Chapter 351: Inquire about the message

"Death your family!"

The young man who came to Ye Xuan heard it and immediately became angry. Eight dragons rose and rushed toward Ye Xuan.

"The power of the eight dragons in the district, dare to arrogant in front of me?" Ye Xuan glimmered, and the eight-year-old sword suddenly collapsed.

"call out!"

The eight-handed blade was unfolded and the young man was cut into meat.

The power of Kowloon, on behalf of Ye Xuan's infuriating is also the level of force in Kowloon, and this young man is just the power of the Eight Dragons. The spike is absolutely not a problem.

Seeing that his younger brother was turned into a pool of blood, the headed youth was completely stunned.

They are the children of Ye Family, even if they are masters of the power of Kowloon, they can fight for one.

However, Ye Xuan is also a force in Kowloon. He can kill his brother. This means that Ye Xuan can also kill him.

"go!"

The young man immediately made a decision and turned around and ran.

Ye Xuan's mouth is slightly raised. "I'm gonna take my family and want to go?"

call out!

The eight-handed blade was swept out in an instant, and he was cut into several pieces.

Ye Xuan is the character of this deputy, who will marry him and he will fight back. However, if anyone marries his family, he will only die.

Now, both of them have been killed. Only Ye Xuan and the little girl Ye Hao are left.

"Thank you for your big brother's help." Ye Haoer said with gratitude.

Ye Xuan walked over and took the two people out of the box and checked it out. Sure enough, there were not many things brought by the children of the family who came out to practice.

He sighed helplessly and turned to ask: "Why are you here?"

"This deep sea palace was discovered by chance. We wanted to collect some deep sea treasures and ores in the deep sea, but we didn't expect it..." Ye Haoer said with a sigh.

"Then I killed your two cousins, will not be a problem?" Ye Xuan asked again.

"They have a lot of dying, but they also have some weight in Ye Family. If they don't return for a long time, the people in the family will be suspicious, but it will have to wait at least a few months."

Ye Haoer said, and asked: "I don't know the name of my big brother?"

"Ye Xuan, Gao Xuan's Xuan." Ye Xuan replied.

Ye Haoer heard the name and was shocked. I didn't expect the names of the two of them to be like this.

"Hey, thank you again, Ye Da Ge for saving his life." Ye Haoer thanked him again.

However, Ye Xuan feels that she still has a strong vigilance, after all, this thing.

Her two cousins were killed by Ye Xuan, and the Qiang Kun ring also fell into the hands of Ye Xuan. Fang Caixuan heard about the conversation between them and realized that her father got a heavenly martial arts, so Ye Xuan is not impossible to shoot her.

Killing people and winning treasures, this kind of thing is much more.

"Hey girl, you don't have to be so nervous, if I want to kill you, you are probably dead." Ye Xuan said with a smile, it was a stepping up.

His behavior was also to scare Ye Haoer enough, and hurriedly took out a sniper.

However, this sniper was easily escaped by Ye Xuan. At the same time, the eight-handed blade was already plundered to Ye Hao.

"Is it still difficult to die?"

Ye Haoer looked at the eight streams of light, and in her heart, she understood that she was absolutely unable to escape the attack and had to close her eyes desperately.

"call out!"

"call out!"

"call out!"

The eight-handed blade is extremely fast, and in the blink of an eye it is looted in front of Ye Hao.

However, what makes Ye Haoer feel surprised is that she has not felt pain for a second.

She opened her eyes in a strange way and found that the eight-handed blade was all suspended in front of her, and Ye Xuan, slowly walking over.

"Haha, sorry, I see that you are hostile to me, so I will make a decision." Ye Xuan said, he is only demonstrating his strength to Ye Haoer.

Ye Xiaoer's heart was relieved. It seems that Ye Xuan is not trying to kill people.

Ye Xuan has the strength to kill her, but did not start, which is enough to prove that Ye Xuan's words are true.

"Thank you, Ye Big Brother." Ye Haoer thanked again.

Ye Xuan took back the Eight-Day Sword and said: "No matter, I have done the killing of the treasure, but I don't want to start with a little girl. Right, do you have a map?"

"map?"

Ye Haoer blinked and asked strangely: "You are the map of the deep sea palace?"

"No, outside." Ye Xuan shook his head.

It was said that Ye Haoer also took out a map outside and handed it over.

Ye Xuan took a look.

This is a map of the Luosha domain, I am afraid it is about the same size as the Tianshui continent, so this should be just a corner of the blood rock continent.

"Where are we now?" Ye Xuan turned and asked.

"Ye Big Brother, you are this..." Ye Hao did not understand.

Ye Xuan hurriedly smiled: "Before the enemy was chased and killed, blindly fleeing, so make sure the position."

Ye Haoer heard this and did not think much. He pointed to a place on the map: "The deep sea palace we are in is here. If you go to the west for two more days, you will be able to arrive at my leaf house." "

"Then, did the girl hear about the palace?" Ye Xuan asked again.

The reason why he saved Ye Haoer, in addition to seeing righteousness, is actually looking for a tour guide. After all, he has not yet stepped into the **** rock continent.

"Wang Dian? Ye Big Brother, how can you ask this question, the Luosha domain is under the jurisdiction of the War King Hall." Ye Haoer was puzzled.

War King Hall!

Ye Xuan stunned, this name is wrong.

At this time, Ye Haoer asked: "Why are you, Ye Da Ge, are you running from the open sky of the Beastmaster Hall to the Luosha domain? God, if you want to cross a field, even if you have a flying mount, at least Use the year."

"The Beastmaster?"

Ye Xuan is already listening to it, how come another king hall came out.

"This... I don't know much about geography. Is there a girl in addition to the War King Hall and the Beastmaster Hall?" Ye Xuan quickly shifted the topic.

"There is also a king of the king, the palace of the war, the palace of the beast, the palace of the king, the three kings of the temple divided the entire eastern continent." Ye Haoer replied.

Wang Dian, there are actually three kings.

Ye Xuan is silent.

The elders told him only two words, that is, the palace.

"It is difficult, the father does not know which mother is in the temple?" Ye Xuan thought in his heart.

Suddenly, Ye Haoer seems to think of another thing, saying: "Oh, yes, these three kings were integrated before, and later they split because of certain things, so they have these three kings."

"This should be a matter of nearly a dozen or twenty years?" Ye Xuan asked again.

Ye Haoer nodded: "Well, I was not born at the time, so I am not very clear."

"understood."

Ye Xuan should have a sentence, continue to think in my heart.
