Chapter 282: Kill it!

"What happened?" Ye Xuan rushed to Lin Xueer's side and asked strangely. At the same time, he swept the people around him. The next moment, he was also moved.

Didan is a small success!

Among the five people around, there is actually a warrior who has a small land in Xiaodan, and the other four are also in the first place.

"Oh, there are still companions." A young man who laughed extremely wretchedly said.

At the same time, he is also the warrior of Xiaocheng in the land of five people. However, his age seems to be thirty-five years old, twice as big as Lin Xueer.

Lin Xueer ignored him and looked at Ye Xuan with a dignified face: "I am chasing the black wind bird and suddenly I was intercepted by them."

"Little girl, you are not right, we are resting here, are you coming in yourself?" The wretched youth smiled.

"Then why don't you let it open?" Lin Xueer asked.

"Why do we want to let?" The wretched youth blurted out.

At this time, Ye Xuan suddenly said: "You, you said what you want to do."

"Brothers are really refreshing, I see you as you are, why sit down and talk about life?" The wretched youth smiled.

After listening to it, Ye Xuan also understood instantly.

What happened to it, is it right to see Lin Xueer?

Lin Xueer is not stupid, naturally understands, immediately angered: "If you don't want to die, let it go!"

"Oh, great temper." The wretched youth said coldly: "I will not let open, little girl, do you try?"

When the voice fell, the five people took out the weapons at the same time, and some people were already dreaming of certain scenes.

The middle-aged man among the five suddenly said: "Big brother, this kid is for me?"

"Haha, ok, I know that you like the little white face of fine skin and tender meat. This kid is handed over to you." The wretched youth laughed a few times.

Hearing this, Ye Xuan and Lin Xueer shuddered in unison, and the former was subconsciously stepping back.

Unexpectedly, I encountered a glass here, still an old man, this can not bear.

"So, you are not allowed to open?" Lin Xueer doubled, and finally asked again.

"Little girl, I have said this, what do you think we want to do? If you swear, you will only teach you how to be a woman, if you resist..."

The words of the wretched youth have not been finished, Lin Xueer can not help but shot.

A big battle broke out instantly.

As for Ye Xuan, he stood quietly. This time, he decided to give Lin Xueer.

"Hey, boy, you know the time." The middle-aged man smiled and walked out.

Ye Xuan made another excitement, and the middle-aged man made him goose bumps all over his body.

"A good woman doesn't like it, go to a man, don't mess with me, or you will die very badly." Ye Xuan reminded me.

Unexpectedly, the middle-aged people not only did not retreat, but instead took a step forward, saying: "Enough, I like it. It seems that you look like you have a body. It happens, I have it, we can..."

"call out!"

"puff!"

Han Mang flashed, directly into the middle-aged man's eyebrows, then, he fell backwards on the floor, the eyebrow of the blood hole began to madly blood, and instantly killed.

"Sorry, I only like women." Ye Xuan shook his head helplessly.

On the other hand, Lin Xueer has already played a few rounds with the four people. The former is the first genius of Tian Yuanzong, but it has some strength.

However, what makes Ye Xuan strange is that these people are all in the land of Dan, and there are also Chinese goods, which seems to be a big family in Zhongzhou.

However, this is not an egg.

Although Lin Xueer is only a small land, but her strength is still above the wretched youth. Even in the face of four people, she can handle it.

"Oh!"

Suddenly a crisp sound spread, an arm was thrown up, is one of the arms.

All four were a glimpse, and one of them looked down and found that his arm was cut off.

"Good, the strength of the kid is also unfathomable, back!"

The wretched youth knows that he is kicking on the iron board, and immediately shouted: "Go!"

The other three heard the news and it was also an instant burst.

"Want to go?"

Lin Xueer hurriedly chased him up.

As for Ye Xuan, the middle-aged man was taken out of the ring and then followed up.

Lin Xueer was trying to kill him. In less than half a minute, he killed the three first-time landlords. Moreover, she did not even accept the Qiang Kun ring, directly chasing the wretched youth.

Therefore, the three Qiankun Rings are cheaper than Ye Xuan.

However, the wretched youth is very fast, and it is three points faster than Lin Xueer. In the blink of an eye, the distance is opened.

Ye Xuan saw Lin Xueer being pulled away, but also asked to follow up: "Would you like to help?"

"Don't!" Lin Xueer replied firmly.

At this point, the two people have already opened the distance of two hundred meters, and they are still increasing. Even if Lin Xueer is given a day's time, I am afraid I can't catch up with that person.

"Are you sure? Don't seem to have a big city in front. If he escapes, it will be troublesome." Ye Xuan asked again.

"I want to kill him personally!" Lin Xueer is still a firm tone.

"You are not right, you can not kill, just come by me, a land of Dan Xiaocheng's net worth, still very rich." Ye Xuan a pair of preaching.

"No, I have to kill him by hand, you don't want to shoot!"

Lin Xueer simply ignored it.

On the surface, she is very angry, but she actually wants to prove her strength in front of Ye Xuan.

However, Ye Xuan did not know, he shrugged helplessly. "Okay, okay, it will follow you."

Anyway, he has already got four ring-and-stones, and it is not a harvest.

Soon, the wretched youth escaped a few kilometers away and then disappeared into the eyes of both.

"You still have a chance, I can help you get him back."

Finally, Ye Xuan still couldn't help but ask.

"Don't!" Lin Xueer still answered the same question.

Ye Xuan also gave up, Lin Xueer has a temper, willful, he has no way.

"Well, four Qiang Kun ring, these three are yours." Ye Xuan directly lost the spoils.

This time, Lin Xueer did not refuse, and received it.

Ye Xuan looked at his own one, and after seeing the things inside, he couldn't help but shudder.

There are ghost things in it, leather whip, candle, cockroach, and there is a mold for an organ.

The middle-aged man is really all-in-one, both offensive and defensive, this is a **** man.

Ye Xuan quickly dumped the useful things into the swallowing space, and then swallowed the whole box.
