

## Super D. S 290

Chapter 290: China Alliance Alliance

"Not?"

Ye Xuan asked: "Do you know where he went? When will he come back?"

"This little is not known." The next man shook his head.

Ye Xuan is somewhat puzzled. This time I found a place. But I can't find someone. Can I not find it, but I have to go to the Wanshi Pavilion?

"Thank you!"

He nodded and then left. I don't know if Wanshige could find the exact location of Zheng Zheng.

After a while, Ye Xuan and Lin Xueer came to the Wanshi Pavilion again. Ye Xuan did not know much about Zheng Zheng, but Wan Shige was able to find Zheng Zheng's position.

"Zheng Zheng, now in Tiandang Mountain?"

Ye Xuan looked at this piece of sheepskin and stunned it.

Tiandang Mountain seems to be a dangerous place in the territory of Shenzhou City. It is said that there is a mysterious beast in Tiandan.

It seems that Zheng Zheng was practicing there.

After leaving the MasterCard, Ye Xuan was to Lin Xueer: "First find a place to settle, then I will go to him, you are in Shenzhou City, etc., be careful."

"Ok."

Lin Xueer nodded, she also knows that if she followed, she would make Ye Xuan very inconvenient and only dragged Ye Xuan.

At the moment, the two were looking for a place to stay, and then Ye Xuan left the city of Shenzhou.

Tiandang Mountain is located in the north of Shenzhou City. Ye Xuan is estimated to be able to arrive at his speed in about one day.

"This Zheng Zheng is in a cave in Tiandang Mountain. It should be cultivation. This is a magical thing, it is amazing, is it amazing?"

Ye Xuan is very surprised. This Wanshie really is something that can be done. Even the position of a person who is practicing outside can be accurately known. I don't know how to do it.

One day later, Ye Xuan entered the Tiandang Mountain.

This sky is very big and seems to be bigger than the entire Lingxiao House. It is a fantasy to find someone in it.

However, the location given by the Wanshi Pavilion is very precise, just in a cave in the western part of Tiandang Mountain.

After entering Tiandang Mountain, Ye Xuan is flying straight out. Here is a place suitable for leveling. There are many birds and beasts, at least all of them are in the land, so Ye Xuan's mood is very pleasant. The idea of sweeping the mountains.

But now, I still have to find Zheng Hao to say it again. After all, the specific location given by Wanshige is already a day ago.

Soon, Ye Xuan found the cave according to the location given by the Wanshi Pavilion.

However, this cave is empty.

"The bonfire, the temperature, and the leftover meat, it seems to have just left."

Ye Xuan frowned, but it was all around, and it was a subtle footprint.

He followed the footprints and began to sense the surroundings to see if he could find someone.

However, at this time, the mountain suddenly sounded a huge roar, and a variety of booming sounds.

"It is someone who is fighting the mysterious beast. It should be that Zheng Zheng."

Ye Xuan reacted in an instant, and the person who was able to enter the Tiandang Mountain experience was absolutely extraordinary. Before he asked the Wanshige to check the position of Zheng Zheng, he did not check other information.

Therefore, he estimated that Zheng Zheng may be a small warrior of Dacheng and even Dacheng.

At the moment, he rushed in the direction of the source of the sound.

When he came out of the forest, he found that there were four figures flashing on the open space in front of him.

"The three mysterious beasts in Tiandan are heavy?"

After seeing the figure of the three figures, Ye Xuan is also a slight glimpse.

At this time, the three gold squads are besieging a young man with a long sword, and the situation is fierce.

"Zheng Zheng? No, one person singled out the three mysterious beasts of Tiandan, is this really coming out of the Lingxiao House?"

Ye Xuan can't believe it.

The second reward of the list of days is just that Da Ren has become a great man. Recently, the refining of the mysterious beast has broken through to the land.

Therefore, Ye Xuan does not believe that the young man in front of him is Zheng Yi, the leader of the China Alliance.

However, he seems to be a bit incapable of seeing this young man. He immediately shouted: "Do you need help?"

The young man heard the words and responded: "These three are just the mysterious beasts of the heavens. They are powerful and the defense is amazing. You should be careful."

It seems that he needs help.

"What about the amazing defense?"

Ye Xuan smiled slightly, and took out the long bow directly from the ground. It was an arrow.

Zhongpin-level martial arts, broken soul arrows!

call out!

The arrow smashed out and shot on the back of a golden scorpion, but the defensive defensiveness of the gold was indeed amazing. This arrow just broke a small blood hole.

The gold smashed suddenly and was injured. He turned his head and glanced at Ye Xuan. Then he turned his head and continued to attack the young man.

"The defense is amazing, then try this bow again."

In the heart of Ye Xuan's thought, he suddenly took out a new bow and arrow and went to the top.

call out!

The only one who did not care about it was that he was directly shot by the arrow. This time, his head was directly pierced and instantly killed.

"The top grades plus the middle-class martial arts, there is also an arrow to honor the blood, killing you easily."

Ye Xuan's heart was cold and cold, and when the golden smashed down, it was another shot.

"puff!"

Break the soul arrow and break the soul with one arrow.

The second gold 猿 did not respond, it was a headshot.

The third gold smashed to see the death of two companions, and immediately it was a spark, ready to rush toward Ye Xuan.

But at this time, the young man suddenly jumped up and a sword swept over its head. A skull flew out and fell to the ground, blood splashing on the spot.

"Top grades, top grade martial arts?" Ye Xuan suddenly looked out.

This young man, I am afraid that the identity is very unusual.

"Xuan beast is a mysterious beast, even if it is a heavenly environment, it is much better than human beings." The young man sighed, and it was against Ye Xuandao: "In the next Zheng Zheng, thank the brothers for helping."

Ye Xuan's three arrows explode the heads of two Tian Dan Jing Jin, which is enough to prove his strength.

"Zheng Zheng?"

After Ye Xuan heard the name, the dawn was also a flash, and it was really the right person. However, the name is right, but the strength is not right.

"In the next leaf Xuan!" Ye Xuan is also respectful and clenched.

"The two golden scorpions are killed by Ye Xiong, and the corpse should be returned to you." Zheng Yu first collected the golden corpse that he had killed himself, and then said to Ye Xuan.

Ye Xuan walked cautiously, although he said that Zheng Zheng may be the person he was looking for, but now there are three gold-heavy bodies, three mysterious beasts in Tiandan, and the other party will suddenly start with him. What?

His face was calm, but his heart was always guarded, and then the two golden corpses were directly received.

He turned his head and found that Zheng Zheng was still a few meters away, watching him quietly.
