Chapter 324: Spike!

The message from the Lord of the First Main City, the Master of the House, must be very important.

This message said that the owner of the Wanshige Pavilion of Yangling City immediately took the people to occupy the main house of Yangling City, because the main body of Yangling City, Cui Linjiang, has died!

"Hey..."

The owner of the Wanshi Pavilion in Yangling City swallowed his mouth. He seemed to know something, but he just went out immediately after a second.

The next day, the Wanshi Pavilion of all the big cities in Zhongzhou received the same news, that is, the death of the city of Yangling City, and half a month later, the battle of the city owners of Yangling City.

The entire state of China has been sensational.

Before the Guangjin City, in the battle for the battle, the Lord of the Strong City died unexpectedly. Now, the city owners who are connected to the three cities are dead. What is the matter?

At the same time, Ye Xuan, who is in Guangjin City, also learned the news from Song Hengna.

"I wiped, what happened to Cui Linjiang, I still haven't shot, how do you die yourself..."

Ye Xuan couldn't help but scream.

Cui Linjiang is the owner of the three cities. He is the owner of the next three cities. Under normal circumstances, Cui Linjiang is not allowed to do anything to him.

However, he can take the initiative to find Cui Linjiang trouble.

But who knows, Cui Linjiang died before he shot, what is this?

"But, Cui Linjiang is dead, and the other two main cities must also be interesting to Yangling City. When I kill them, then..."

Thinking of this, Ye Xuan could not help but reveal a smile.

It seems that five of the seven main cities of Zhongzhou will soon fall into his hands.

At that time, collecting the materials of the five main cities to buy materials, then he broke through to Dadan Dacheng, it is only a matter of time!

In the past two months, Zhongzhou was extremely calm. After the lessons of the island of death, there were only two people who came to participate in the battle for the city.

One is Xu Zhi, the owner of Luoyan City, and the other is Mo Jingyuan, the master of Yuxing City.

Both of them are strong and strong in Tiandan.

After learning the news, Ye Xuan showed a sly look. Sure enough, the city owners of the two main cities could not sit still.

Half a month later, Ye Xuan also arrived at the first main city on time.

This time, the battle for the city owners, because of the small number of people, was changed to the battle of Taiwan.

Downfall, just outside the main city of the first main city.

Today, the first main city is also flooding into countless people. The three major city owners compete for Yangling City, but it has never happened before.

More people, in fact, are coming to see a person, that is, Ye Xuan.

The day when Ye Xuan Li battled the holy beast and the sea dragon, it was already spread throughout the state, so today these people are looking at whether Ye Xuan is really as powerful as the rumors.

At this time, outside the city government, Ye Xuan is already standing under the ring. The Song Dynasty and the Song ruling are still in retreat, so he is alone. And Xu Zhi and Mo Jingyuan are already waiting in the other two corners of Fujian and Taiwan.

As soon as the time came, Yang Kai appeared immediately and fell from the air to the center of Fujian.

"I think everyone knows it. Today is the battle for the city of Yangling." However, there are only three people participating in the war, so there will be one person in the air..."

Yang Kai stood in the middle of Fujian and Taiwan, but at this moment, suddenly one person jumped into the ring.

Everyone turned their attention and fell on this person.

"Yangcheng Lord, don't have to be so troublesome, let me single out both of them, it's relatively simple."

This person who came to the stage to swear words is naturally Ye Xuan.

His appearance immediately became a public eye.

Mad, crazy enough!

There are already a lot of girls screaming out there. They heard that Ye Xuan has only one fiancée. And they feel that like Ye Xuan, such a strong person, it is no problem to go back to ten or eight.

Therefore, these girls are all familiar with each other, and when Ye Xuan inadvertently sweeps over, which one is it?

However, after Xu Zhi and Mo Jingyuan heard this, they also jumped into the ring with indignation.

"The arrogant boy, let me come and see if you are as strong as the rumors!"

"Yes, since you ask for it, then I will fulfill you!"

Two hypocritical citylors came to power. Anyway, this is Ye Xuan's request. What is wrong with them?

After all, this is related to a main city territory.

No, it's about three!

If Ye Xuan died in this battle of the ring, then the Guangjin City and the Strong Air City that he owned became a city without a master.

Although Xu Zhi and Mo Jingyuan had nothing to communicate with, they looked at each other and decided to make the same decision!

Killed Ye Xuan!

Then, give a win and lose, it is best to kill the other side!

Before Yang Kai, he had seen the strength of Ye Xuan. He was not listening to it. Therefore, he immediately nodded: "Well, since Yecheng said this, how can I not agree?"

"The next first battle, Ye Chengzhu also met Xu Chengzhu and Mocheng Lord. If Yecheng Lord wins, then Yecheng Lord will get Yangling City."

"If the Yecheng master loses, let Xu Chengzhu and Mocheng masters compete."

"The downfall of the war, falling to the outside of Taiwan and Taiwan, is not limited to life and death. In addition, there is no rule."

After Yang Kai finished speaking, he jumped out directly. He looked at the three people on the platform and continued: "If you are ready, start on your own!"

Wen Yan, Xu Zhi and Mo Jingyuan also looked at each other and took out a long sword.

Then, I went to Ye Xuan.

The downfall is not very big, only two hundred meters, but the material is not ordinary, and it can withstand three people toss.

Ye Xuan looked at the two people and rushed toward themselves, and he did not hesitate to take out the Eight-Dangerous Sword.

"Hey!"

The eight-year-old sword broke open and turned into a eight-handed blade.

For the strongman of this level, the distance of two hundred meters is simply a blink of an eye, and after Ye Xuan breaks through, the distance of the eight wild winds is also expanded to 100 meters.

He stood still in silence. He did not separate the eight sharp edges, but directly controlled the eight sharp edges and attacked the same person.

This person is Xu Zhi, the owner of Luoyan City!

"So fast!"

Xu Zhicai just reacted, and the eight sharp edges were already in front of him.

Then, cut his neck in an instant.

Before he died, there was only one problem in his mind.

"why me?"

.....

Xu Zhi's death was only a moment, and Mo Jingyuan had not reacted. He was heading towards Ye Xuan.

However, just as he rushed to Ye Xuan, he felt a cold neck.

It turned out that after the eight sharp blades killed Xu Zhi, it was already folded back and killed him.

This scene is only half a second.

The audience outside the stadium did not see clearly. When they reacted, they saw the two beaches of blood on the platform and the two headless bodies.

Spike!

Ye Xuan, directly killing two masters of Tiandan Dacheng.

The audience was silent.
