

Super D. S 468

Chapter 468: All fallen

At this time in the Ghost King Hall, there are only nine people left in Ye Xuan's words. This old man has a companion, so they are resisting the attack of the other seven people. Although the old man is a master of three local veins, he can't stand it. So toss.

However, he told the secret of this ghost palace.

"Blood seeds?"

After Ye Xuan heard this, it was a bit strange.

It turned out that there is a blood seed in the temple of the ghost king, most likely left by the owner of the ghost tomb.

"No wonder, this blood seed should be some kind of superb martial arts, the preciousness is definitely much greater than the ghost king!"

Ye Xuan's eyes suddenly brightened.

Now he is studying the top grade martial arts, and the best heavenly martial arts, can only learn from the dilemma of the gods, even if he can not use it, he can also sell it.

At the moment, he also killed the past.

"Things are not in my place, and you will take it if you want to!"

The old man directly throws out the dragon ring that he just got, and squats to one person.

At that time, that person became the target of everyone, and it fell in a second.

After his death, the Qiang Kun ring was obtained by the recent strong man. The brawny explored it. Sure enough, there is no blood seed in this ring.

At this time, he realized that the old man was preemptive, and he was prepared to clean up the person and find the blood seed.

"Old guy, join hands to clear people!"

The strong man shouted.

"it is good!"

The old man nodded.

Both of them have already opened three veins, and both sides have a master of two veins. The four together add up enough to clean up everyone.

And one of the remaining four people only got through a vein, they couldn't stop the brawny and the old.

However, there is a master of Jingjing who has opened two veins and stared at Ye Xuan.

"I really don't know how to live and die. Didn't you see me killing the man just now?"

Ye Xuan sneered in the heart, the speed suddenly soared.

The Canglong step of the 70% fire!

90% of the hidden dragon swordsmanship!

Sword Holy Blood!

Beastmaster blood!

These are enough to make Ye Xuan challenge in the finest environment.

"call out!"

Ye Xuan's speed broke out to the extreme, and instantly plunged to the side of the eyeless Jingwu, and then stabbed a sword.

"Hey!"

The head of the warrior was directly pierced, and Ye Xuan did not use the hidden dragon sword method.

After his death, his Qiang Kun ring instantly fell into the hands of Ye Xuan, and Ye Xuan's strength improved.

These people, the highest level of the realm will also open up three grounds, so their level of martial arts is not high, the old and the brawny reached a 40% fire, and Ye Xuan, only one step has reached 10%, this It is the gap.

When Ye Xuan killed the warrior, the strong man was also killing the extra people.

At this time in the Ghost Palace, there are only four people left.

When the strong man turned his head, he found that his companion was killed by Ye Xuan, and immediately roared: "How dare you kill him?"

"I don't just dare to kill him, I dare to kill you!"

Ye Xuan took a cold drink and suddenly moved forward.

Although he only opened two veins, his strength is definitely a strong man who has surpassed three localities.

At that time, the two people were fighting, but they just came into contact, and the brawny was beaten back.

In just one round, the winners and losers are separated.

In the second round, Ye Xuan went straight to kill.

"Hidden Dragon Sword Method, Hidden Dragon Spurs!"

Ye Xuan's light flashed, and the long sword in his hand stabbed like a thunderbolt. The cold mans shot from the tip of the sword instantly fell into the eyebrows of the strong man.

The brave man, the master of the three worlds, has fallen into this!

Ye Xuan plucked the past and swallowed his shackles.

"Almost a little!"

This thing is not enough for him to open the third vein. Therefore, Ye Xuan has paid attention to the old man and another middle-aged person.

Ye Xuan has the ability to kill the strong man, which naturally poses a threat to them.

"Little brother, you and I have no grudges, just let go!" The old man looked at Ye Xuan, and suddenly there was some worry in his heart. He felt that if they both joined forces, they would not be Ye Xuan's opponent.

"If you hand over the Qiang Kun ring, you can spare you a life!"

Ye Xuan said coldly.

After listening to the old man, he looked at the middle-aged man next to him and yelled: "Be a person to stay in the line, meet in the future, little brother, don't be too greedy..."

"If that's the case, then I just have to do it myself. When I get there, I won't leave my hand..."

Ye Xuan eyes a glimpse.

The old man hesitated, "The old man came to teach, what can you say to be able to say this!"

Suddenly, the two were bursting out.

Now there are only three of them in the Ghost Palace. As long as Ye Xuan is killed, the legendary blood seed is theirs.

"Oh, die!"

Ye Xuan's eyes were murderous and the momentum was high.

For one of them, it is not a matter for him to open three veins and one to open two veins.

"Hidden Dragon Sword!"

Ye Xuan directly used the strongest martial arts to use the infuriating body to call the surrounding world, which made his attack more than double the sum of the two.

"It's so strong, I'm afraid it's 10% hot!"

The old man and the middle-aged man looked at each other.

Although Ye Xuan's Hidden Dragon Swordsmanship is only 90% hot, he also has the Jiansheng blood and the increase of the Eight Desert Swords. The power is absolutely up to the top ten, even more than.

It seems that they are referring to the iron plate!

They estimate that Ye Xuan must have come from a certain big force. Otherwise, if he is so young, he will train the top-grade martial arts to a 10% chance, even if it is a disciple of the big school, it is extremely rare.

"go!"

The old man knows that the enemy is not Ye Xuan, and immediately drinks a low.

"Too naive, die for me!"

Ye Xuan took advantage of the moment when the middle-aged man turned and quickly stabbed a sword and instantly gave the middle-aged man a spike.

Next, it is one-on-one!

Originally two-on-one, the old man and the middle-aged man couldn't help Ye Xuan. Now one-on-one, the old man is less likely to be Ye Xuan's opponent.

"Stop, stop, I will plant, I will give you a ring!"

The old man hurriedly shouted at the speed of Ye Xuan's heartbreaking madness.

"Do I need you to give?"

Ye Xuan angered, not three rounds, is to kill the old man.

"Hey, the host has opened the third vein!"

Another reminder sounded, Ye Xuan could not help but smile.

These people are the top players of a certain power, and their worth is certainly not low.

However, this does not matter, even if they increase their net worth by a hundred times, they can't match the martial arts seeds of the gods.

"Now no one has robbed me..."

Ye Xuan once again plucked and searched in the Temple of the Ghost.

I don't know, where is this martial seed hidden?

He found the south side from the west side of the Ghost Palace, then found the east side, and finally the north side, but found nothing.
