Chapter 477: kill!

"Hey, Jiang Shaoye named your sister. If you dare to disobey, you should be clear about the consequences. Before you dragged on, I thought that Jiang Shaoye would forget this thing. Today, you better plead yourself in the past, otherwise no one can keep you. "Zhang Bao is cold and cold.

"If this is the case, then I will leave the Jiang family!" \* Feng did not want to, did not directly hold the hand of \* 鸾, ready to leave.

Want to go?

Zhang Bao's eyes screamed and slammed directly.

\* Maple did not expect Zhang Baohui to do it in the city. Because Zhang Bao's realm is higher than him, he has already opened six meridians, which is two more than \* maple. Therefore, \*Maple is directly hit by a punch.

"brother!"

\* 鸾 screamed.

"Hey, go!" Zhang Bao came up with a step, directly locked the wrist of \* 鸾, ready to forcibly bring back to Jiang.

However, at this moment, suddenly there was a big hand, shot on Zhang Bao's shoulder.

"Who?"

Zhang Bao suddenly turned back and found that he was just a kid, and he immediately slammed out.

"what?"

"Kid, do you dare to move me?" Zhang Baoyu widened his eyes.

If the Qiankun ring is damaged, the things inside will disappear, and I don't know where to go.

But he only got through six veins, and Ye Xuan just opened the seventh piece of land.

When I saw Zhang Bao's head flying, \*Maple and \* Maple were all smashed, killing people in the city?

"Not good, there is a night patrol in the air, the city guards will soon arrive, go quickly." \* Maple injured and pulled up \* 鸾, rushed directly outside the city.

If there is no Ye Xuan this time, \*鸾 will definitely be taken away, so Ye Xuan is the savior of their two brothers.

However, what Ye Xuan did not think was that the city was banned from flying, and there were a large number of sacred beasts in the air. The murder of his murder may soon be exposed.

It is precisely because of this, so \* Feng immediately took out the city.

Fortunately, they are out of town very easily.

"Sorry, I don't know how it will be." Ye Xuan is very embarrassed, and now \* Feng two brothers and sisters are indispensable.

Zhang Bao, Zhang Bao, if he let him go, he will definitely return to Jiangjiatun, when Jiang will send a master to pursue, but he did not expect that there is a sacred beast in the city, so things are considered by him. Big.

"This does not blame you, I have already prepared to leave the Jiang family. This time, Jiang Jiangye took me out to sea and wanted to force my sister to go. How can such a family stay?" \* Feng shook his head.

Ye Xuan followed and sighed.

This \* maple age has passed thirty-five, and his sister \* is only twenty years old, their parents were killed when they went to the sea at the full moon.

Therefore, the fifteen-year-old \*Feng took up the responsibility of raising a younger sister. The former had a success in today's work, and it was the best for Jiangjia, but the Jiang family let him cold.

Ye Xuan saw the shadow of the Song ruling on \*Feng, so he could not stand by.

"Someone is chasing it!"

At this time, Ye Xuan suddenly looked back and found a team in the city rushed out and quickly chased them.

\* Maple face is gloomy, said: "It is the tiger riding team of the city owner. The strength is above the seven lines. Little brothers, you take the greens first, I will go back with them!"

"Brother..."\* I heard it and immediately exclaimed.

Ye Xuan understands that \*Maple wants to go back to the top sin, but Ye Xuan is treating this tiger riding team as an experience.

"You continue to run, rest assured, these people I am still not eye-catching." Ye Xuan said coldly.

At this time, \*Maple can only sigh Ye Xuan's strength, otherwise they can only be caught back. It doesn't matter if he died, but the relationship between Jiangjia and the city government is good. If you are caught, it will definitely be sent to the hands of the young Jiang Jiajiang.

The tiger riding team rides a kind of tiger sacred beast, which is extremely fast. Although they can't catch up with Ye Xuan, they can only catch up with the four maps of the \* Maple, and the 魂魄都都鸾

Just when the Tigers were about to catch up with the three, Ye Xuan suddenly had a meal and instantly went back to kill.

"Upper swordsmanship!"

Ye Xuan directly used the swordsmanship that had been upgraded to 90% of the fire, and the speed was even more extreme. Within three seconds, he killed the ten-man tiger riding team with the mount.

"Good, strong!"

\* Maple and \*鸾 are all staying, the latter is even more surprising, because Ye Xuan's age is similar to her, but the strength is worse than 100,000 miles.

At this time, Ye Xuan has already collected the ten people's Qiang Kun ring, together with the body.

"Hey, the host got through the eighth line!"

After hearing the tone, Ye Xuan couldn't help but open his mouth and smiled. Then he ran to the front of \*Feng and asked: "What is the realm of this city owner and Jiangjia family?"

\* Feng Yizhen, said: "The Jiang family has already opened 12 veins, and the city has fourteen."

"Twelve, fourteen?"

Ye Xuan's eyes are bright. If this is the case, what else does he run?

However, he still escorted the \*Feng and \*鸢 brothers and sisters to a safe mountain.

Then, he put on a small face mask, carrying the head of the tiger captain, and returned to the door of the Bailian City.

At this time, Bailiancheng is already open.

When Ye Xuan came to the gate of the city, the generals of the defending city were also looking at the taboos, and they were able to kill a tiger riding team, at least they had to get through the eight veins.

"Don't stop me, otherwise don't blame me for being ruthless."

Ye Xuan went to the city so blatantly.

Those masters of the smelting city looked at each other and finally rushed up. It is their duty to guard the bastion. They can't let such a devil enter the city.

Ye Xuan also did not want to kill them all, but they took all their shackles and then quickly broke into the city.

The owner of the Jiang family is a master of the 12th vein, which is four times higher than Ye Xuan, but don't forget that there are countless masters in the two forces. When Ye Xuan sees the Jiang family and the lord of the city, he may be Have you gotten through ten veins?
