

Super D. S 261

Chapter 261: Threat

"Can you still let them go?"

Ye Xuan continued to scream: "I must have told you that the second floor of the Dongfu, if not for me, you will be annihilated by the whole army. And if I want to kill people, including Wang Chuanshan, If you die inside, one can't live."

He said this is true, but if those people were killed by Wang Chuanshan at the time, these people would not be able to survive the stone statue.

"Humph!"

When he heard Ye Xuan kill the disciple of Tian Yuanzong, Mo Ziyun was also a cold cry. He already knew who the two were dead.

"Sovereign, do you still have problems? It seems that it has been three minutes. In seven minutes, she will be poisoned and killed." Ye Xuan reminded me.

"Well, I will let you go, but I will follow you!" Mo Ziyun still compromised, and he really didn't dare to gamble.

"Sovereign, you can follow, but keep a distance of 500 meters with me. Don't try to get close, I feel it is a good example." Ye Xuan once again reminded.

Moziyun paused. Indeed, Ye Xuan's reaction was very quick. It seems that he was discovered very early, so Lin Xueer was given a poison.

"Humph!"

After Moziyun snorted, it disappeared into the night.

Ye Xuan closed his eyes and touched him. He said: "The sovereign, you are only two hundred meters now."

Hearing this, the Mozi cloud two hundred meters away is also backing up some, about five hundred meters.

At the same time, he also secretly said: "Why can this kid know my position?"

I am afraid that he cannot figure this out.

After the departure of Moziyun, Ye Xuan also went over and took over his own stagnation, and then said: "Don't want to die, close your eyes, I will give you a buffer to dissolve the drug. <>"

Lin Xueer was slightly angry, but she still closed her eyes. Then, Ye Xuan took out some herbs, took it out and took it in, and then exchanged a medicinal medicine from the phagocytic system.

"Well, there will be nothing in half an hour." Ye Xuan lost the drug.

"Are you really poisoned?" Lin Xueer was unbelievable. Her former fiancé actually poisoned her.

"You are not my fiancée now,

Do you think that I am scaring you?" Yan Xuan snorted, then turned around and left.

Lin Xueer glared at him and followed him up.

This time the crisis, Ye Xuan is also a perfect solution, not only that, he also made a lot of good things.

Fang Cai Lin Xueer's Qiang Kun ring, in addition to those earth and six yuan Dan, there are two thousand brilliant spar, and a lot of cultivation resources.

The Sovereign, really good, proper local tyrant!

However, Ye Xuan did not directly devour it. Anyway, he knew that it was impossible for him to be promoted to a human being, and he simply kept it.

Although the crisis has been lifted, Ye Xuan continues to hurry. After all, he must go back to Lingxiaofu before they reach the elders, otherwise the Song Dynasty will definitely be worried.

His speed is very fast, which is not a problem for Mo Ziyun.

However, Lin Xueer will not work, and her Dan Yuan cannot maintain her martial arts for a long time. In desperation, Ye Xuan stopped to rest and gave her a poison every half hour.

In the end, Mo Ziyun felt a little annoyed, just as there was a Tianlei Hawk passing by in the sky. Therefore, they flew directly to Lingxiao House by Tian Leiyang. <>

When they arrived in Lingxiao, it was already ten days. After all, they are slowing down. The elders are coming back with the river.

When the Tianlei eagle landed, the entire Lingxiao House was also alarmed. After the elders of the elders Zhou Yan and the head of the Lingxiao House heard about it, they also rushed out to meet.

"Ye Xuan?"

After seeing Song Taijing, who was behind the elders of the elders, he also rushed forward and gave Ye Xuan a big hug.

"Stupid girl, crying." Ye Xuan hurriedly whispered.

Song Taijing suddenly let go of his hand and stared at the big eyes: "I didn't cry?"

"Uh....."

Ye Xuan is awkward.

Lin Xueer on the side saw the Song Dynasty after the Song Dynasty, and also frowned.

The face of the Song Dynasty was not under her, and she was tall and sturdy, more mature than her.

The most important thing is that Ye Xuan actually glared at her waist in front of so many people. Doesn't this indicate the relationship between the two people?

Ye Xuan also suddenly remembered

Get up and introduce: "The Bible, let me introduce you, Lin Xueer, once told you."

Before that, he also told the Song Dynasty that he was retired, so the Song Dynasty was naturally no stranger.

"Hello there."

The Song Dynasty politely said hello, but the bright eyes were subconsciously revealing a proud look. <>

Lin Xueer could not see it. She politely nodded her head. Although she has nothing to do with Ye Xuan, she still has some discomfort.

After Ye Xuan was remarried, he not only took off the hat of waste, but also became a super genius. It was accompanied by such a perfect girl of Song Dynasty. This counterattack has become very obvious.

"Well, you have already returned to Lingxiaofu, should you hand over the antidote?" Moziyun turned and asked.

Ye Xuan directly took the Song Dynasty and walked to the elders on the side of the elders. "Is the antidote? What antidote to poisoning?"

"You play me?" Mo Ziyun immediately angered.

"Lin Xueer is also my distant relative, I am not so poisoned, the poison is fake, the buffer antidote is also fake." Ye Xuan shrugged helplessly.

This one answered, but Moziyun and Lin Xueer were very angry. On the way to Lingxiaofu, they almost always counted the time, for fear that they accidentally exceeded half an hour, which led Lin Xueer to die.

I did not expect that the poison turned out to be fake.

"You bastard, and use that trick?" Song Congjing reacted, and Ye Xuan once held her.

"Not too much, you were really poisoned that time, this time no." Ye Xuan raised an eyebrow and said: "She is the land of Dan, my poison is not good."

The voice just fell, Ye Xuan suddenly found out that the Song Dynasty was actually a small man.

"Oh."

After hearing the three words of Di Dan, the Song Dynasty is also a bit stunned. Her age is one year older than Lin Xueer, but the realm is two levels worse.

She was compared to Ye Xuan's former fiancée, which made her a little depressed.

However, Lin Xueer in front is secretly happy.

At this time, the elders are too open.

"Mu Zongzhu, since you are here, why come in and sit down?" The elders showed a smile.
