Chapter 390: Killing Guiyuan

Gui Yuanzong is located in the north of Konjac City. A master of the power of the 50 dragons will take three days to arrive.

However, Ye Xuan rode on Megatron and it only took two hours to arrive. At this time, he was already located ten meters above the Yuanyuan.

He let Megatron fall, until the kilometer is directly jumped down, and then banged, and fell in front of the Yuanzong Mountain, and will be smashed to the huge stone monument in front of the Yuanzong Mountain.

"what?"

This great movement immediately attracted the attention of the Shoushan disciples.

Some people dare to destroy the mountain gate stone of the Yuanzong, it is really looking for death!

"Well, I dare to go to Yuanzong to wild."

"Everyone is careful, he has a mark of chasing soul!"

"Fast, inform the law and the elders."

The disciples immediately surrounded, but no one dared to go forward.

Ye Xuan, the mask man, descended from the sky and destroyed the mountain gate stone of Yuan Yuanzong. Ordinary people can't do this. And these disciples, at most, are only the power of the 50 dragons. Going up is to die.

Ye Xuan will not be stupidly waiting for the elders to arrive here. He looks around in a circle and his body flashes.

Then there was a scream of screams.

"Ah, my hand!"

"My Qiang Kun ring!"

"Everyone is going, this person is going to rob me of Yuanzong!"

There was a mourning in front of the Yuanzong Mountain. These disciples could not catch the speed of Ye Xuan and could only cry there.

After taking away the dozens of people, Ye Xuan directly plunged into Yuanzong, and he would upgrade some strength before the return of the Yuanzong high-level.

In the Yuanzongzong, the fifty-five dragons can serve as the guardian, and the sixty dragons are the elders. Of course, the elders are also graded, and the strongest elders have reached the power of eighty dragons. The sovereign is the master of the eighty-five dragons.

In the situation of force, every promotion is very difficult. If there is no Tianmubao to assist in cultivation, it will have to work hard, so most people are waiting to cultivate in their own residence.

After Ye Xuan broke through the mountain gate, he directly entered the place where the disciple lived and began to rush from house to house.

These disciples are not strong enough to stop him. Among them, there are some female disciples who are taking a bath. They are gone to Ye Kun.

"what....."

In Yuanzongzong, there was a chicken flying dog, no one could grasp the specific location of Ye Xuan.

After sweeping the residence of the disciples of Yuan Yuanzong, Ye Xuan paid attention to those buildings, and the weapons shop, the martial arts pavilion, the Lingcaotang and even the cafeteria were all patronized by him.

"The outside door is swept away, now go to the inner door!"

In the heart of Ye Xuan's heart, he rushed to the Yuanzong Yuanzong. This time, his harvest was also quite a lot. He broke through the power of the sixty-six dragons to the sixty-seven dragons.

Guiyuan's inner door is the key point. The inner disciple's strength is stronger than the outer door, and the elders and the law-abiding are also living here. Although the number is small, the value exceeds the outer door.

When Ye Xuan said that Yuan Yuanzong had not responded, he shouted.

At this time, in the Yuanyuan dynasty returned to the Yuanbao Temple, three people were sitting there talking.

"Children, you can't come back once, just stay a few more days and go." Guiyuan Zongzong looked at his son who had not seen for many years and said slowly.

The young man in front of him smiled and shook his head. "Father, this time I came back, just by the way. The disciple who traveled outside the Zongmen accidentally discovered a relic, so I went to investigate this time."

"Oh, what kind of relics?" asked the patriarch of the Yuanzong.

"This....."

The young man turned around and turned to look at the old man beside him.

"It's no problem, this exploration is led by several of your juniors. The old man is only ordered to be safe. You can be the master." The old man said with a squint.

The young man nodded and said: "Father, this ruin is said to have been the sixth lord of the Redwoods, built by Chi Lian."

"Oh? The sixth lord?"

Gui Yuanzong is in the jurisdiction of the Chimu collar, and the current lord of the Redwood collar is the eighth.

So, he will understand it at a glance.

"The sixth lord, rumored to have fought a master, and then disappeared. At that time, he had already broken through to the first step of the temperament, and his strength was extraordinary. He also mastered the corpse and once cast it. Two silver bodies whose strength is comparable to that of the first-class master of the temperament..." the young man explained.

"Well, I also heard a little about it. It is said that the two silver corpses were the two generals under his death, but they were killed because of betrayal and they were made into silver corpses."

The lord of the Yuan dynasty nodded and said: "Just, although the sixth lord died, there is danger in the ruins. I am afraid..."

"Father, you don't have to worry, we are not going into the relics this time, but cleaning the area around the relics. The sacred beasts are more than eighty dragons, not my opponents." Young people said this is also a habit. Sexually reveals a proud look.

He is 23 years old this year, and he has already broken through to the power of the Eighty Dragons. He is an apprentice of an elder who hates Tianjian.

The hateful swordsmanship also has a considerable reputation in the redwood collar. It is said that the sect has long surpassed the power of Bailong, and is the first master under the temperament.

"It turns out that, then I am relieved."

"Well, my father, I should have set off. The teachers and brothers are waiting for me." When the youth finished, they got up.

However, it is at this time.

"Booming!"

Suddenly there was a loud noise outside the hall, which made the three people's brows wrinkle.

"What happened? I don't know if it is forbidden to study in the Sanli Hall of the Yuanbao Temple?"

His voice just fell, that is, an elder rushed in: "The sovereign, not good, a big deal."

"What happened?" asked the patriarch of the Yuanzong.

He felt that something had happened.

"The Sovereign, a thief invaded me to return to Yuanzong, robbed me to Yuanzong disciples, protect the law, the elders' property..." The elders reported.

"The thief? The looting?" A glimpse of the patriarch of the Yuan dynasty, asked: "What is this realm?"

The elders paused and said: "When I saw him, it was the power of the sixty-nine dragons. Now, I don't know."

"What do you mean by this?" The lord of the Yuan dynasty did not respond.

"This is the case. According to the report of the disciple of the mountain gate, this person appeared in front of the gate of Yuanzong Mountain. There was only sixty-six dragons. Then he was a breakthrough, sixty-seven dragons, sixty-eight dragons, Sixty-nine dragons..." The elders said as they swallowed.

"What, in this short period of time, he broke from the sixty-six dragons to the sixty-nine dragons? And, is it still breaking through?"

Not only that, but the youth and the old man are the same.

After they heard this, the first reaction was that the thief had cultivated the magic power and was the person in the magic path.
