

## Super D. S 288

### Chapter 288: Chasing

The two quickly left the city's main house, and then chose the nearest one to leave.

The only blow was that all the Dan Yuan in Ye Xuan's body was exhausted, and even the eight wild winds could not be used, so they could only escape.

Otherwise, it can be broken again in one day, and it is possible to kill the middle-aged person.

The home of a strong Tian Dan is definitely a lot of money.

Unfortunately, I have missed the opportunity. If there is another time, the other party will definitely make a full effort. It will not be a small one. At that time, the chance of his survival is less than 20%.

After leaving the city, Ye Xuan was quickly treated for Lin Xueer. By the way, he recovered himself. Then they went in one direction.

Originally they thought that things could be very simple, just let the news of the Luyuan giants be sent out.

Now it seems that the Guangjin City Master must not know, otherwise, the Luyuan Giants will have nothing to do with the two sects of Tianyuan and Lingxiao.

.....

After killing Pang Xing, Ye Xuan also took Lin Xueer to the road of one night and then stopped.

Lin Xueer also stayed in Ye Xuan's arms for one night. After Ye Xuan put her down, she was still the wrong expression.

"You ran for one night, are you not tired?" Lin Xueer asked.

"Alright, I am a rehabilitated warrior, and my recovery ability is very strong." Ye Xuan explained slowly.

This is also thanks to the eternal blood, otherwise he really can't sprint all night.

Lin Xueer looked at him blankly. The speed of Ye Xuan last night was already exploding. It is estimated that it is more than Moziyun.

Immediately, her look was dimmed, because the gap between her and Ye Xuan was opened again.

"What happened to you?" Ye Xuan looked at Lin Xueer's look and asked curiously.

Lin Xueer heard the words, shook his head, hesitated for a moment and said: "I just have a question to ask you."

"What problem?" asked Ye Xuan frowning.

This time, Lin Xueer hesitated for a while, then said: "Do you hate me?"

When I heard this question, Ye Xuan was also a sigh, and said: "Why should I hate you?"

"Don't you hate me?" Lin Xueer blinked.

"Do you mean the marriage contract? Retired and retired, I hate what you do, and, thanks to the two giant Ling Dan who had been in the elders, I am still afraid of a waste." Ye Xuan smiled.

Indeed, it was the gathering of Ling Dan, let him activate the phagocytic system, or he may still stay in Lianyun City now, no, maybe it is in which town to live quietly.

"Really?" Lin Xueer did not believe.

"Crap, if I hate you, I will definitely slap you when I first see you." Ye Xuan nodded seriously.

"you....."

Lin Xueer was suffocated by this sentence. However, although this statement was somewhat heavy, it also solved her heart's dead knot.

Originally, she wanted to go back to Lianyun City and put on a high-profile attitude, let Ye Xuan remember her, so that Ye Xuan would be better.

But what she did not expect was that Ye Xuan actually came to Tianyuanzong, and even her means was shocked.

Afterwards, Ye Xuan grew up a little bit. By now, Ye Xuan has already left her behind. She thought that Ye Xuan would start to sneer, but Ye Xuan never mentioned the paper marriage contract.

Now, this knot is finally open.

"I will take a break for a while, and I will continue to hurry. I will go to Shenzhou City first." Ye Xuan said, just sit down and start to close his eyes.

Although he was far from the city of thorns, he still had a little bit of anxiety in his heart. In order to prevent it, he decided to rush to Shenzhou City overnight.

"Yeah." Lin Xueer nodded slightly.

Ye Xuan slept for about fifteen minutes or so, then woke up and almost started to hurry.

"You don't sleep much?" Lin Xueer saw it and said it.

"No, I always feel something will happen. Let's talk to Shenzhou City first." Ye Xuan shook his head and walked over.

Lin Xueer did not refuse, let Ye Xuan pick it up.

However, it is at this time.

"Hey!"

The black lacquered night sky suddenly sounded a humming sound. After Ye Xuan and Lin Xueer heard it, they couldn't help it.

Then, Ye Xuan sensed that a bird had entered his range. It didn't matter. The important thing is that there are two figures on the back of the bird.

One is a person, and the other, it seems a bit like a dog.

"Lin Xueer, and the kid who killed the little city owner, I know that you are here, give it to me!"

A giant python fell into Ye Xuan's ear. He glimpsed it and immediately responded. Isn't this the voice of the middle-aged man who had met in the former capital of Guangjin City?

"Impossible, how did the other party catch up?"

Ye Xuan exclaimed, he checked it over and found that he had the other side's Dan Yuan on his clothes.

"Damn, I didn't even find out, it's a pig."

He yelled at himself in his heart, and then he said to Lin Xueer: "You are hiding here, I will lead him to see if he can kill his mount and wait for you to meet."

He has already checked it. Lin Xueer's clothes don't have Danyuan in the sky, so don't worry.

If you want to escape this robbery, one is to erase the other side's Danyuan, and the other is to kill the other's mount.

However, Ye Xuan is thinking of the third, killing each other!

"Then you be careful." Lin Xueer said with a look of concern, she knew that she could not help now.

"You look at it here. If there are other people coming, you will go to Shenzhou City yourself and then post a notice at the door. As for me, I will have a lot of ways to get out and remember." Ye Xuan said, Directly entered the darkness.

This forest is not big, Ye Xuan can pass through as long as ten seconds. If he wants to kill this Tiandan strong person here, then he can't be hard.

"If you do hard work, I can't do you, but my means are definitely beyond your imagination. Fog, get up!"

Ye Xuan hands quickly printed, in the blink of an eye, the entire forest is a thick fog.

"Well? Is it foggy?"

The middle-aged man in the sky frowned and shouted: "The kid, let's smash it, otherwise I will burn this forest."

But his voice has not yet fallen, that is, there is a cold mangling into the sky.

"Hey!"

When the middle-aged man slammed out, he defeated the arrow. At the same time, he also found the approximate location of Ye Xuan.

"It's here, give me death!"

The middle-aged man screamed and jumped directly from the height of a hundred meters, and then took a palm, and immediately there was a huge energy palm.
