

## Super D. S 405

### Chapter 405: Control corpse

"Yes!"

Immediately, three masters came out. The three disciples also died under the hands of Ye Xuan, so they could not wait to debonate Ye Xuan's skin.

However, they are only the strength of one hundred and five dragons, and it is still difficult to escape Ye Xuan's butcher's knife.

Three heads, almost at the same time flying, then landed.

Three masters of the one hundred and five dragons were killed again.

"This little boy is mysterious, let me come!"

Yan Lao can't stand it anymore.

Now the three forces have gathered here, and have not yet started a fight. They hate the Tianjian faction and die four people. If they die, it will be too unfavorable.

When you see the old man, the rest of the people are relieved.

Strictly old, but the second master of hateful swordsmanship, the power of one hundred and twenty dragons, placed here, is already considered the top level.

However, today's Ye Xuan is no longer the kid of the seventy dragons. He is truly reaching the power of Bailong.

With the power of one hundred and one dragons, plus the agile bonus, his speed has exceeded 120 dragons.

In addition, there is no martial art of hateful swordsmen, which makes Ye Xuan's speed much faster than Yan Lao. Even if he does not use the Beastmaster violent, he has the power to fight.

At this time, Ye Xuan did not use the Beastmaster violent, because there was an unpredictable hunch in his heart. These people should be useful.

"Hey!" "Hey!" "Hey!"

The collision of metal sounded in the main hall.

Everyone is wide-eyed, a look that they can't believe. With the strength of the old, they are not able to kill Ye Xuan.

"Where did this kid come from?"

This is a common idea in everyone's mind.

At the same time, they have another question: "Why are the people of Yinyu Palace delayed?"

It was not until they remembered this question that they recalled that Ye Xuan Fang was just coming out of the door of Yin Yu Gong.

It's hard to be done, the Yin Yu Palace has been wiped out by the whole army?

Suddenly, these people also have an unpredictable hunch in their hearts.

In the four major forces, Yin Yu Gong is the bottom of the four major forces, but the palace master is also a master of the hundred and fifteen dragons, but also possesses the body of the martial arts.

Even if one of their three forces, wanting to destroy the Silver Palace, I am afraid it is not an easy task.

However, until now, even a silhouette of the Yin Yu Palace has not appeared, it is no wonder that they are associated with the destruction.

Everyone who hates the Tianjian faction, Ye Xuan, who is looking forward to fighting the second master of the Tianjian School, is a little worried.

"Lord, do we want to..."

An elder who was close to the sect of the hateful swordsman said in a low voice.

The patriarch of the hateful sword school understood his meaning and replied: "You have been watching here, it has been a while, and the secret book of the corpse should appear soon. As for this kid, I will solve it!"

"Yes!"

The patriarch of the hateful sword school is the master of the one hundred and twenty-three dragons. It is strong and is the highest among the four forces.

He couldn't help but see Ye Xuan, so he thought about going to sneak attack.

Although this is a bit disgraceful, after all, he and Yan Lao are hate the sect of the Tianjian school, and the other is the second master. The two even joined hands to deal with one person. If it is spread out, it is a shame.

However, if Ye Xuan does not remove, then the old man may be entangled. If the secrets of the control corpse appear, they hate the Tianjian faction and lose a big master.

Moreover, the elite team that hates the Tianjian faction has been killed by Ye Xuan, including his apprentice.

How can you not report this hatred?

However, it is at this time.

"Booming!"

Within the main hall, suddenly there was a loud noise.

Everyone is holding their breath, and the atmosphere is suddenly bursting open.

"Fast, the secret book of the corpse appears, find it!"

"Looking for it, with the secret of the corpse, these two silver corpses can be manipulated by us."

"Must be found before them."

The three major forces suddenly opened.

This Xuan secret book, Ye Xuan may not know, but they have been here for a long time, otherwise, how can the three forces stand in peace and wait?

The smelting lord recorded his voice before he died, saying that the secret book of the corpse was in the main hall, and it will appear when the waiting time arrives.

Although the ruins were found by people who hate the Tianjian faction, and at the same time the mad dragon building and the sun and moon gate.

But at this time, where they manage so much, whoever first finds the secrets of controlling the corpse, whoever learns to manipulate these two powerful silver corpses, can kill the other two forces.

Among them, but it involves huge benefits.

If the four major sects have three major losses here, then in the future, there will be only one large sect.

Who doesn't want to be big?

Therefore, the people of the three major forces are crazy, running wildly in the main hall, trying to find the secret book of the control.

At this time, everyone who hates the Tianjian School is also scattered, and the lord who hates the Tianjian School hesitated, or swept out.

He felt that he had killed Ye Xuan first, and then went to find a secret book.

However, when he took two steps, someone was shouting.

"Found, control the secrets of the corpse, find the secret book!"

One person found a cheat in the dark corner of the corner, but his voice just sounded and he was sneaked.

"What, found?"

Everyone is wide-eyed, looking at the sound, his eyes are red.

"kill!"

At that time, there was a big chaos in the main hall.

The three major forces, all participating in the war, only to get the secret book of the control.

Now, the lord of the hateful sword school has no time to go to Ye Xuan, and directly turn around and rush to the secret book.

In the side of the battle with Ye Xuan, the old frown, the frowning in the heart, the heart of the dark Ye Xuan came true is not the time, why did it come out before the murder of the corpse is about to appear?

From the time he just played, he and Ye Xuan have already passed hundreds of moves. However, Ye Xuan's body is much more powerful than him. He can't help Ye Xuan.

However, Ye Xuan has the strength to kill him, but it has not been used yet.

"What is the secret of the corpse, the original three forces are waiting for this, but how do I feel a little wrong?"

Ye Xuan thought strangely while fighting.

His heart has been beating wildly, as if something big happened.

Therefore, he felt that he would not do it first.

If he uses the Beastmaster violent, the three major forces will probably die in his hands, but the unpredictable hunch in his heart makes him not want to kill these people for the time being.

These people, at this time in his eyes, are cannon fodder.

Anyway, the corpse secret has no long legs and can't run away.

He continued to fight against the old and observe the situation.

The whole main hall was very crazy, and in the blink of an eye, several people died. The secret of the corpse is a hot potato, whoever gets the death.
