Chapter 291: Shenzhou City

"This is a golden slogan. I have been looking for it for a long time. With this mysterious beast, I can already break through to the heavens. Thank you, Ye Xiong."

Zheng Xiao thanked again.

"The road is not flat, and the knife is helping." Ye Xuan smiled.

The body of the two heavenly sacred beasts is definitely worth more than the middle-aged man's body. It is a big profit.

"Ye is so young and so powerful, I don't know which city to come from?" Zheng Zheng asked subconsciously.

"I am not a Zhongzhou person. I came from Lingxiao House in the Eastern Region." Ye Xuan answered slowly.

When the words "Ling Xiao Fu" fell into Zheng Xiao's ear, it also shocked him.

How can a disciple of Lingxiaofu have the power to kill the Heavenly Beast?

Even if you are too elder, it is impossible.

"Since it is a disciple of Lingxiaofu, then you can know which five forces are in Lingxiaofu?" Zheng Zheng asked with some suspicion, but his heart was very strange because there was no need to pretend to be a disciple of Lingxiao.

In Zhongzhou, if you just leave a city, you can compete with Lingxiao.

"Four dynasties, plus the Alliance of China, Brother Zheng, I am also a member of the China Alliance, recommended by Jiang You brother." Ye Xuan simply opened the door and said.

This time, Zheng Zheng was even more surprised. He thought about it for a moment, and finally laughed: "You have already recognized me. I should have gone to the Wanshi Pavilion. I came to see me. I didn't expect it. Ling Xiaofu was able to get out of such a genius."

"The brothers have won the prize. This time the younger brother came here, there is something important..." Ye Xuan said, just to say what happened recently.

"What, the big lapis lazuli, swallowed by the giant of the green source?"

After Zheng Hao listened, he was shocked.

"The elders and the heads of the elders let me come over this time, just want the brothers to pass the matter out, and then work together to annihilate the Luyuan giant who is at the peak of the Tiandan." Ye Xuan nodded.

"This....."

Zheng Xiaoton paused and said: "This matter is very important. Even if the whole Zhongzhou is put together, the value may not be able to match the lapis lazuli. However, this lapis lazuli is swallowed by the Luyuan giant. I don't know now. How much is left..."

When he finished, he turned and asked: "Teacher, in addition to Lingxiaofu and Tianyuanzong, are there other forces to know?"

"Nothing." Ye Xuan shook his head.

Before Lin Xueer told the gods of the Yuan Yuanzong, Pang Xing, but Pang Xing had been killed by him, so now that Zhongzhou should know about this for three people.

"If this is the case, you only need to launch the strength of a main city to eliminate the green giant."
Zheng Yu slowly.

"Is the brother-in-law knowing the gods of the gods?" Ye Xuan asked curiously.

Zheng Hao nodded: "Yes, I know, and I am very familiar. It is not the opposite. The **** of the gods is my grandfather. The reason why I joined Lingxiaofu and formed the alliance of China is actually to dig the genius. If you want to come to Zhongzhou, you can join me in Shenzhou City."

"what?"

This one answer is beyond the expectation of Ye Xuan. Pang Xing, which he had seen before, is only the righteous son of the main city of Guangjin. However, the master of Lingxiaofu is the grandson of the **** city. .

Nima, is this the second generation to go to the country to experience life?

"If it is not too late, we will immediately return to the city of Shenzhou."

.....

Originally, Ye Xuan wanted to stay in the mountains for a while, but since Zheng Zheng was so attached, Ye Xuan could only go back.

After all, Tian Yuanzong has more Tiandan Jingxuan beasts. With his current strength, he can completely kill the mysterious beasts of Tiandan. At that time, he will upgrade the levers.

Two days later, Ye Xuan followed Zheng Zheng and returned to Shenzhou City. After Ye Xuan found Lin Xueer, he followed Zheng Zheng to the city government.

A study in the main city of Shenzhou City.

Zheng Shuohai, the **** of the city of Shenzhou, is discussing some things with his son, Zheng Yu, the deputy city owner of Shenzhou City.

"The son of Guangjinchengcheng died. The old guy actually sent the wanted order to us. It was really a joke. Last time he robbed me of a Moyang steel mine in Shenzhou City, I still wanted to help him post a notice. ?" Zhengzhou City, the master of Zhengzhou, said coldly.

"Father, I have heard about this. However, I just got the news. The old guy is gathering secret masters. I don't know what to do?" Zheng Yu asked curiously.

Zheng Shuohai said coldly: "This old guy is really amazing. He even sneaked to other territories to do some unspeakable activities. I really want money to be crazy."

"Do we want to tell the news to the Air City?" Zheng Yu asked again.

"No, let the old fox get angry with the lord of the air, and then we will send out the news and let them fight in the two main cities."

Zheng Shuohai shook his head.

Just then, there was a sudden rush of footsteps falling into the ears of the two.

"Grandpa, father!"

Zheng Xiao's voice came in

"You, the child, still don't know how to ask for gifts. I am talking to your grandfather about things to be done."

Zheng Yu hurriedly went out and intercepted Zheng Hao. At the same time, he glanced at Ye Xuan, who was behind Zheng Zheng, and then looked at him a little. He was a bit strange. He felt that Ye Xuan and Lin Xueer were familiar.

"Father, I don't think there is anything important to do." Zheng Xiao hurried.

"Let him come in."

The voice of Zheng Shuohai came from inside.

Zheng Yu took Ye Xuan and Lin Xueer and walked into the study.

"You are not going to Tiandang Mountain, how come, find that gold is heavy?" Zheng Shuohai looked at Zheng Hao.

"Found, Nedan has also got it." Zheng Hao nodded and answered.

"Haha, well, I will help you refining at the time. After a long time, you will be able to step into the heavens." Zheng Shuohai smiled and smiled.

At this time, he turned his attention to Ye Xuan and Lin Xueer behind Zheng Zheng.

The next moment, his expression was changed, and two portraits were taken directly.

"Well? Guangjin main city wanted to commit crimes?" Zheng Shuohai was shocked.

Ye Xuan glanced at the ground and found a portrait in Zheng Shuohai's hand, which is similar to his eight points, while the other one is similar to Lin Xueer.

Zheng Zheng is also very surprised and asked: "Grandpa, how can you have a portrait of Ye Xuan?"

"A few days ago, the son of the Guangjin City Master was killed. The Guangjin City Lord passed the wanted order here, let us help him pay attention."

As for Zheng Shuohai, he turned his attention back to Ye Xuan and said: "Is it right, you two, killing Pang Xing?"

After hearing this, Ye Xuan's face sank, he did not expect to encounter such a thing, immediately was a vigilant, is already ready to escape.
