Chapter 263: Green land

Upon seeing it, Ye Xuan quickly went over and pulled the Song Dynasty to his side. "Nothing. When I avoided the pursuit, I tried to say it many times. Forget it."

After all, he suddenly thought that the Song Dynasty was his fiancée, and Lin Xueer had nothing to do with him.

In this case, you should help the pro.

Therefore, he continued: "In addition, Cher, you yell at me in front of my fiancée, I am embarrassed, this time, if there is another time, don't blame me for being ruthless, don't say I see it at the time. Uncle's face is on his face."

"Do you think that your trick still works?" Lin Xueer asked.

"The eight wild earthquakes, the sword can only be used once for one person, but my cards are used to kill people, not to catch people. If you really want to play a game, you can try it now, which time? Don't blame me if you lose something." Ye Xuan said calmly.

The sound explosion of the eight-day-shocking Tianjian can only be used once, and the second time the other party will have prevention.

However, with his extraordinary shooting speed, Lin Xueer can be cut into two halves several times. If he adds eight wild winds, Lin Xueer can already die several times.

"Hey, come out, just wait for you two." Lin Xueer turned black and turned away.

"You said so embarrassed, is it a little over?" Song Congjing looked at the back of Lin Xueer's departure and couldn't help but ask.

"When I was waste, I was very good at killing the water dog. I was very vengeful. And, the most important thing is that she still ignored you. Now you are my fiancée, this is absolutely unbearable." Ye Xuan explained.

After listening to it, Song Congjing was also very happy. A little villain smugly squinted at Ye Xuan's face.

"Well, our women's things are still solved by themselves. When someone is there, you still have to give her some face."

After the Song Dynasty was finished, he took the arm of Ye Xuan and went out.

I was too shy to announce it before, but now I am afraid that the whole world does not know that Ye Xuan is her fiancé.

Ye Xuan's heart said: "A woman who is jealous and jealous is terrible. Fortunately, Lin Xueer has nothing to do with me, or she really wants to fight."

At this time, outside the Tianzhifu, there are already dozens of figures gathered, not only that, but the sky is even more black, all of them are Lingxiao Dapeng, the number seems to have nearly one hundred.

Lin Biao, the head of Lingxiao House, Zhou Yan, the elder of Taishang, and Mo Ziyun, the emperor of Tianyuan, have been waiting there.

When I saw three figures coming slowly, the elders of the elders quickly said: "You kid, every time you are the slowest, come over."

Ye Xuan heard the words, hurriedly ran over, and then jumped on the back of a Ling Xiao Dapeng.

Song ruling saw Ye Xuan jump up, hurriedly said with a smile: "Sister, brother-in-law, to be temperate."

"Brother, what do you say?" Song cuts his face is still a little thin.

"Ha ha."

Song ruling Chong Ye Xuan shaking his eyebrows, the two smiled and smiled

"Get up!"

At this time, the elders and the elders screamed, and then these smashing Dapeng was vacated.

This time, in order to find the lapis lazuli, Lingxiao House is also a nest. Although Lingxiao House is empty, there is still a super strong person sitting in the town, so Zhou Yan and Lin Biao are not afraid.

Yesterday, they had already negotiated with Mo Ziyun. Ling Xiaofu went out to Ling Dapeng and added 60 people. Tianyuanzong's Tianlei eagle is small, so there are more disciples.

The two sides are just complementary, which is not bad.

Ling Xiao Dapeng began to fly to the south, such a huge team, but also the spiritual beasts on the way to retreat.

Before the elder elder Zhou Yan took Ye Xuan to a dozen people to go to Huoyang Dongfu, it took half a month, this time they are advancing at full speed, but arrived in advance.

After the disciples and elders of Tianyuanzong saw the hundreds of Lingxiao Dapeng, they suddenly became chaotic, and they thought that Lingxiao House had come over.

Fortunately, Moziyun appeared in time, otherwise things will be big.

In less than an hour, Moziyun recruited a lot of masters of the gods, and there are hundreds of them.

Tian Yuanzong, it is worthy of Tian Yuanzong, the strength is much stronger than the Lingxiao House.

Then, Ling Xiaofu gave up a lot of Ling Xiao Dapeng, and then they flew together in one direction.

According to Mo Ziyun, there is a place in the vicinity of Tianyuanzong called the green land. The green geese who killed Wang Chuanshan must have lived there.

This green land, in fact, has not been visited by Moziyun, because this is a forbidden place in Tianyuanzong. Tianyuanzong had a strong person in Tiandan several hundred years ago. Later, he died in this green. In the land of secluded.

It can be seen that Mo Ziyun and Zhou Yan are in what kind of mentality they are holding, and they can also see the value of that piece of lapis lazuli.

"It seems to be dangerous in the green land."

On a Ling Xiao Dapeng, Song Ting said with some worry.

"Should, even the strongest people in the heavens and the earth have fallen, and there will definitely be a mysterious beast in the sky."

Ye Xuan nodded.

However, the emperor Mo Ziyun of Tian Yuanzong and the elder elder Tian Tianlang are both Dacheng Dacheng, and Zhou Yan and Lin Biao are also the same.

The super-powerful of the four great land Dacheng Dacheng, to deal with a mysterious beast of the Tiandan, is still not a problem, even if the Tiandan Xiaocheng can also fight.

Of course, if there is a mysterious beast in Tiandan, then run it.

The reason why they have the courage to come in is because they are riding Ling Xiao Dapeng and Tian Lei Ying. After all, the mysterious beasts in the air are still relatively few.

At this time, suddenly there is a mysterious level of Ling Xiao Dapeng flew over.

"Ye Xuan, come over."

The voice of the elders of the elders came over.

Ye Xuan turned his head and saw that the masters of the two sects were there, including Lin Xueer.

"Cut, big brother, I used to glimpse." Ye Xuan turned his head and said that he jumped directly over the tens of meters.

"Hey, this kid's physique is really unusual. If you break through to the land, you might be better than me."

The speaker is the elder of the Tianyuan Emperor, Yi Tianlang, not only the realm of Dadan Dacheng, but also a master of refining, which is the strongest of Tianyuanzong and Lingxiaofu.

Ye Xuan jumped on this Ling Xiao Dapeng and suddenly felt a huge pressure on the stock.

There are eleven people on this Lingxiao Dapeng, four in Lingxiao, and seven in Tianyuan, all of whom are strong in the territory.

And he is just a small man.

"Taiwan elders, shouting me over what to do?" Ye Xuan asked directly.

"No big or small, don't think that there is Ye Chong that kid can support you." The elders screamed.

Now, these people are already knowing that Ye Xuan's embarrassment is a super master of the gods and four worlds. Then Moziyun learned that after a while, he was afraid. Fortunately, he did not do anything to Ye Xuan. Otherwise, if Ye Chong is back, Tian Yuanzong is sure. To be destroyed.
