Chapter 262: Cooperation

Moziyun hesitated a bit. In fact, he didn't want to come to Lingxiaofu. However, the lapis lazuli did not know where to go. Lingxiaofu certainly would not stand by, so he wanted to cooperate this time.

At the moment, the elders of the elders are taking them away. Of course, Ye Xuan, who is an eyewitness, has also been taken along with Song Congjing and Lin Xueer, as well as Lin Biao, the head of Lingxiao House.

They came to the Lingxiao Hall at the peak of Lingxiao House, and then sat down one by one. The elders of the elders, Zhou Yan, and the head of Lin Biao sat in the first seat. Ye Xuan was sitting face to face.

The next thing to discuss is naturally to find the big lapis lazuli, but the distribution has become a problem.

Lin Biao and Zhou Yan have also learned from the mouth of the river that they have passed through the mouth. If they follow the contribution, Ling Xiaofu must get at least 80%.

However, Moziyun naturally did not do it. He said that for this lapis lazuli, he also died a disciple of the land, that is, Wang Chuanshan.

The two people were very noisy, and Ye Xuan and Song Zong were helplessly talking about whispering, Lin Xueer also closed his eyes and did not say anything.

They arguing for more than ten minutes, and then they stopped. The intensity was so great that Ye Xuan thought it would be done.

In the end, they decided to look for the lapis lazuli together. The distribution was 60% of the Lingfu House and 40% of the Yuanyuanzong.

After that, Mo Ziyun and Lin Xueer lived in Lingxiao. And Ye Xuan, also returned to his yard to rest.

At this time, he is also very clear that the lapis lazuli can not be swallowed.

However, if he really finds it, he will definitely come. After all, he is a refiner. Even if he does not build a heavenly device, he will incorporate a little lapis lazuli when he builds a middleware or a top grade. The strength of the weapon will be higher than normal. high.

However, the best option is to swallow.

In short, first find the lapis lazuli and say.

.....

This time, Ye Xuan left, and there were more than 20 days. In these 20 days, Song Congjing raised a level, which made him very surprised.

After returning to the yard, Ye Xuan asked: "The menstruation, you just broke through, how can you break through again? What is the name of the martial arts level that the elders passed to you?"

"There is nothing in the middle school level martial arts. I practiced so fast because I was with my brother. This is what we discovered recently. As long as we both practice the same method in one room, the speed will be faster. Moreover, he will have fever all over the body, and I will have frost on my whole body..." Song said.

"A fever is a chill?"

Ye Xuan whispered, and said in his heart: "Isn't that physique like yin and yang, water and fire?"

He didn't quite understand, after all, he knew too little, but it was a good thing for the brothers and sisters of the Song Dynasty and the Song ruling.

"Okay, go to rest, and go to Tianyuanzong together tomorrow." Ye Xuan yawned. In the past few days, he had not slept many times, and he was dragged up once in half an hour.

After the Song Dynasty hesitated, he said in a subtle voice: "Hey, let me accompany you?"

"What?"

Ye Xuan feels that he has got it wrong and sleeps with me?

This is real?

"Haha, it seems that you are ready for your heart." Ye Xuan shook his eyebrows and laughed.

"What are you thinking about, just just together, don't want to do anything else." Song Congjing blushes with a red face.

"Row!"

Ye Xuan promised very refreshingly, and then he rushed to the Song Dynasty and rushed to his room.

Although I can't do anything else, I am lying on a bed together, isn't it?

Song Chong lie down sideways, facing Ye Xuan, not forgetting to remind: "No turmoil."

Ye Xuan pretended not to hear, and reached out to the back of the Song Dynasty to pull her into the arms, holding her waist in one hand, said: "Do not move, just sleep like this."

"Ok."

Song Zongjing saw Ye Xuan's hand is still honest, and there is no more control.

In fact, Ye Xuan understands that the reason why the Song Dynasty was arbitrarily posted today is probably because of Lin Xueer.

.....

Yesterday, Tianzong Zongzhu Moziyun came to Lingxiaofu as a guest, which also aroused the attention of many people.

On the same day, after the elders of the elders, Zhou Yan and Mo Ziyun, discussed it, they told them to tell the disciples and elders of every god.

If you add up all the powerful people in Lingxiao, there are more than 60 people, although it is a little less than Tian Yuanzong, but it is also very good.

The next day, these disciples and elders got up early and waited at the designated location. For the first time, they saw this large-scale group event.

Ye Xuan, who hadn't had eyes many times in a few days, woke up.

However, after he woke up, he found that his right hand was numb, and his left hand was in a place, not his own pants, but in the shirt of the Song Dynasty.

"I rubbed it, and I stuck in it without knowing it. It was a big loss."

Ye Xuan quickly glanced at him and found that the beauty in his arms was still asleep, and he quietly extended his hand.

But the next moment, the beauty suddenly opened his eyes, looked up and his eyes were on.

"You are a bad guy, sleeping at night is not so honest." Song cuts a small red face, pretending to be angry.

"This can't blame me, who makes you tempted here?" Ye Xuan snorted and licked her head, and gently on her rosy lips.

Song Dianjing sat up directly, and after a comfortable stretch, he began to take care of his clothes and hair.

Ye Xuan lay quietly, and suddenly there was a word in his mind: looking at the side of the mountain into a peak.

High, it is high!

"Look at what, get up, just now someone is knocking at the door." Song Congjing said while finishing.

"I haven't seen you for so long, I still don't want to see more."

Ye Xuan sighed, and also got up.

They began to wash, and after the two were ready, there was just one person knocking at the door.

After Song Cong went to open the door and saw it, there was a bit of hostility in the double eyes, but on the surface he still smiled: "It turned out to be you."

Ye Xuan, sitting in the courtyard, turned his head and saw that his former fiancée Lin Xueer came.

"Are you ready?" Lin Xueer looked at the two.

Ye Xuan stood up and said: "I said Cher girl, it seems to be the Lingxiao House, how do you feel like you are the master?"

"Less nonsense, get ready when you are ready." Lin Xueer's face suddenly changed.

Ye Xuan was shocked, thinking that this girl must be because of his temptation. However, the three words of nonsense, why do you sound so familiar?

"Snow girl, is your word a bit wrong? Ye Xuan is now my fiancé, you yell at him in front of me, are you ignoring me? Although I may not beat you, but here is not your Tianyuan. Zong." Song Congjing asked some angry geological.
