombarded.

However, Chen Qiang did not notice that Ye Xuan, who was kicked by him, showed a smile in the air.

"The phagocytosis of a small Dan, the host gets three points of phagocytosis!"

Xiao Dandan, this is the precious medicinal medicine used by the military to break through. Chen Qiang has been practicing this for nearly a year before purchasing this small dandan, ready to take it at the sixth peak of the martial arts. Seven heavy.

I did not expect that it was actually given by Ye Xuan.

But Chen Qiang didn't take it for granted, because he didn't know that Ye Xuan could swallow it. He just thought that Ye Xuan had a ring, but if he killed Ye Xuan, things would not return to his hands.

However, he was very wrong.

After Ye Xuan got a three-point swallowing score, he quickly took a squat and prevented Chen Qiang from approaching.

Like the last time, Chen Qiang was blocked by the wind, and when he reacted, Ye Xuan disappeared again.

Ye Xuan hiding behind the tree, thinking with trepidation in his heart.

Right now, he has a big enemy. If he doesn't get rid of it, he will have endless troubles.

Therefore, Ye Xuan is thinking at this time, how to use these two points to devour the points and kill Chen Qiang.

"If I run away now, Chen Qiang will definitely not catch up, but if he returns to Lianyun City, then Qingqing will be in danger. Therefore, Chen Qiang must die!"

He thought about it, and quickly browsed the menu of the phagocytic system to see if there was any suitable method.

There are many things in the menu of the phagocytic system, but some things must meet certain conditions before they can be redeemed, such as breaking through to the sixth martial arts.

"Haha, with, the tiger smashed the dragon!" Ye Xuan's eyes lit up and immediately exchanged this practice.

One advantage of buying a meditation method in the phagocytic system is that you can learn this martial art in an instant without having to practice hard.
