

Super Devouring System

Chapter 3: three times!

"Is it....."

Ye Xuan blinked.

Lin Xueer was accepted as a disciple by this strong man. After entering the sect, he will become a true disciple directly, without having to start from a foreign disciple, and his status is still above the inner disciples.

It is no wonder that the Lin family is so anxious to quit the marriage. After all, even if it was the qualification of the unlucky one before, it was only in the middle of the cracked Yunzong, and more than his fast-cultivating disciples.

Lin Xueer's qualifications, although worse than the unlucky ones, but she can be seen by the sectarian strong, certainly what is extraordinary.

At the moment, Ye Xuan is following Ye Zhang to the lobby.

Anyway, he was only from the first day of the Ye family to even the first waste of Yuncheng, but also afraid of being retired and lost face?

.....

At this time, in the lobby of Ye Family, there are already many people sitting. Among them, Ye Family's four major families have all arrived.

On the other side, the Lin family only came two people, a middle-aged person and an old man.

The atmosphere in the lobby was a bit weird and there was no sound.

Ye Xuan walked into the lobby with Ye Zhang, and immediately became the focus, because Lin Jia came for Ye Xuan today.

"Good, people are here."

After Ye Xuan entered the lobby, the middle-aged man of Lin's family nodded.

Ye Xuan followed and sat down, then his eyes fell on the Lin family.

The middle-aged man, Ye Xuan once met, he is Lin Xueer's father Lin Ming. The old man, the Ye family at the scene did not know his origins, but from the clothing of the old man, it was obviously not the next person, because he was seated next to Lin Ming.

Not waiting for Ye Xuan to sit down, Lin Ming said again: "Ye Ge, the purpose of our coming today, I must have already made it clear that these are the gifts that your Ye family sent to my Lin family on the same day."

"Lin, I know." Ye Zhang nodded.

"In this case, then Ye Ye brother you..." Lin Ming paused, did not say.

Ye Zhang also suddenly understood, immediately looking at Ye Xuan, said: "Ye Xuan, take out the marriage contract."

"it is good!"

Ye Xuan said nothing, took a piece of paper from his arms, it was his marriage contract with Lin Xueer.

Seeing this marriage contract, Lin Ming's eyes are also bright. He smiled: "Han Yin is really bold. If you tear this marriage contract, then these gifts will be returned to you."

Ye Xuan looked at him, then took a look at Lin Xueer and said: "This marriage contract, I can tear it, but..."

"But what?" Lin Ming brows a pick, he thought, is it difficult to become Ye Xuan and other requirements?

"This affair is mentioned by your Lin family. It has only been a month since it was only a month. It is not impossible to retire, but I remember that there seems to be a rule for the retirement." Ye Xuan did not say anything. He knew that Lin Ming should know.

Upon hearing this, all the people present were brows.

"Yin, you are saying, double dowry?" Lin Ming's look was a condensation.

However, before he could wait for his voice to fall, Ye Xuan shook his head: "No, I want to triple!"

what?

When this voice fell, everyone in the room was shocked.

Ye Xuan, really a big opening for the lion!

"Yin, you are not kidding?" Lin Ming asked a little wrongly.

"Uncle Lin, do you think I am like a joke?"

Ye Xuan's mouth is slightly tilted, and continues: "Let's even Yuncheng, the top of the dowry is 100,000 yuan, and Uncle Lin, you should know that this gift was prepared for me when my father left home, but it's a whole Millions of silver. If you want to retire this marriage, you must take three times. Otherwise, I will never agree!"

He is now a waste man, what kind of wife?

Of course it is important to repair!

"You..." Lin Mingyu stuffed.

Indeed, the gift they received was indeed a bit expensive, ten times higher than normal.

However, now that Ye Xuan suddenly proposes to return three times of dowry, this is not the same. This is three million yuan, which is equivalent to a small family's 30-year income, and even faster than Lin's annual income.

"Ye Xuan, what's the matter with you?" Ye Zhang suddenly came over and whispered.

"Da Bo, Lin family since they dare to accept, then we must do this preparation." Ye Xuan directly answered coldly.

"You will make it difficult for Ye Family to do this," Ye said.

"Dabo, you can rest assured that if I receive it three times, I will make up the treasures that I have consumed these days." Ye Xuan ignored it and continued.

"You..." Ye Zhang was also dumbfounded by Ye Xuan.

In the front, Lin Ming is talking to the old man. After a long while, Lin Ming also nodded directly and said: "Well, triple the bride price, my Lin family is willing to return three times!"

When he finished, he looked at the marriage contract in Ye Xuan's hand.

"Uncle Lin, I will not tear this marriage contract until I see the returned bridegroom." Ye Xuan clearly said.

"it is good!"

Lin Ming's face sank, and then the old man was changed from his right hand. He directly took out a jade bottle and said: "The head here is two polydings, each of which is worth millions of silver. "

what?

The people present were shocked again, but they were not shocked by the price of this gathering, but the way the old man was.

"Qi Kun ring?" An old family member of Ye Family exclaimed.

Qiankun Ring, but a very precious thing, can be included in the space inside the ring, very convenient. Even the entire Lianyun City, or even the Yunyun Zong, I am afraid I can't find one.

This old man has such a precious ring of enthusiasm, who is he?

"It is difficult, this old man is the strong sect of the strong sect, is Lin Xueer's master?"

Everyone thought so in the heart, but in the next moment, they personally overthrew this conjecture, because if this strong man came, Lin Xueer would definitely be present.

Therefore, they speculated that this old man should be only the follower of the strong.

A follower has a Qiankun ring, so how powerful is that strong man?

When Ye Xuan saw the old man's ability, his heart was also a tremor. He suddenly regretted it and felt that his price was low.

However, since the price has already been shouted out, then regret is useless.

At the moment, he just walked over, then took the jade bottle and handed the marriage contract in his hand.

"Hey!"

The old man took over the marriage contract, and the right hand suddenly poured out a strong spiritual force, and instantly smashed the marriage contract.

Now, Ye Xuan and Lin Xueer have no relationship, but the former does not regret it. After all, he and Lin Xueer have only seen one face.

Although Lin Xueer looks like a fairy, but it is nothing more than a stinking skin, even Yuncheng is so big, you can definitely find a girl compared to it, so Ye Xuan is not rare.
