Chapter 54: Split Yunzong

"not good!"

After Liu Tongling saw Ye Xuan, his face changed, and he hurriedly turned around and ran.

He had been hiding in the Lianyun 18 Mountain Range for a few days, but he did not expect that Ye Xuan, who had just hit the back, really hit the gun.

"Give me death!"

Ye Xuan quickly approached, and then took out the broken cloud bow.

"Hey!"

Six arrows were shot and the Liu Tong was shot into a sieve.

Now Ye Xuan is the eighth heavyweight of Wudao, and Liu Tongling is the seventh peak of Wudao. Together with the broken cloud bow, Liu Tongling can't stop it.

"Poor, who makes you bad luck." Ye Xuan shook his head and searched for the body of Liu Tongling, but did not find much.

If Liu Tongling leaves from the entrance of Lianyun 18 Mountain Range and then detours back to Wanjin City, Ye Xuan will never touch him.

This is luck!

After Liu Tong's death, the stone in Ye Xuan's heart finally fell. Now, no one knows that he killed a team under the mainstay of Wanjincheng City, including a martial arts eighth mid-term offering.

Only he and Xue Qingqing knew about this.

After solving this trouble, Ye Xuan continued to hurry. It took him about three days to finally reach the foot of the cracked Yunzong.

However, the long running, so that he also worn a few pairs of shoes, at this time the shoes under his feet can not be broken, and even the toes are exposed. But it does not matter, after entering the Yun Yunzong, you will certainly be able to receive the costumes of the disciples of the Yunyun.

"Cracking Yunzong, I am coming too!"

Ye Xuan shouted at the foot of the mountain, and then began to climb the door.

Along the way, Ye Xuan also saw many disciples of the Yunyun sect down the mountain. At the same time, he also felt that the strength of these disciples was much stronger than that of the disciples of the general family.

Even, he saw the seventh-born disciple of the martial arts, and the other party seemed to be seventeen or eight years old.

The split Yunzong is indeed one of the two major denominations of Nanlin County.

There were a total of 999 mountain gates in the Yunyun dynasty. Ye Xuan climbed up easily. However, he just climbed to the top of the mountain, and there was a discordant voice on the side.

"Where is this savage, even the shoes are not, dare to come to me to crack Yunzong?"

Ye Xuan turned his head and saw that there were three figures coming from not far away. All of them were dressed in the costumes of the disciples of the Yun Yunzong, and they were still inner disciples.

"Come on, let this kid go down." An inner disciple headed the wave.

Then, a disciple of the mountain guard came to Ye Xuan and said: "This brother, you are going down the mountain."

"I came to report." Ye Xuan slowly said.

"This..." This shoushan disciple stunned and turned his head and said: "Ning brother, he is a disciple who has just received the sect, to report."

However, the inner disciple did not pay attention to it and continued: "I told you to kill him. Later, the teacher will go down the mountain. Don't let him pollute the eyes of Guan Shimei."

Shoushan disciple was very helpless and turned his head and said: "This younger brother, you should go down the mountain to buy a pair of shoes..."

However, his voice had not yet fallen, and a figure swept to him, and then a slap in the back of his head.

"Ning brothers let you hit him down, have you not heard?" The shooter is also an inner disciple, the one behind the brother of Ning.

Ye Xuan did not expect the other party to suddenly shoot, immediately grabbed the defender of the mountain, and then swept his right foot and kicked on the leg of the disciple.

"what....."

The disciple who suddenly shot and beat people did not expect that he would be attacked. He immediately fell down and then rolled down the long ladder.

"Let's go, dare to confront his opponent, find death!"

Another inside disciple saw it and immediately screamed and rushed up.

"The seventh martial arts area is heavy, and dare to arrogate in front of me, you also let me down!" Ye Xuan muttered, when the other party rushed over, he kicked out directly and took him down the ladder.

This time, the Ning brother is not calm, his two follow-up classes have been kicked by Ye Xuan, how can he sit and watch?

"Let's go, do you have the courage to shoot my people?" Ning brother took the arrogant pace and walked toward Ye Xuan.

Ye Xuan will help the famous disciple of the mountain, saying: "The small things in the district will be shot to the brothers and sisters. Is this the quality of your disciples?"

"Quality? What qualifications do you have to say this? You dare to start with my two teachers. I will give you a chance to roll to the foot of the mountain. Otherwise, you don't want your legs!" A high-profile look at Ye Xuan.

However, this can not blame him, he was born in gold, and is also the top ten disciple of the inner door, so it is still a bit of money.

"To roll, you roll yourself." Ye Xuan snorted.

"You are looking for death!" Ning's brother glared at him, and went straight to Ye Xuan, preparing to kick down Ye Xuan.

"Just kidding, it's you who are looking for death!"

Ye Xuan easily avoided the other side's attack, and his right hand swiftly shot, and Ning's brother's center of gravity was unstable, and he fell down directly.

"噗通!"

"噗通!"

Ning brother is really rolling down.

The disciples of some of the surrounding Yunzong were shocked. Ye Xuan was really a newborn calf. He was not afraid of tigers. He just came to report and even provoked an inner disciple. Is this looking for death?

However, Ye Xuancai just came to split Yunzong, why is it so powerful that it is difficult to achieve it, is it sent by a big family?

"Snapped!"

This brother is not a vegetarian, his hands are on the ground, the whole person flies up, and then falls on the ladder safely. He does not care about the dust on his body, and rushes straight up, shouting: "I want to kill." you!"

"It seems that it is not enough, let me roll!"

Still not waiting for Ning's brother to rush up, Ye Xuan was squatting on his face. At that time, the powerful force rushed out and directly gave Ning's nose to him. At the same time, he also let him The body flew out.

Ning's body squatted on the ladder and began to roll.

The whole game is awkward.

The name of Ning Shi's brother is also widely circulated in the cracked Yunzong. As the tenth of the inner door, he has already been the seventh middle of the martial arts. After a while, he can even hit the seventh peak of the martial art.

However, such a realm is so vulnerable in front of Ye Xuan.

Could it be that this Ning brother is a paper tiger that relies on the medicinal herbs piled up?

"Hey, many lines of injustice will be self-satisfied!" Ye Xuan said coldly, then turned to look at the defender of the mountain, said: "This brother, I am Ye Xuan of Lianyun City, where is the report?"

This shoushan disciple is already shocked and can't speak.

He stared at Ye Xuan, the harmless face of the human and animal. After a long while, he slowly opened his mouth, but he still didn't talk. Someone on the side groaned:

"The teacher is coming, the teacher is coming!"
