Chapter 481: fury

Ke Yexuan walked for a while, but it felt that something was wrong. Here, it seems that the Tang family lived.

The guards took Ye Xuan to a courtyard and said: "The people who want to see you are inside. In addition, the six elders said that they had gathered in the martial arts field to annihilate the thieves in the Jinwu Mountains..."

"Okay, I know." Ye Xuan nodded.

He did not expect that he would be assigned a task as soon as he came in.

Then the guards left.

Ye Xuan opened the door a little strangely and went in. When he came to the yard, he saw the door of the house half hidden, and there was a girl inside: "Come in."

"I rub, is it really a woman?"

Ye Xuan did not think of the seven Miss who had just seen it, because his stomach would roll when he thought of it, so he had already deleted that memory.

He tried to push the door open and there was no one inside, but he sensed that there was a man behind the screen.

He walked a few steps forward, but he found something wrong.

This room is poisonous!

"Hey, the poison is immune to the host!"

After hearing the tone, Ye Xuan's eyes suddenly screamed. He also found that this was a poison that allowed the Jingwu martial arts to sleep for three days and three nights.

At this time, the people behind the screen came out.

Ye Xuan's eyes almost smashed. Isn't that the seven Miss who saw it just like flowers?

Moreover, the other party actually bare shoulders.

At that time, Ye Xuan knew that he was being sold, and immediately it was a slap in the air.

"Hey!"

Although Miss Seven is also a dilemma, but the strength is much worse than Ye Xuan, after Ye Xuan hit it, she immediately took off her Qiang Kun ring and then quickly swept out of the room.

This Tang family can't wait any longer!

Ye Xuan also wants to cry without tears. He originally intended to sneak into the Tang family, but did not expect that he would not be able to betray the Tang family for an hour.

When he hurriedly left the yard, he heard the roar of flowers, and now the entire Tang family was alarmed.

"Damn, withdraw!"

Ye Xuan screamed and quickly evacuated from the Tang family. Fortunately, he took the Miss Qi's Qiang Kun ring and successfully opened the fifteenth vein. Otherwise, his actions would be wasted.

In general, it is not a loss!

As if the incident suddenly occurred, the Tang family had not responded yet, and Ye Xuan had already left, so the Tang family did not have any means.

At this time, in the high air outside Jinwu City.

"You lick a leg, Tang Yuanhang, I must kill you!" Ye Xuan was so angry that this time he would have been planted here for the first time if he had no blood of life.

If this is the case, then he is not as good as suicide.

Although he said that he had made such a mistake, he also got the benefit, and he also knew that Tang Yuanhang would organize a man to go hunting and kill the thief.

Therefore, Ye Xuan stayed outside the city for one night and then waited for them to come out.

Regarding the realm of Tang Yuanhang, Ye Xuan also asked the Tang family escort. Tang Yuanhang was the six elders of the Tang family. He opened 24 geographical places and was very strong.

It is precisely because of this that Ye Xuan chose to leave the Tang family directly, instead of making a big noise.

The fifteen veins and the twenty-four veins are very different. If Ye Xuan and Tang Yuanhang are on the opposite side, I am afraid that they will be like a flower.

"I just hit the seven Miss's palm and take her Qiang Kun ring. The Tang family should not have any big action, so the journey of Tang Yuanhang should not change tomorrow..."

Ye Xuan thought, just left.

This time his purpose was to annihilate these thieves in front of Tang Yuanhang and then to find the trouble of Tang Yuanhang.

Jinwu Mountain Range is just outside Jinwu City, where it can lead to Sirius City, so there are a lot of thieves robbers.

It was already dark night, and Ye Xuan went in the night and began to search for the mountain. Instead, she found several thieves.

The strength of these thieves is not strong, at most the power of twenty dragons, but the number is quite a lot.

Ye Xuan cleaned up these thieves' nests overnight and the strength was improved a little.

These thieves actually have a backstage, so they are not annihilated, but Ye Xuan can care who the background of these people is.

When it was dawn, the thief nest in the entire Jinwu Mountain Range was given to the majority by Ye Xuan, and only some hidden nests were spared.

Overnight, I swept the thieves' nests in the Jinwu Mountains. Even Tang Yuanhang was afraid that there was no way, but Ye Xuan did it, relying on the blood of life.

After the massacre of this night, Ye Xuan also opened three local veins, from 15 to 18.

At this point, he stayed at the entrance of the Jinwu Mountain Range and waited for the Tang voyage to arrive.

Sure enough, at noon, Ye Xuan finally stayed at the Tang family. This team, only ten people, headed by the Tang family's six elders Tang Yuanhang.

Last night, the Tang family also turned over the entire Jinwu City, but did not find Ye Xuan.

They would never have imagined that Ye Xuan swept over half of the Jinwu Mountains overnight and waited for them at the entrance.

When the Tang family was about to enter the Jinwu Mountains, Ye Xuan also landed directly from the sky and fell to them.

"Tang Yuanhang, you are finally here!"

Ye Xuan looked at the team of the Tang family and said coldly.

"It's you?"

Still wondering who is willing to intercept his Tang family's Tang Yuanhang, after seeing Ye Xuan, it also showed a strange expression.

"Tang Yuanhang, I still want to join you in Tang family, you actually betray me, today you guys, one can't go!"

Ye Xuan loudly.

"Selling? You swear by my niece, and hurt him, Li Zheng, take him down!" Tang Yuanhang immediately angered.

Yesterday, the seven Misses were upside down in black and white, so Tang Yuanhang did not know the truth.

But Ye Xuan is too lazy to explain, anyway, for this Tang Yuanhang, he is already determined to kill.

Looking at the Tang family who flew toward him, he was enshrined in Li Zheng, and Ye Xuan's mouth was slightly tilted.

This Li Zheng, but only opened up 18 places, just like Ye Xuan.

This kind of strength, only the share of the spike!

"Oh!"

Sure enough, in less than a second, Li Zheng's head was thrown away.

Spike!

Ye Xuan took off his Qiang Kun ring and then said: "Who else?"

"how is this possible?"

Tang Yuanhang is very surprised. The strength of Ye Xuan is verified by himself. However, this day, Ye Xuan is able to kill the masters of the 18th. How is this possible?

"It seems that this kid has hidden strength before."

Tang Yuanhang thought in his heart, at this time, he did not react to Ye Xuan's use of the martial arts of the Shangqing Palace.

"Sun Xiaoyu!" Tang Yuanhang shouted.

Sun Xiaoyu, the Tang family, has opened up 20 geographies.
