Chapter 57: Outer door first

The eighth martial arts, placed in the previous Lianyun City, is definitely the first master.

But this kind of realm has come to the cracked Yunzong, but there are countless, even the younger generation has several.

Before the age of 25, human beings were the prime time for practicing martial arts, because the meridians would not be shaped and cultivated faster during this period.

After more than twenty-five years old, cultivation slowed down, so Ye Xuan broke into the eighth stage of the martial arts in the first two months, but it did not cause much surprise. After all, in their view, Ye Xuan relied on a large number of Dan. The medicine is piled up.

Looking at the back of Ye Xuan's departure, the brow's brow was slightly loosened, but after she saw two dirty figures rushing toward her, the brow was condensed and then turned. go.

.....

The deacon of the Li Yunzong took Ye Xuan to receive the costumes of the disciples of the Yun Yunzong, and then assigned a house to Ye Xuan.

"Oh, unfortunately, I thought you were a super genius. I didn't expect it to be piled up with a lot of medicinal herbs. You are too unwise to get so many spar, it should be stored well, and the cycle is progressive. Wang Dao."

The deacon of Yun Yunzong shook his head and then left.

"The pit smash, the super genius is buried, I still want to know how to get attention."

Ye Xuan stayed in his yard thinking.

He suddenly remembered that the outer door of the cracked Yunzong is also ranked. As long as it ranks in the top ten every month, then it can rise to the inner door. At that time, it will be able to challenge the inner disciples.

"Hey, this is a few days this month. I will go to the outer door first." Ye Xuan thought, just wearing the shoes directly, then washing his head and grooming, lest others think he was a country boy.

Later, he strolled around the cracked Yunzong, asked some places, and rushed over.

He first came to the place where the Rift Yunzong applied for the challenge, and then applied to challenge the first door.

"What? You have to challenge the outside door first? What is the name?" A deacon of the Yun Yunzong looked up.

"I just came to report today, Ye Xuan!" Ye Xuan reported his name.

The deacon was also looking for a book, but did not find Ye Xuan's name, so said: "No, your name has not been updated, wait for the name to come over."

Ye Xuan was slightly helpless. After looking around for a lap, he quietly took out a silver ticket of 10,000 yuan and said: "Senior brother, can you get through?"

The deacon of Yun Yunzong glanced at his face and changed his face. He said, "What do you think of me? At least 320,000!"

"The trough!"

Ye Xuan's heart screamed, but thirty thousand two for him, it's just a slap in the face. Now he just took out four thousand and two silver tickets and secretly handed it over.

"Haha, the younger sister's emotional intelligence is really high." The deputy Yunzong deacon quickly collected the silver ticket, and then added Ye Xuan to the book, and then asked: "You brothers really have to challenge the outer door first." ?"

"Yes." Ye Xuan nodded.

"You are sure? The outside disciple is the sixth peak of the martial arts!"

"Nothing, my brother can handle it!" Ye Xuan nodded again.

What kind of jokes, he even killed the eighth heavy martial arts, but also afraid of a martial art sixth?

"Well, then I will register for you. When do you want to challenge?" The deacon of Yun Yunzong did not say much, and asked again.

"As soon as possible, it is best today!" said Ye Xuan.

Today, he made a big fuss in front of the mountain gate, but he was suppressed. Now, of course, it will be another time.

"Well, then you are going to challenge the ring and wait, I will inform the younger brother!"

Upon hearing this, Ye Xuan also thanked him and then left. He asked about the direction of the challenge, that is, rushed over.

There are thousands of disciples in the outer gate of the Yunyun sect. The first one that can be photographed at the outer door must have two brushes.

Unfortunately, he met Ye Xuan.

Soon after, several foreign disciples came to challenge the ring, and the deacon was among them.

"Is you going to challenge me?" asked a disciple of a thick eyebrow.

"It's me." Ye Xuan replied faintly.

"I really don't know how to live and die, waste my time, come on stage, and Lao Tzu has to go to practice." This foreign disciple has never seen Ye Xuan, so he thinks that Ye Xuan can't think of it.

The deacon of Li Yun, who was registered with Ye Xuan, was the referee. Ye Xuan and this foreign disciple went to the stage.

However, the next time, the deacon was shocked.

I saw that the foreign disciple was directly slap by Ye Xuan to the bottom of the ring, defeated!

"Which situation, I blinked, how did the brothers of the hill fly to the ring?" The followers had widened their eyes.

"I, I saw that Brother Qiu was beaten by the other party."

"How is this possible? Brother Qiu is the sixth peak of the martial arts. His strength is not in the sixth peak of the martial arts. How can he be beaten by a slap?"

At this time, the deputy of Yun Yunzong responded and announced: "Ye Xuansheng!"

He also did not think that Ye Xuan's strength is so strong, I am afraid that it has reached the seventh heavy martial arts. However, he has not heard of a big family who recently sent his family to the Li Yunzong.

After winning the victory, Ye Xuan did not turn to the downstairs, and then hurried away.

The outside disciple who was slapped in the palm of his hand, the whole person was paralyzed. If Ye Xuan was wearing the costumes of a foreign disciple, he thought that some of his inner disciples came to him to find trouble.

In this way, Ye Xuan took the first door.

It is a pity that there are not many people who come to watch it.

"No, you must get the attention of the head early, otherwise the lord of the city will send people to crack the cloud, then my lies will be exposed."

There are some worries in Ye Xuan's heart. If the lie is exposed, then even Yuncheng is in danger.

"Forget it, go to the Wu Xue Ge first, and sell the martial arts first." Ye Xuan thought about it, and went to Wu Xue Ge.

His martial arts are relatively rare, at least not in Wanjincheng.

When it comes to the cracked cloud, it should also be able to sell a good price.

Flow cream, explosion star arrow, chaotic star arrow, and Netherwalk are all seven martial arts, plus some six martial arts, Ye Xuan estimates, at least can sell 50 million two silver.

However, he underestimated the black heart of the cracked Yunzong. He only sold more than 30 million yuan of silver.

In the case of the split cloud system, Ye Xuan replaced the 30 million yuan of silver with more than 3,000 points, and then purchased some Tiandi Dibao and Shenbing to swallow it. His strength has once again increased.
