

Super D. S 306

Chapter 306: Life hanging a line

"Bad boy, die!"

Ding Tao shouted and rushed toward Ye Xuan.

"not good!"

Zheng Shuohai and others on the side saw it, and immediately changed his face. Zheng Shuohai even shouted: "Help!"

They hurriedly jumped off the clouds and prepared to intercept one person halfway, reducing the burden on Ye Xuan.

However, Ye Xuan's face is also not good. The two Tian Dan's Xiao Cheng are still able to cope with him.

He is helpless, Zheng Shuohai, they actually counted.

"Hey!"

Zheng Shuohai directly directed the Ding Tao, and Zheng Yu was the same.

Just when Ding Tao and another person counterattacked, Cui Linjiang on the back of Dapeng in the sky also flashed a murder.

"Big brother, I am hurt!"

At this time, Ding Tao on the ground suddenly shouted, his shoulder was only scratched by a sword.

"call out!"

Cui Linjiang jumped in an instant and rushed toward Zheng Shuohai.

"Damn, it's counted!"

Until now, Zheng Shuohai has reacted, but it is a pity that it is too late.

Ye Xuan's face is gloomy. If this is the case, then he can only let the other party downgrade quickly, and then Cui Linjiang.

"The eight wild winds kill, kill!"

He rushed to the front of Ding Tao and punched it out.

Ding Tao was only resisting Zheng Shuohai's attack. He did not notice that Ye Xuan had already rushed to the front, until the latter blasted a punch, he reached out and tried to block.

"Hey!"

Ye Xuan hit a fist on Ding Tao's shoulder. At the same time, the eight sharp blades also swept through Ding Tao's body.

In an instant, Ding Tao was cut into several pieces, and Qian Kun was taken away by Ye Xuan for the first time.

"What, Ding Tao was also spiked?" Cui Linjiang was shocked, but now he has a perfect excuse.

After killing Ding Tao, Ye Xuan also shouted: "Predecessors, I blocked Cui Linjiang, you killed this person."

This person refers to another man who came down with Ding Tao.

"Just rely on you, but dare to block me? Come on!"

Cui Linjiang heard that the angry flame was soaring, and Ye Xuan killed three of his subordinates in front of him. How could this feud not be reported?

"Damn!"

Zheng Shuohai listened a few times and regretted it very much. Why did he not want to take it? Ye Xuan clearly has the ability to compete with one enemy. If they don't shoot, then Cui Linjiang can't shoot.

At this time, Ye Xuan has already run the eight wild winds to the extreme, and he retreats while taking the remedy to recover.

If you want to fight against Zheng Shuohai, you can only use the eight wild winds to kill.

"It's really a good day, but fortunately, the Eighty Swords are strong and strong, and now its growth rate is already beyond the average top grade..."

Ye Xuan thought in his heart.

"Hey!" "Hey!" "Hey!" "Hey!"

Cui Linjiang held a long sword and directly broke into the eight wild winds to kill the squad, and those who attacked him, the strength is not comparable to Ding Tao and others.

However, it is not so easy to block him.

Ye Xuan is already fully operational, but Cui Linjiang resists it very easily, and there is still room for it. As soon as he gritted his teeth, he took out a long bow of the grounder and raised his hand.

Eight wild winds kill, it consumes a lot, and it takes a lot of mental energy.

Ye Xuan didn't try to use it once and for all. Now, he has to try it once.

"Seven Stars Link!"

Ye Xuan raised his hand and shot a series of arrows.

"Humph!"

Cui Linjiang also instantly swept out a sword, and instantly smashed the arrow.

"The strength of the powerful Dan Yuan, even the bonus of the arrow can not make up." Ye Xuan thought about it, and once again shot a few seven-star chain arrows.

However, his dualistic approach gave Cui Linjiang an opportunity.

"If you concentrate on running these eight blades, I can't help you, but unfortunately, you have created a flaw for yourself."

Cui Linjiang obviously felt that the speed of the eight sharp edges was reduced a lot. He went up one step and pulled the distance closer to 20 meters.

Ye Xuan also had some regrets. He hurriedly took up the longbow and swallowed a medicinal herb.

He originally wanted to consume more of Cui Linjiang's Dan Yuan. Now it seems that it has helped.

"I can't attack, then I will use another method!"

His mind was moving and his hands began to print.

At that time, the surrounding air began to make a sound of 'Zizi', and a group of fog began to spread.

Cui Linjiang was shocked again. I didn't expect Ye Xuan to be in the spirits. This can be troublesome.

"This kid's Dan Yuan is so huge, it must be the kind of remedy effect. Now with this spiritual array, my Dan Yuan may consume light first..."

Cui Linjiang was hesitant. He wondered if he would go back directly, and then he would go back and solve Zheng Shuohai and others first.

However, after hearing the anger from the back, he dismissed the idea.

"The city owner saved me..."

The man made a tragic cry.

He was besieged by Zheng Shuohai and Zheng Yu, and now he is finally unable to hold back.

Cui Linjiang turned his head and saw that his head was thrown into the air, and the blood was a few meters high.

"You can't go on like this anymore, you have to do it quickly!"

Cui Linjiang suddenly made a decision in his heart. He ran a practice, and the Dan Yuan in his body began to burn. The breath of his whole person is also a sudden increase in the number of interceptions.

"what?"

Ye Xuan felt it, and immediately shocked.

"Kids, can force me to burn Dan Yuan, risking the fall of the realm to make a card, you can also be proud. Now, take your life!"

After Cui Linjiang's breath rose up, the speed of the whole person also skyrocketed. It was originally more than 20 meters away from Ye Xuan. After he took a step, he was only 15 meters away.

One more step, it was directly to the front of Ye Xuan.

"Kid, die!"

Cui Linjiang condensed a thick Dan Yuan and took a look at Ye Xuan.

This time, Ye Xuan felt a great crisis and hurriedly transferred back the eight-handed blade to form a shield.

"Hey!"

Jianmang squatted on the Eight Shields, and instantly smashed the Eight Shields and slammed into Ye Xuan.

"Kid, you are finished!"

Cui Linjiang went up a step, it is necessary to kill Ye Xuan.

At this time, Ye Xuan has already smelled the breath of death. He did not expect that Cui Lijiang still has such a hand.

This scene happened so fast that he could not find useful things and exercises in the phagocytic system.

Now, there is only one way, and that is the explosion.

Seven 窍 full explosion!

"Fight!"

Ye Xuan bites his teeth and directly condenses Dan Yuan on the seven gongs.

"puff!"

"puff!"

"puff!"

However, when he blasted the third cockroach, suddenly there was a figure that stepped into Ye Xuan's sensing range.

"Cui Linjiang, stop!"
