Chapter 4: go away

"The kid is daring to ask the names of his predecessors?"

Ye Xuan took the jade bottle into his arms and suddenly asked.

Still not waiting for his voice to fall, Ye Zhang is a big drink: "Ye Xuan, not rude!"

"Oh, the kid is quite powerful." The old man took a look at Ye Zhang and said: "The old man called Yu Jin, Tian Yuanzong protects the law."

Tian Yuanzong!

When this name falls into the ears of someone in the place, it is a glimpse of them. They are not shocked but rather surprised because they have never heard of this sect.

The old man does not intend to explain, said: "The kid, three times the bride price has been retired, the marriage contract has also been torn, then Lin Xueer girl has nothing to do with you."

"Yes, seniors!" Ye Xuan said respectfully.

"You will know in the future that it will be of great benefit to you to dismiss this marriage contract."

Yu Jin said casually, he knows that Ye Xuan will not understand, so he said: "Lin Xueer, who was accepted as a disciple by our elders of Tianyuanzong, will achieve far more achievements than you, not only. Even if you are the overlord of this area, the Rift Yunzong, I am afraid that no one will be able to compare it."

"In the future, Lin Xueer's pursuers will certainly not be less. If they let Lin Xueer have a marriage contract, let's not say that you are a Ye family. Even if it is even Yuncheng, I am afraid it will be destroyed!"

When the voice of the old man fell, everyone present at the scene took another breath. What is the end of the Yuanzong in this day, is it difficult to be stronger than the Xuanyang Empire?

"Well, the marriage contract has been retired, and the old man will stay soon..."

The old man got up and was ready to leave.

Ye Xuan is also holding a fist: "Goodbye!"

"Haha, goodbye, we won't see each other again." The old man laughed happily. "I have heard of your business. I have never lost it. I have become a waste person. Although I have a precious medicine, I can help. You recover, but this medicinal medicine is extremely precious. Moreover, your qualifications are placed in the cracked Yunzong are everywhere, and when I arrived in Yuanzong, even the confidant disciples could not match, so we will not see you again."

"Oh? Can you be so sure?" Ye Xuan suddenly looked up.

"Of course, it is difficult, you think you can still come to my Tianyuanzong?" The old man turned his head and looked at Ye Xuan.

"The predecessors will wait and see!"

Ye Xuan blinked his eyes. After he took the bottle of Ju Ling Dan, he had a strong sense of foreboding. This time, he will be able to recover.

Because, after the emergence of Ju Lingdan, the golden ball at his Dantian actually trembled.

"If your qualifications are not high, but the temper is my appetite, well, if you can come to Tianyuanzong, then I will accept you as a true disciple!" Yu Jin said casually, and then he left the sleeve.

Lin Xueer's father, Lin Ming, also followed up, leaving a group of erroneous Yeja high-rises.

They did not expect that the old man's temper was so easygoing, and he talked with Ye Xuan.

Assuming that Ye Xuan really can reach Tianyuanzong, then this old man will fulfill his promise and accept Ye Xuan as a true disciple.

However, is this possible?

Now Ye Xuan has not repaired it at all, and even if he restores his realm, he will enter the cracked cloud.

On this day, Yuanzong is a hundred times stronger than the Yunyun, and no one knows where it is, so it is impossible for Ye Xuan to see the old man again.

After the old man and Lin Ming both left, Ye Xuan turned around and then pointed to Ye Zhang: "Da Bo, these gifts are treated as my compensation. In addition, if my strength cannot be restored, then you must I am assigned to other cities or towns. Instead of letting me leave Ye Family."

"Leaving Ye Family?" Ye Zhang did not respond to the time.

"Yes, leaving Ye Family, that is to say, in the future, Ye Xuan is no longer a person in the city of Yecheng." Ye Xuan nodded.

"What are you talking about?" Ye Zhang suddenly widened his eyes. He couldn't believe it. Ye Xuan actually said such a thing.

"Da Bo, I mean, I have to leave the Ye family, and ask the uncle to complete!" Ye Xuan looked seriously and clenched his fist.

"you....."

Ye Zhang pointed to Ye Xuan and could not speak for a while.

Now Ye Xuan has got two precious Ju Ling Dan, and suddenly he has to leave the Ye Family and stand on his own. This matter is developing too fast, which makes him a little slow.

"It is good!"

Not waiting for Ye Zhang to speak, there is a family of Ye Family who sighs on the side:

"I agree!"

"I also agree that since this kid wants to stand on his own, then go with him. Anyway, he is unable to return to heaven." Another old man also nodded.

"Yes, let him be an ordinary person to take care of the family business, I am afraid that the town can not live, or go with him." The third family also agreed.

In Ye Family, there are only five of the highest decision-making levels, that is, Ye Zhang and the four major families. If something big happens, they also need to gather to discuss and then vote.

Now there are three old people who have agreed, even if Ye Zhang and the remaining old veto will not help.

"Thank you for the three tribes. In the future, I have nothing to do with Ye Xuan and Lian Yuncheng Ye Family. Today I moved out of Ye Family!" Ye Xuan was holding a fist in front of the three tribes, and then quickly left.

At this time, the fourth family suddenly said: "This kid is acting differently, shouldn't he think he has a chance to restore his strength?"

"How is this possible? He spent nearly three million yuan of cultivation resources in the past three days. There are no signs of recovery. There are two million two, can you recover?"

"This kid is also estimated to hate it. When we need him, we will cultivate it vigorously. Now that he has repaired it, we kicked him off. There must be resentment in his heart."

"It is difficult, we have to continue to invest in silver, let him restore strength? Can you not hear the meaning of the predecessor?"

"Yes, the predecessor's meaning is that Ye Xuan can restore strength, but it needs a huge price. This price is not something that our Ye family can afford. It is absolutely impossible to get two districts."

Ye Zhang listened to the voice of the four old people, and sighed helplessly. Ye Xuan, after all, is his nephew, the son of his brother.

Although he said that his younger brother has left Ye Jia for several years, he has not returned yet.

After leaving the Yejia lobby, Ye Xuan went straight back to his place of residence. Now he has been abandoned by Ye Family, and it is useless to stay in Ye Family.

At the moment, he is starting to pack his bags.

At this moment, suddenly a shadow flashed in.

"Young master, what do you do with your luggage?"

A beautiful voice fell into Ye Xuan's ear. When Ye Xuan turned around, she found Liu Ye came in.
