

Super D. S 49

Chapter 49: conspiracy

"He is now the seventh peak of the martial arts, and repeat it again. The seventh peak of the martial arts!" Xue Qingqing looks like a little man, as if she is herself.

"What, this is impossible!" Xue Hai exclaimed.

Ye Xuan broke into the fourth stage of the martial arts, but it was only a month or so. However, in this month, Ye Xuan jumped eleven levels. How is this possible?

"How is it impossible? Ye Xuan's strength is that I watched the promotion with my own eyes, and you don't know. Before that, even Yuncheng came to a strong man and pointed out the Lin family grandfather for a while. Then, the Lin family grandfather directly went from the martial arts. Seven heavy peaks, all the way to the martial arts ninth heavy." Xue Qingqing explained.

"This....."

Xue Hai slammed his head, and the amount of information was too big, which made him a little more responsive.

"And ah, Ye Xuan was also accepted as a disciple by the sect of the sect of Yunzhu. He can definitely deserve to be worthy of me. If the city owner will find it, you will say this." Xue Qingqing added.

On the side of Ye Xuan's brow wrinkled, he has not yet entered the cracked Yunzong, how was he been accepted as a disciple by the Lie Yunzong?

But he quickly reacted, and this is taking advantage of the situation.

With his current qualifications, it is absolutely possible to win the position of the chief disciple of the Li Yunzong and be accepted as a disciple by the Lie Yunzong.

"Ha ha ha ha..."

However, when Xue Qingqing's voice fell, the enemies on the side suddenly smiled.

"Uncle, what are you laughing at?" Xue Qingqing asked inexplicably.

"Little girl, you can't fool people." Even the offerings shook his head.

"Hey, uncle, if you don't believe, go see his realm." Xue Qingqing whispered.

Even the offerings shook his head: "Haha, I am not talking about his realm. I feel that this kid is already the seventh peak of the martial arts. I said that he cannot be a disciple of the ruins of the ruins of the cloud!"

"Why not?" Xue Qingqing did not understand, is this lie a loophole?

"Do not worry about Shantou, even the original is the mentor of the cracked Yunzong!" At this time, Xue Hai on the side reminded.

what?

Upon hearing this, Xue Qingqing and Ye Xuan are all a glimpse. The person in front of me is actually the mentor of the cracked Yunzong?

No wonder the lie will be pierced at once, it turns out to be like this!

"Hey, you were before, now it is not." Xue Qingqing said hard.

"I have indeed left the Yunyunzong, but I know that it is impossible for the sovereign to accept him as a disciple, because the sovereign is not in the cracked cloud, and now the deputy is in charge." Even the offering said with a smile.

Xue Qingqing's language was stuffed, and he argued: "I'm talking about the deputy lord, but I'm not saying it."

"Let's follow you, but I am now a Xue family's offering, but it can help you to lie this one." Even the offering said, after all, received the money of others.

"That's too much thank you." Xue Hai also knows that Xue Qingqing is talking nonsense, but there is nothing to pretend to be. After all, Ye Xuan is not a qualification, let alone the Yunyun, even if he went to the cracked Tianzong, I am afraid it will be the sovereign. Look at it.

"No problem." Even the offering said with a smile.

Sure enough, after a while, another person came in to report.

"Master, the city owner personally came!"

Still waiting for his voice to fall, there are several figures coming in.

Xue Hai's face also flashed a touch of color, hurriedly greeted him and said: "I have seen the city owner!"

This time, the owner of Wanjin City also came in person. This is a middle-aged man with a starbrow star, and looks handsome.

However, the young man behind him was ugly, like a pig, with big bells, nostrils, and wide mouth.

When Ye Xuan saw this person, there was a tumbling in the stomach. Xue Qingqing did not dare to look directly at his face, for fear of spitting out the tea he had just drank.

Don't think, this must be the lesser city owner of Wanjincheng.

Ye Xuan is also very puzzled, or is there a woman with a few face values, how can she give birth to such an ugly son, is it difficult to be a woman's problem?

"Xue Hai, General Chen said that you want to retire?" Wan Jincheng argued that Lie was also straight to the point.

Xue Hai's cold sweat, nodded: "Yes."

"No, since this matter has already been promised, how can it be repented? If this marriage is retired, how should the world look at me?" Zhang Lie said with some anger.

In his capacity, it is simply too easy to find a beautiful daughter-in-law for his son. If it is not because of Xue Hai's background, even if Xue Qingqing is shocked to be a god, it is useless.

Now, it is important to lose face, and a city owner, who has been retired, will definitely become the laughing stock of the world.

Xue Haiyi gritted his teeth and did not explain much. He said directly: "The city owner, I have already prepared for double dowry, and I can send it to the city government office later!"

When I heard this, Zhang Lie finally couldn't help it. He yelled: "Xue Hai, you are so bold, are you playing me?"

Still not waiting for his voice to fall, even the offering is a step forward, guarded by Xue Hai.

Zhang Lie brows slightly wrinkled, he feels that this person is not very simple.

"Who are you?" Zhang Lie asked in some taboos.

"Lian Yuan, Xue Jia enshrine." Even the offerings answered faintly.

"Hey, I don't care who you are, you just have to remember that this Wanjin City at the foot is the site of my Zhang Lie." Zhang Lie said, and then he turned his attention to Xue Hai, saying: "This marriage contract must be Retire, but you want to double the return of the gift is too simple, I want ten times!"

what?

ten times!

Upon hearing this, everyone present was shocked. The original 50 million yuan and two silver gifts suddenly became 500 million yuan, which is five million two gold. This is a huge number. Even Xue Hai is not able to get it all at once.

"The city owner, are you a big opening for the lion?" Xue Hai's face sank to the bottom, 500 million two silver, he could get it, but to sell the vast majority of the industry, this is also a horrible thing for him. digital.

"If you want to retire, then come up with ten times the gift, otherwise I will not agree!" Zhang Lie coldly.

Ye Xuan at the rear is also unable to sit still. He has done similar things. He suddenly felt that his offer price is too low?

Zhang Lie asks for 500 million yuan of silver, and he only has three million yuan and two silver. The gap is too big.

You must know that the Yujin Qiankun ring, I am afraid that I will come up with a thing, more than these 500 million.

"If you lose money, you will know more and shout a little, otherwise I may be the ninth heavy martial arts now!" Ye Xuan regretted it very much. He was too young at the time, afraid to call the high price to anger the Yuan dynasty.

Seeing that Ye Xuan and Xue Qingqing came, Zhang Lie also sighed: "No wonder it is to quit the marriage. It turned out to be running with this little white face. Kid, you dare to play even with my men. Is it tired?"

Liu Tongling had already come back once, so this fierceness also understood that Ye Xuan was such a person.
