Chapter 296: breakthrough

"Oh, killing monsters is worse than killing, I will go too!"

Ye Xuan sneered, suddenly landed, rushing in that direction.

His speed was very fast, and he first came to the distance of the two major city owners, waiting quietly.

Sure enough, three figures broke into his induction circle.

He went around the three men and ambushed them. After the three men approached, they suddenly shot.

"Eight wild winds kill!"

The eight-handed blade was instantly smashed out, and the three Dajincheng's Dadan dynasty were severely fragmented.

Ye Xuan quickly picked up the three-person squadron and weapons, and then left.

The harvest of these three people is not bad, add up to the two mysterious beasts.

"Well? Come again, it turned out to be a heavenly environment?"

Ye Xuan, immediately, immediately laid the fog and echo array. Dadan is a big man, he can kill, but he must take it seriously.

At this time, the man who rushed toward the Tianyuan Dancheng Luyuan Giants frowned, and subconsciously said: "Who is the Spiritual Array?"

Although he is very surprised, he did not think much and went straight into it.

Here, there are only two people who are taboo, one is the Guangjin City Master Yuan Yibo, and the other is the Shenzhou City Lord Zheng Shuohai.

Other than that, he is not afraid of anyone.

He accelerated directly, thinking that if someone dared to come to him for trouble, he would kill it.

This person is the young man who is called Yangling son by Yuan Yibo.

"Snapped!"

Yangling son stepped into the echo matrix, and the next moment, there was a crisp sound on the side.

Someone!

"Take who you are, die!"

At the beginning of Yangling's son's insurance, a sword was thrown out and the target was split in half.

However, this is still the embarrassment that Ye Xuan used to sing the West.

"Huh!"

At the same time as he shot, Ye Xuan was offering a sword of eight wilderness and swept out. Yangling son reacted in an instant, and his hands lifted, blocking the eight-sword sword.

"Well? This is..."

The Yangling son was stunned and quickly protected his ears with Dan Yuan.

"Hey!"

A huge sound spread, and the entire Yangling son was shaken out, followed by a sharp cone.

"Top grade martial arts, cross the sky!"

Yangling son's right hand swiftly swept away, and a cross attack hit it in an instant, breaking the sky and breaking it.

"It's so strong, the strength of this person is not what I can now force, withdraw!"

Not far from Ye Xuan felt a bit, immediately recovered the eight wild swords, and then escaped.

If you can't hit it, you can see it immediately.

Ye Xuan did not think that this time he even kicked the iron plate, the other party reacted very quickly, and immediately used Dan Yuan to protect his ears, so that the eight ridiculous Tianjian had no effect at all, and then broke through the sky and broke through. Not what he can currently handle.

So, you can only run!

The Yangling son turned over and calmed down, and then quickly swept away from the place where the eight swords were combined, but he chased a section but found anyone.

"Oh, there is a bit of tolerance, let me catch you, you must peel off your skin!"

When Yangling's son snorted, he turned around and went to help Yuan Xiaobo solve Zheng Shuohai.

After he left, Ye Xuan came out from a dark shade.

"This person is so strong and so young, definitely not a person from Guangjin City. It seems that things are not good."

In the heart of Ye Xuan's heart, he disappeared and disappeared. He must break through as soon as possible and then help in the past.

Next, he met a team of three people in the Guangjin City team, and then killed a Luyuan giant.

After engulfing the mysterious beast, Nei Dan, who first entered the natural environment, his mind finally sounded the system.

"Hey, the host has broken through to the land of Dan Xiaocheng!"

"Finally broke through!"

Ye Xuan relieved with a sigh of relief. After the breakthrough, the strength of Dan Yuan skyrocketed and his physique improved a lot. At this time, his engulfing crystallization has reached 800.

So many Neydan, if you give it to others, there is no problem in breaking through to Chengdu, a small island, and he is only a small land.

"Booming!"

Just when he broke through, the battle not far away was more intense. From the heads-up of the two men, it has developed into a big chaos of more than ten people.

Moreover, listening to the sound, it seems that the Chinese side of the city is in a disadvantage.

"It seems that Guangjin City has a secret weapon. No, you have to go and help immediately!"

Ye Xuan didn't dare to think too much. He quickly turned and rushed over. If the person in this side of Shenzhou City was destroyed, then the one-in-one Nedan would not want to get it.

.....

"Ha ha ha, Zheng Shuohai, why have you been running away, you are not very arrogant?" Guangjin Chengyuan Yuan Xiaobo laughed.

At this time, Zheng Shuocheng, the **** of the city of Shenzhou, was defeated by Yuan Yibo. This is not because his strength is worse than Yuan Xiaobo, but because of another strong person, a strong person from Tiandan.

"Retreat, everyone back!" Zheng Shuohai shouted in a dignified face.

In terms of the number of people, although they have an advantage, but the name of the Tiandan who is smashed out of the sky, the strength is stronger than Zheng Shuohai.

Therefore, they did not have much suspense in this battle.

"Haha, I want to go, it's not that easy. If you let them run, I will not be able to kill them when I am back. I am not so stupid. Yangling son, please take it!" Yuan Xiaobo shouted.

When I heard this sentence, Zheng Shuohai's face was already sinking to the bottom.

Yangling son, is this not the Shaocheng master of the Yangcheng city in the three cities of Zhongzhou?

"Well, Xie Lao, assisting Yuan Chengzhu to kill them, this green giant of Tiandan Xiaocheng is blocked by me."

A young voice sounded.

Then there was a figure on the side to kill it.

"not good!"

Zheng Shuohai clenched his teeth and tried his best to escape.

The two big Tiandan are small, one strength is equal to him, one strength is more than him, if it is surrounded, life is difficult to protect.

The morale of those who first entered the Tiandan and the Dadan Dacheng became soaring, and they rushed toward Zheng Yu.

On the other side, Ye Xuan, his face is also dignified. He looked at the backs of those people who left. He said in his heart: "If I am in the past, I am afraid I will not be able to catch up. It is better to find the trouble of the Yangling son!"

He also understands that the old man should be the bodyguard of Yangling's son. As long as the Yangling son is threatened, he should be folded back.

Thinking of this, Ye Xuan suddenly rushed out.

He was only able to beat the Yangling son, even the sneak attack failed, but now he has broken through, who is the deer, not necessarily!

At this time, the Yangling son was fighting with the Luyuan giant who was a small man in the Tiandan, and did not know that Ye Xuan had quietly approached.
