Chapter 312: Pets that can't afford

Now the pattern of Lingxiaofu is about to change. The four heavens and the earth may merge into one. After all, with so many inners, anyone can break through to the gods.

However, it is at this time.

Suddenly there was a figure plundering.

"Ye Xuan, are you there?"

Outside the door, a voice was heard. Ye Xuan listened, and it was a bit strange, because this is the voice of Zhengzhou, the leader of the China Alliance.

"Sister Zheng invited," Ye Xuan shouted.

Zheng Hao hurriedly walked in from the outside.

"Sister Zheng, I don't know how about Guangjin City?" Ye Xuan hurriedly asked, he knew that Zheng's return to Lingxiao House must be for Guangjin City.

Zheng Yi heard the words, but also shook his head: "Not very good, then Cui Linjiang first returned to Zhongzhou, and after a while, he will compete with us for the position of the Guangjin City."

"Zheng Shixiong, the city owners of the three cities can still come and grab?" Ye Xuan said differently.

"No, Cui Linjiang is the owner of Yangling City. He won't fight for it, but his father will shoot!" Zheng Yu shook his head.

"Cui Linjiang's father?"

Ye Xuan, a slap in the face, can make Zheng Yi jealous, I am afraid that only the strongest of Tiandan Dacheng.

"After the death of Guangjin City, the first city owner is stationed in the city's main government. As long as it is an individual, you can apply for the position of the master of Guangjin City. Now, there are more than ten Tiandan Jingcheng masters applying. In addition to those of the top three cities, in addition to Cui Linjiang, there is also a master of Tiandan Dacheng..." Zheng Zheng began to explain to Ye Xuan.

"Two masters of Tiandan Dacheng?"

Ye Xuan's eyes are almost the top masters of Tianshui's mainland. However, after hearing more than a dozen Tian Dan's strong players, his eyes are bright.

He originally thought who was the first to go to the main city of Guangjin City, then who is it, I did not expect to apply.

In this way, he may be able to fish a little oil.

"That Zheng Zheng brother, the purpose of your coming is..." Ye Xuan asked again.

"My grandfather wants you to help, if you succeed in winning Guangjin City, the future earnings will be half-point!" Zheng said.

For half points, that is five or five.

The interests of a Guangjin City may not be high, but all the cities in the Guangjin City territory have to pay taxes to Guangjin City every year, and Yuan Yubo certainly has a lot of private mines, treasures, etc., if all are mined. The value cannot be estimated.

"Okay, promised." Ye Xuan nodded.

At this time, the Song Dynasty on the side also hurriedly said: "I have to go."

"Well, let your big brother yell, just take this opportunity to experience it. I also look at your strength after breaking through to Tiandan." Ye Xuan nodded directly.

From the moment of entering the door, Zheng Zheng felt the extraordinariness of the Song Dynasty. Now, after hearing the words of Ye Xuan, he is really a glimpse.

Tiandanjing!

If the Yangling son is in front of the Song Dynasty, it is simply an ant.

At the moment, the Song Dynasty is left to find the Song ruling, because the battle for the city is about to begin, they must rush to Zhongzhou. Soon, the Song ruling was also rushing over, he was nowhere to experience.

Zheng Zheng was riding a Tengyun bird, so they went to Shenzhou City from Lingxiao, and they only spent a day.

At this time, Zheng Shuohai and others were discussing in a large hall. When Zheng Zheng came back with Ye Xuan, they immediately stood up.

"Ye Xiao brother, you are finally here." Zheng Shuohai hurriedly greeted the past.

Ye Xuan took a closer look and found that Zheng Yu and another middle-aged man had already broken through to Xiaodan in Tiandan, and immediately congratulated: "Congratulations to the two seniors to break through."

"This is also a thank you for your refinement of Dan. Unfortunately, there are only seven days left in the battle for the city. I can't break through to Tiandan in seven days..."

Zheng Shuohai shook his head and then set his sights on the Song Dynasty and Song ruling behind Ye Xuan. "These two are..."

"This is my fiancée Song Chong Jing, this is my eldest brother Song ruling, the strength should be able to compete with the strong man of Tiandan, this time will join me." Ye Xuan introduced.

"Haha, the old man thanked you here." Zheng Shuohai thanked.

"Predecessors have said a lot."

Song Taijing smiled and smiled very much, because this time, she was finally able to help Ye Xuan.

"Ye Xiao Brothers, why don't we go to the first main city now?" Zheng Shuohai asked again.

"Alright."

Ye Xuan nodded.

At the moment, they are sitting on the clouds and rushing to the center of Zhongzhou, the first main city.

At this time, there is already a strong group that has gathered the entire state.

The temptation of a main city lord is great, attracting a large number of people, including some sects, families, and even some powerful lone rangers.

Of course, some of them aim not to seize the position of the city owner, but to seek profit from the battle of the city.

This time, the Tengyun bird also flew for a day before arriving at the first main city.

The first main city, the single-sided wall is 10,000 meters long, and there are countless people living in it. At the same time, there is another characteristic, that is, the air is forbidden, and no birds or beasts are allowed to fly through the air of the first main city.

Because of this regulation, the Tengyun bird can only land outside the first main city.

Then, Zheng Shuohai took Ye Xuan through the noisy street and came to the main city of the first main city.

"This is the city's main government of the first main city. That Yang Kai is a strong powerhouse. The city owner of the first main city must at least be a power-stricken one?" Ye Xuan said in his heart.

It is very simple to apply for a battle for a city owner. As long as individuals can apply, even a true spiritual person can do it.

After the application is completed, Ye Xuan also took a piece of identity token. After six days, after confirming at the specified location, someone will pick up the place to compete.

On the way to the first main city, Zheng Shuohai also explained the form of the battle for the three men of Ye Xuan, that is, the battle for the city master.

The first city owner will hide the city master order of Guangjin City in a certain place. As long as someone finds the token and holds it for a period of time, then he is the new city owner. Besides, there is no limit to killing. .

However, when Ye Xuan and others left the first city, they ran into another person. The leader of this dialect is still an acquaintance of Ye Xuan, who is the main body of Yangling City, Cui Linjiang.

"It's really a narrow road." Ye Xuan said subconsciously.

Cui Linjiang looked at Ye Xuan and others, and said coldly: "The last time I let you live, I thought you would survive and survive. I didn't expect to help the Shenzhou City again. It will be a few days after your death."

At this time, he also walked out of an old man and said: "He is the kid who killed me in the four great days of Yangling City?"
