Chapter 361: Leapfrog challenge

In the second game, the masters of the two 18 dragons still played very fiercely.

However, in the third game, there was a special situation.

The arm of the 5th was cut off by the 6th, and the Qiankun Ring was also taken away by the 6th.

However, Shuiyuezong did not stop this kind of looting.

Therefore, the next battle was even more intense, and the audience around it seemed to be burning up and down.

Ye Xuan under the stage also couldn't help but reveal a demon smile.

Doesn't this kind of looting happen, is this not his appetite?

The next battle, the audience present is already expected, that is, fight for your life and death, compete for each other's Qiang Kun ring.

Qiankun Ring, this is the most important thing besides life, even if the relationship is very good, you can't leave the Qiankun ring to others for safekeeping.

In five games, there were four people who were captured by opponents.

Then, next, Ye Xuan played.

"Hey, don't know who my opponent is?"

Ye Xuan curiously jumped onto the ring.

And his opponent is the same.

After Ye Xuan saw the face of his opponent, the scorpion also flashed a murderous murder. This person, isn't that the only strong man who is holding his collar?

"It's you?"

The brawny did not expect that his opponent was actually Ye Xuan. This is really a coincidence. He was only a fool of Ye Xuan, and now he can finally take revenge.

At this time, Ye Xuan is also thinking about the same thing.

His collar was just smashed by the strong man. How can this hatred not be reported?

You know, he was the first time he was beaten by a collar!

"It's really a narrow road." Ye Xuan said with a smile mask.

"Yes, it is really narrow road." The strong man nodded and agreed.

The referees of the 19th Dragon Group are not the same as the Kowloon Group. After all, they have to find a town to live in, so this referee is an elder.

The elders of Shuiyuezhong must have at least twenty dragons and good combat power.

The old man saw that the two had a festival, and did not ask much. He said directly: "If the two are ready, let's start."

When the voice fell, he quickly retired.

At the same time, Ye Xuan and the brawny are also hands-on.

"I said, you have to cut off your arms. Now that you have been hit by me, then I will find you in trouble after the game!"

Ye Xuan's light flashes and directly casts the Tianfeng sword method.

This strong man is the power of the seventeen dragons. Ye Xuan is only the power of the fifteen dragons. However, the latter has a 20% movement speed bonus, so if it is faster than speed, Ye Xuan is even better.

However, after starting the confrontation, Ye Xuan deliberately showed weakness and released water to the brawny.

"Hey, just two pounds, and I dare to threaten to abolish me. I really don't know how high the earth is. So if you do, then you will die!"

The strong man armed with a heavy sword, crazy attack Ye Xuan, each hit directly pointed to the key to Ye Xuan.

Although it is impossible to kill people on the stage, it is inevitable that there will be accidents, and the strong man is not a disciple of Shuiyuezhong. Even if he kills Ye Xuan, I am afraid there will be no punishment.

Moreover, the key to attack is that the opponent can be exposed to flaws. This is what everyone understands.

"Hey!"

The collision of the metal spread, and the eight-year-old sword in Ye Xuan's hand was suddenly shocked. The eyes of the strong man were bright, and a step forward, it is necessary to cut off Ye Xuan's left hand, because Ye Xuan's left index finger is wearing a The 乾 乾 戒 ring.

"Ha ha!"

Ye Xuan smiled under the face mask, he did not panic, after all, this is his intentional.

The sword of the strong man swept away and one arm flew up.

However, what made people in the place strange was that they did not expect the incident to happen. Ye Xuan's arm was not cut off. The arm that flew up turned out to be the strong man in front of Ye Xuan.

what?

The strong man felt the pain of his left arm. He looked down and found that his entire arm was gone, the incision was flat, and the blood just erupted.

Then, in front of his eyes, there was a flash of silver. The next moment, even the right arm was thrown into the air.

"Leave you a pair of feet, let yourself down!"

Ye Xuan faintly catches the half-arm of the strong man, and then gently removes the ring on his finger. When he touches this ring, he has already poured the things inside into the swallowing space.

"you....."

The strong man was so painful that the blue veins were smashed out and his arms were cut off. How would he still live in the future?

Is it a single foot?

I am afraid, even if you go to the toilet, you need someone to help.

"Bee, Laozi killed you!" Another 18-year-old man saw his companion fall like this, immediately jumped to the ring.

"presumptuous!"

At this time, the referee was also a step in front of him.

Eighteen dragons, facing the twenty dragons of the Shuiyue ancestor, really not worth mentioning.

The man was deterred and did not dare to move forward.

The elders of Shuiyuezong scorned and then announced: "The 18th victory!"

The brawny was dismissed by Ye Xuan, and everyone was expected. The surrounding audience watched him being carried by the passing man and then healed the injury.

It's the main thing to lose the ring, and the two arms are the main ones. Fortunately, this level of healing medicine has the effect of reversing the broken arm. As long as the arms of the strong man can be connected, everything is easy to say.

However, the strong man could not stand this humiliation. When he was carried down, he still shouted at Ye Xuan.

"Stupid x."

Ye Xuan shook his head helplessly, then walked down the platform and began to look at what he got from the brawny.

Some people who live on the knife's mouth have their own small vaults, and almost no good things are brought with them. Therefore, Ye Xuan's harvest this time is not much, and the value is only 20,000 condensed stones.

He swallows it directly, and it is a point to improve a little power. When you use the Beastmaster violent, you can improve a little.

After all, he did not have a 10% grasp and won the first place in the 19th Dragon Group.

This battle fell into the eyes of everyone, except for the audience in the audience, even the contestants.

Fang Caixuan cut off the arms of the brawny, and even they could not see through.

"What kind of martial arts is that it can control the eight-handed blade to float in the air. If the eight handles are out, the head of the strong man will probably fall."

"That sword is also a celestial weapon, but now it seems that it should be a special weapon for a certain forgemaster. The identity of this person is probably not ordinary."

"Don't say this first, the power of the fifteen dragons defeats the power of the seventeen dragons. If this person grows up, the fighting power is extraordinary."

These contestants are talking about it at a glance, even though many of them have not seen it before today.

Moreover, many of them have also laughed at Ye Xuan, and now they have changed their tone.
